THE SPORT REVIEW

SOME COUNTY HOCKEY MATTERS CONSIDERED.

First Final Game to be Played Saturday—Curling Games on Tuesday—Other Sporting Notes.

The trustees of the Edwards trophy had a long session Tuesday evening, dealing with some complicated matters in connection with the county hockey league.
 It was finally decided to order the game between Catarauqui and Wolfe Island replayed on Palace rink Thursday afternoon. The secretary, William McEderidge, will order the winners to play off in the final with Sydenham, which lead in the northern county of Sydenham on Saturday afternoon.
 At a meeting of the trustees held on Feb. 19th, Battersea had protested against two Wolfe Island players, claiming they had played on the K.B.C. team in another league, which was strictly against the rules of the league. At the same time the trustees found out that Battersea had been playing a Kingston man on their team. Wolfe Island asked, at this meeting, to have these men re-instated, and upon the assurance of the secretary of Wolfe Island that the management of that team had not understood the rules regarding this point, and that these men had not played with the K.B.C. after they received a copy of the rules, these two men were re-instated.
 At Tuesday's meeting, Catarauqui protested against the re-instatement of these players, and proved that they played on the covered rink with the K.B.C. team on Feb. 12th and that the management of their team had received the rules on Feb. 10th. The secretary of Wolfe Island had unintentionally made a mistake and the trustees ordered the game to be replayed.

With the Curlers.
 Six (six) games were played at the local curling rink on Tuesday afternoon and evening. In A series, Skip Wallace won from Skip Ross, 20 to 3. In B series, Skip Broser won from Skip Turcotte by 15 to 5. In B series, Skip Givens won from Skip Dalton by 15 to 13. Two games were also played in C series, when Skip Hooper won from Skip Spalding by 21 to 14, and Skip Macnaughton won from Skip Goodwin by 15 to 10.

Rockwoods Won.
 An exhibition hockey game between the Bath Road Beavers and the Rockwood keepers, was pulled off at Rockwood rink, Tuesday evening. The Beavers led by a good margin almost throughout, at half time the score standing 8-2 in their favor, but in the last fifteen minutes of play, they seemed to fade away completely, and the "keepers" won out by 10-8.

Junior O.H.A. Champions.
 Orillia beat Toronto Canoe Club in Orillia, Tuesday night, in the last of the junior O.H.A. finals by a score of 5 to 3. Toronto C.C., however, win the junior O.H.A. championship by three points.

Century vs. St. Mary's.
 The Century and St. Mary's hockey teams played a game on the Stadium rink last evening. The score resulted in a tie, 3 to 3.

APPEAL OF THE Y.M.C.A.
 It has Raised \$4,800. But Needs \$8,000—Subscriptions are Invited to be Sent to the Secretary.
 The board of directors of the young men's cabinet of the Y.M.C.A., assisted by a few other busy men of the city, have been working energetically to raise \$8,000 needed for Y.M.C.A. purposes this year. Those citizens who have been approached for subscriptions already have responded very generously, and the sum of \$4,800 is now promised.
 However, the hard part is always the last thousand dollars, and the directors feel that they cannot possibly do without the full amount unless they allow a number of absolutely necessary improvements go for years to come.
 There must of necessity be hundreds who have not yet been canvassed and who cannot be seen by these men owing to the great amount of time needed for such an undertaking.
 These can only be appealed to through the columns of the press, and to such we make appeal that they do something to make the Y.M.C.A. raise this last \$1,200. There is no greater institution in the world to-day than that which has for its chief aim the moral uplift of the young men and boys of the community. Rev. Dr. Herridge, in that able address before the Canadian Club on Tuesday, said that "of all industries in our great country, no industry was so great as that of making men." We can conceive of no better argument in favor of the Y.M.C.A., which is doing such an immense work along these very lines.
 During the next week or ten days all sums sent in to make up this last \$1,200 will be reported in these columns, and we trust that no man or woman who has the welfare of our young men and boys at heart will lose this opportunity of assisting the Y.M.C.A. Make one grand pull for the top. Subscriptions may be sent to the secretary of the Y.M.C.A., who will acknowledge the same.
