they certainly did use their weight at times. The half time score was 20 to 10 for McGill. During the second period "Shorty" Pound, of Queen's, hurt his knee and had to retire. Nelson McCartney took his place and played a good game. Queen's defence played a very poor game at times. McGill would shoot at long distances and this seemed to puzzle their opponents. Queen's are now out of the inter-collegiate championship running, having won only one game. It looks very much as if Varsity will win the cup, as the Toronto team is a lot faster than McGill.

Daniels' Great Form. "Bert" Daniels is looked upon today as being one of the best goalkeepers watching nets in amateur hockey in Ontario. It was a great pity that he was unable to play with Queen's this season. His ability as a hockey player did not come to him all at once, nor was it willed to him. It has come as the result of watchfulness and care. Before every game in which he takes part he lies down for a couple of hours and rests with a bandage around tightly over his eyes. This is to prevent nervousness and it certainly has the desired effect, for never was there a cooler goal-keeper than long, lanky, good-natured, skilful A. M. Daniels.

Katon's vs. T.A.A.C. Eaton and Toronto Amateur Athletic club play their final game in Toronto tonight. Much depends upon the result of this game for should T.A.A.C. win from Eaton's, which they did at the beginning of the season, it would mean that Parkdale and the "Big Store" team would be tied for first place. Eaton must win this game to be sure of their group and thus be qualified to enter the semifinals with Frontenac.

Hockey in Detroit. The Detroit Journal contains hockey news of interest: "On Rover Langman, late of the Kingston junior U.H.A. team, will depend much of Detroit's offensive play against the strong Amateur Athletic club hockey team of Toronto in the two games at the Detroit arena on Friday and Saturday nights. With Langman in the game Detroit will have two men on its line-up who played off teams not forty miles apart in Canada. Harold Black, point, received his rudimentary training on the marshes about Pelee, Ont.

Result Eagerly Awaited. Parkdale's victory over Stratford, Thursday night, has made Saturday night's game of considerable importance. Should T.A.A.C. win from Eaton's, then Parkdale and Eaton will be tied for first place. Following is the standing in senior group No. 2:

Table with 4 columns: Team, Won, Lost, For, Against. Rows include Eaton's, Parkdale, T.A.A.C., Stratford.

A Very Cold Wait. A number of ladies who witnessed the Queen's-McGill game Friday night sat in the rink from 6.45, the time the doors were opened, until the conclusion of the game about 10.15.

A False Impression. William McEvedy, manager of the Bath Road Beavers, wishes to say that he will defend the K.T.H.A. cup if it is possible to do so, but not in direct opposition to the ruling of the executive.

Frontenacs Lost in Perth. The junior Frontenacs went up against a harder proposition in Perth last night than they had any idea of. When they arrived there and got on the ice they found they were up against a seasoned senior team. The result was they were defeated by the score of 12 to 4. The game was played in three periods. The score at the end of the first period was 4 to 2, at the conclusion of the second it was 7 to 3, and at the end of the third was 12 to 4. Harold Nicholson refereed. The Perth team expects to play the Stewarts, of Ottawa, next week.

What Happened a Quarter of a Century Ago. The thaw to-day filled many cellars with water. J. F. Charles, of Wolfe Island, died, aged seventy-five years. The Salvation Army intend forming corps at Sealey's Bay, Westbrook and Newboro. A boiler manufactured by McEwen & Son was placed in Stevenson's piano factory. B. W. Folger sold a Holstein bull for \$250, to Hugh McCaughey. The electric light company purchased the boiler, engine and shafting used on the steamer City of Kingston. The stockstack of the steamer Pierrepont was removed. It broke in two pieces while being lowered. Mr. Murphy, an employee of the Montreal Transportation company, had his left leg broken below the knee by a log rolling upon it. Dr. L. M. Fenwick set the limb.

Says Naval Bill is Dead. Every one admits that the naval bill is dead, and that this ridiculous law will never more do any harm on our statute. The repeal of this law is quite easy and, in fact its repeal has been decided upon for a long time past. Exact hour of Mr. Borden's speech against this monument to the stupidity of the Laurier-Lemieux-Beland government is the ministry's affairs, but it will take place before very long.

I can sell or rent your real estate and on reasonable terms. Give me a call and an opportunity. Howard S. Folger, 41 Clarence street. "Electric Beaus," sold at Gibson's.

Told In Twilight

The curling tea on Wednesday at Lorne was in charge of Miss Minnie Gordon's rink and was most enjoyable. The tea table over which Miss Gordon presided was prettily arranged with tall green-shaded candles. The guests included Mrs. J. Higgin, Mrs. Bernard Brown, Mrs. H. H. Duff, Mrs. R. J. Hooper, Mrs. H. Dawson, Mrs. W. R. Givens, Mrs. Hugh Macpherson, Mrs. F. H. Craig, Mrs. Dridenay, Mrs. J. Gaslin, Mrs. W. E. Mugs, Mrs. Charles A. Low, Miss Martha Smith, Miss H. Fraser, Miss Mowat, Miss Mabel Dalton, Miss Florence Cunningham, Miss Constance Low, Misses Doherty, Miss Jennie Livingston, Miss Jean Gaskin and Miss Kate Craig. In the match which was played during the afternoon the ladies won from the men. Rinks—Mrs. H. Macpherson, Mrs. W. R. Givens, Mrs. H. Dawson, Mrs. R. J. Hooper, skip, Mr. Douglas, Col. Hunter Ogilvie, H. Wallace and Capt. Leslie.

On Friday evening Mrs. J. D. Boyd entertained about fifty young people, including a number of students, to a delightful "hearty party" in manse. The house throughout was prettily decorated with red and white hearts of all sizes, and the different games and dainty refreshments served, with the hearty will of Mr. and Mrs. Boyd, made every one present feel that it was indeed a real "hearty" party. In the dining-room the color scheme was in pink, a large lace centrepiece over pink, surrounded by little cupid hearts and pink tulips. The effect was ideal. Mrs. D. W. Trussell poured tea and Miss M. Spence (Vancouver), cut the pies, assisted by Mrs. Lennox and the hostess.

Miss Edith Hegue, University avenue was hostess at a very jolly snowshoe tramp and supper party on Thursday evening. The guests included: Miss Wilho Henderson, Miss Dorothy Goodwin, Miss Phyllis Knight, Miss Mollie Saunders, Miss Dorothy Hooper, Miss Letta Elliott, Miss Grace McLelland, Messrs. L. B. Stevenson, Kenneth Macmillan, Wilbur McKnight, George Hooper, Ted Goodwin, Henry Henderson, Len. Bate, Charlie Elliott and Robertson.

Among the guests at the Hunt-Polo Club, dance this week in Toronto were noticed Mrs. Douglas Young, Mrs. H. Bickford, Mrs. Van Straubenzie, Miss Phyllis Cartwright and Mr. and Mrs. Frederick Hammond.

Mrs. George McKay, Sydenham street, gave a great deal of fun to the little folks on Friday evening, when she arranged a driving party for her daughter little Miss Helen McKay.

Miss Dwyer, "Park View," has issued invitations for an at home on Thursday afternoon February fifteenth, to introduce her niece, Miss Maizie Dwyer.

The cadets at the Royal Military College are entertaining this afternoon at another of their jolly snowshoe tramps.

The spinsters in Nanapan have issued invitations for a dance on Tuesday evening.

Miss Jean Duff was hostess at the Reading Club on Friday.

Mr. Colin Dufield, of McGill University.

COLDEST IN YEARS OFFICIAL RECORD ON SATURDAY WAS 24 BELOW. Many of the Thermometers Around the City Went Far Lower—Men Cutting Ice Had to Give up for a Time During the Morning—The Plumber in Great Demand Again. Well, well, well, who said the backbone of the cold weather had been broken? The man who said so had better take another guess for Kingston is, at the present time, experiencing one of the coldest spells in years. The official record on Saturday morning was twenty-four degrees below zero, but some of the thermometers around the city went as low as twenty-six, twenty-seven, twenty-eight and some even thirty. It was cold and very snappy, and if the weather man had said that it was seventy below he would not have been able to raise an argument, as everyone who had occasion to come out of a nice warm home this morning found that it was just as cold as it looked. Out at Portsmouth it was just as cold as in the city. The village philosopher told a story about all the thermometers in the village being put out of business. At the police station at eight o'clock the thermometer registered twenty-six below and the men at the station stated that it had dropped one degree in the last hour. As usual, in every cold spell, the plumber was in great demand. Everyone wanted him at the one time, and he had a busy time trying to please citizens. The weather was so severe that the men engaged in cutting ice had to quit work to-day. Yesterday afternoon the men kept on the job in spite of the bitter cold. The weather this winter has been far more severe than that of last winter, when the lowest the thermometer registered was but five degrees below zero.
