HAD SLIGHT GLIMPSE

OF THE GOVERNMENT'S ATTITUDE IN BILINGUAL ISSUE.

Sir James Whitney Did Not Want Any Discussion Yet—It Will Come Up Before the House Rises.

Toronto, March 30. During the consideration of the further supplementary estimate in the legislature, yesterday, the members had a slight glimpse of what might be expected on the bilingual question.

"I do not understand what the honorable gentleman means by a statement," said Sir James Whitney. "The question comes up at all I suppose there will be a statement."

A FINE TRIBUTE PAID To the Memory of the Late Dr. John Elkington.

Plevna, March 29.—Closing a long career in the medical circles of Canada, John Elkington, M.D., son of the well-known F. Elkington, M.D., of Birmingham, England, and former physician of Clarendon, Palmerston and Miller, died at his home, Plevna, on Friday, the 22nd inst., after a long and painful illness.

The doctor was a man of sound judgment and high integrity, and his advice on medical matters was considered invaluable. Although intense in his temperament and earnest in his efforts in all pertaining to medical affairs, he was not by any means a one-sided doctor. He did not believe that the chief duty of a man was to gather gold.

IS NEARING COMPLETION.

Marble Altar in Watertown Church to be Dedicated.

Watertown, N.Y., March 30.—The magnificent marble altar given by Mrs. Anson B. Flower, to the Trinity Episcopal church, will be dedicated at the first service Easter Sunday, by Bishop Charles T. Olmsted. The first glimpse of the altar on which workmen have been engaged for months will then be afforded the public.

MOTORISTS TO TOUR

International Highways in Interest of Good Roads.

For the first time since its inception a continuous automobile tour is soon to be made over the entire length of the international highway, starting from Miami, Fla., and terminating at Quebec, a distance of about 5,000 miles.

The party will consist of eight people in three cars and is under the direction of Frederick C. Miller, representing the board of trade and the Automobile and Good Road Association of Miami, and will be conducted under the auspices of the Touring Club of America and the Quebec-Miami International Highway Association.

Mr. Miller, who is an enthusiastic good roads advocate, will be accompanied by his wife and chauffeur, and will lead the tour. Mr. and Mrs. E. W. Philo, of Elmira, N.Y., and W. P. Brion, of Miami, will accompany Mr. Miller as far as Montreal, where the party will be welcomed by John A. Stewart, president of the League of Good Roads Associations; Howard D. Hadley, president of the Quebec-Miami International Highway Association; George A. Simard, of Montreal, chairman of the Canadian Committee of the International Association of Automobile Touring Clubs; and prominent automobile and highway officials.

In a report to F. H. Elliott, secretary of the Touring Club, last week, Mr. Miller gives the following outline of his plans:

"We expect to begin our journey about April 10th and will spend more or less time at different points in the south and should we find the road condition unfavorable will proceed slowly; our aim not being to see how quickly the trip can be made, but to make a safe and comfortable journey. The trip will be started at Detroit, Fla., which is forty-eight miles south of Miami, Detroit being the most southern settlement on the main land of the United States, as well as the farthest point south in Florida which is reached by wagon road or trail.

The official cars of the Touring Club, under the direction of Col. Henry MacNair, chairman of the club's touring committee and editor-in-chief of the Automobile Blue Books, have covered practically every mile of the international highway which is completed and only in length to the transcontinental routes heretofore surveyed by the official cars of the club.

As this is the first continuous tour ever made by motor car of all the Atlantic seaboard states through to Canada, the international good roads tourists will give a splendid reception at every point, and plans are now under way for their reception in Atlanta, where they will be escorted into the southern capital by D. D. Armstrong, vice-president of the Touring Club and officials representing the Chamber of Commerce and civic organizations. At Pinehurst the party will receive a cordial greeting from Leonard Tufts, president of the Capital Highway Association, and one of the foremost good roads leaders in this country. Upon their arrival in Washington they will be met by Le Roy Mark, vice-president of the Touring Club, who will arrange in advance for a reception at the Capitol by Vice-President James S. Sherman, honorary chairman of the Touring Club, and an ardent automobilist.

President Hadley, of the Quebec-Miami International Highway Association, is assisting in an effort to make this tour in every way a success and in company with George A. Simard, Canadian chairman of the International Highway Association will join in welcoming the tourists upon their arrival in the metropolis. All of the three cars will fly the Touring Club's colors, and as well as an American flag, the latter to be replaced upon crossing the border into the dominion by a Canadian flag, which will be an interesting feature in connection with the run. Favorable reports are being received from all along the route of the international highway, indicating splendid progress in the plans for new road construction and enthusiastic meetings are being held in many of the southern states which are anxious to have the roads passable at all seasons, so as to promote the automobile touring throughout the Dominion of Canada.

E. B. Douglas, of Miami, a director of the International Highway Association and president of the Miami Automobile and Good Roads Association, in a recent letter to President Hadley, predicts that the tour, to be made by Mr. Miller, will be very beneficial, and will accomplish a great deal in the interest of highway development throughout this country and the Dominion of Canada.

It is expected that by next fall the great highway connecting the states with the province will be practically completed so that the trip can be made with pleasure and comfort.

Col. Cameron, of North Carolina, one of the directors of the international association, reports that a great deal has been accomplished on the road work in North Carolina along the international route, and that every day brings most gratifying news of the extensive reconstruction which is going on with the enthusiastic support of the entire south.

GANOANOQUE'S RUNNER

TO ENTER TEN-MILE RACE AT ST. CATHARINES.

And is Picked as Winner—A Young Lady to Canvass Ganoanoque in Aid of Duchess of Connaught's Hospital Scheme.

Ganoanoque, March 30.—Robert O'Brien, Ganoanoque's speedy long distance runner, will be a contestant in the St. Catharines Martin ten-mile championship event on Friday next, and has been picked as winner. This week to some extent helps his chances for a position in the Canadian Marathon team, that will enter for the big event at Stockholm, Sweden, this year.

Ganoanoque council, No. 134, C.O. C.P., held a fine entertainment in their hall last evening to celebrate the twenty-fifth anniversary of the institution of the order. There was a good attendance. Following the programme an oyster supper was enjoyed.

After the ceremony in Christ church last evening a general congregational meeting was held with a fairly representative attendance. For the discussion of important matters dealing with important changes in the near future.

Capt. Frank Barnhart, of Deseronto, owner of the coal schooner Horace Taber, has been in town for the past few days, getting his vessel in readiness for the opening of navigation.

Capt. Frank Seymour and his crew have been at work repairing the pre-war schooner on the coal schooner Britton, getting her in readiness.

The services of Miss Elizabeth Carr, who did good work collecting funds for the Kingston hospital recently, has been secured to canvass the town for contributions in aid of the Duchess of Connaught's movement to improve hospital facilities in the smaller towns of Canada.

Charles Macdonald will leave shortly for New York and stay until the 14th inst. He will be returning with his son, W. S. Macdonald. In the meantime the family residence at "Lakbonnie" will be closed.

Miss Josephine Beland spent Thursday with friends in Kingston. Miss Beland, of the public school staff, left last evening to spend the week end at her home in Kingston.

THE TOWN OF NAPAWEE.

A Bazaar Held by the Methodist Church Ladies.

Napawee, March 30.—The Ladies' Aid of Trinity Methodist church held their annual bazaar, followed by a tea and concert on Thursday last. The bazaar was well patronized and a lot of useful articles were disposed of netting the ladies handsome returns.

The luncheon at the noon hour was also a success. In the evening a fine programme was rendered in the Sunday school room. A play entitled "The Ladies' Aid Meeting of Mowhawk Cross Roads," was most humorous.

Mrs. W. A. Stoney and Miss May spent a few days in Toronto this week. Mrs. C. M. Warner, and daughter, Miss Elizabeth, are spending a few days in Toronto with friends.

Mr. and Mrs. W. J. Shannon were in Sunderland this week, attending the funeral of Mrs. Walter Coxall, Mrs. Shannon's father. Mr. Jewell, F. S. Scott, William Stark, Robert Stark, E. Van Blorcom and G. Emmons leave on Tuesday for West. Mrs. W. T. Gibbard leaves next week to join Mr. Gibbard at Edmonton, in Washington. Mr. Walter Coxall and family expect to return to Napawee shortly, from Toronto. Miss G. Albert leaves on Tuesday to visit her sister, in Edmonton, Alta.

Special Excursion to West.

The Grand Trunk railway has arranged for a special train to run through from Montreal to Winnipeg, Vancouver, Edmonton, Peace River, and other points in Western Canada on the Grand Trunk Pacific and Canadian Northern railways in connection with home-seekers' excursion, on April 2nd, for which special low second-class rates have been named. L. H. Maillet, publicity commissioner for the province of Alberta, will organize and personally conduct the party on this special train. The special train will leave Montreal at 9:30 a.m., April 2nd, and will consist of Pullman tourist sleeping cars and coaches to run through without change. Accommodation may be reserved in advance in tourist sleeping cars. Canadian citizens are exempt from so-called immigration examination, and there is no detention at any point. Passage is carried through the United States in bond without requiring any special attention on the part of the passenger. Inspection is not necessary at any of the points at the border. Intending travellers may obtain full particulars from their nearest railway agent or by writing to L. H. Maillet, 65 St. Antoine street, or J. Quinlan, district passenger agent, Bonaventure station, Montreal.

He Dropped Dead.

Victoria, B.C., March 30.—C. E. Pooley, K.C., former speaker of the British Columbia legislature, and a pioneer conservative leader, died on Thursday night just after he received news that his son, R. H. Pooley, had been elected as a conservative member of the provincial parliament from Esquimalt, the district which the elder Pooley had represented for many years. Mr. Pooley came to Esquimalt with a party of English gold seekers in 1853. He was a member of the Robson, the Brien and Turner cabinets.

Gives \$50,000 to Faithful Employees

Philadelphia, March 30.—Isaac Schlichter, Sr., a rich manufacturer of this city, appreciating the services rendered him by his old employees, has distributed \$50,000 among fifty of them who have been with his establishment since their fifteen years. The gifts ranged from \$500 to \$2,000, according to length of service. One of the employees has been with the firm sixty-three years and four forty years.

PAIN-DRIVEN HORSE

It Dashed Into River and Committed Suicide

Jeffersonville, Ind., March 30.—Suicide is what Charles Pangburn, a veterinary surgeon pronounced it, when he saw a pain-maddened horse dash into the swollen current of Fourteen Mile Creek, near here, yesterday afternoon, and without the appearance of a struggle sink to its death. Dr. Pangburn, had just been treating the animal for a severe ailment with which it had suffered several days. He was driving away when he saw the sick horse gallop furiously toward the stream and watched it unhesitatingly plunge in and end its misery.

Greatly Cheers Pope.

Rome, March 30.—The slight cold which has affected the pope to such an extent that all public audiences have been suspended until after Easter, has not confined him to his bed, although his personal physician is in constant attendance. His holiness was greatly cheered by a visit from his sisters, who were with him for a long time. The chief cause of worry, it was explained at the vatican, is the continued feeling of exhaustion, which is not responding to treatment as rapidly as is considered desirable. The doctors have flatly told the pope that he has been working too hard and have demanded that the daily schedule be re-arranged so that he will get more rest in the middle of the day.

When the Food Ferments

Chronic dyspepsia is essentially a disease of the intestines rather than of the stomach. The trouble is caused by the food passing too slowly along the alimentary canal and fermenting instead of being digested.

It will be found that the liver is sluggish and the bowels constipated. The fermenting food gives rise to gas, which crowds the lungs and heart, gives rise to belching wind and to smothering sensations. The stomach gets sour, the food repeats and leaves sour taste in the mouth; you feel out of sorts and are unfit for work or pleasure.

By using Dr. Chase's Kidney-Liver Pills you can get rid of this congested condition of the digestive organs in quick time. The liver is awakened at once, the bowels are regulated and the system is thoroughly rid of the poisonous waste matter which has been causing so much trouble.
