HOSPITAL GOVERNORS WOUND FROM CATFISH

RECEIVED RESIGNATION OF MISS E. J. WILLOUGHBY.

Who Has Been Superintendent of the Nurses' Training School For Over Three Years—New Wing Will be in Operation Before End of the Year.

The board of governors of the Kingston general hospital, Monday afternoon, with a good number present. The management committee's report was handled clause by clause and brought forth more or less discussion. The resignation of Miss E. J. Willoughby, superintendent of nurses training school, who has been in that position for three and one-half years, and who is a graduate of Kingston general hospital, was received with much regret, and a resolution to that effect was passed, by the board of governors. She asked to be released on May first, and the committee was instructed to advertise for a suitable person to fill the position.

The financial report embraced the whole six months, and showed a considerable increase in the cost for that time of nearly every item. This amounted to the sum of \$2,724, but was in some measure offset by the increase in grants, from some of the counties. Still, it is felt to be a very difficult problem to continue the present high state of efficiency which the hospital is determined to do without any visible increase of rates.

The number of patients admitted for the six months, were fifty-six in excess of the same six months last year. At the present time, the hospital is so full that it is found difficult to place all who apply, but as patients are all going, as well as coming, the management has so far been able to arrange that all those applying, have been comfortably settled.

The chairman of the building committee for the new wing brought in a verbal report, stating that he felt confident that before the year closed, the new wing would be in operation. Dr. Boyce, who is president of the Canadian hospital association, was appointed to represent this hospital at their annual meeting to be held in Toronto at the end of this week.

A number of other matters came up for discussion, among them the one which appeared in the press recently, namely the statement of a city doctor that he would not be allowed to take a ward patient into the general hospital and attend it there. It was explained that the rule in the Kingston general hospital and also in nearly all hospitals on this continent, is that any patient coming into the hospital may be attended by any physician they choose, provided they are non-pay patients. But if they come in as pay patients, then they can only be attended by the regular appointed medical staff of the institution, as it is rightly assumed that if a patient can afford to pay their family physician, they can afford to pay fifty cents a day to the hospital.

The visiting governors brought in quite a lengthy written report praising many parts of the hospital, and criticizing others, at the same time making many valuable suggestions. The report was referred to the members of the committee of management, who will take up these questions during the month.

The board expressed its thanks, and appreciation, to the members of the city council, for granting them the sum they asked for, namely, \$5,000 towards the erection of the much needed addition to the institution. Dr. Boyart and T. W. Milo were appointed visiting governors for the present month.

The following members were present: F. G. Lockett (chairman); B. W. Robertson, Prof. D. H. Marshall, Lieut. Col. Massie, R. E. Kent, F. W. Spangenberg, R. Uglow, A. F. Chown, H. D. Bibby, Archdeacon Carey, James A. Minnes, Lieut. Col. Duff and G. Y. Chown.

PASSION WEEK SERVICES

In Brock Street Methodist and First Congregational. Brock Street Methodist church is holding special evangelistic services in the church parlors. The service on Monday evening was conducted by the pastor, Rev. John Webster, who gave an interesting talk in a plain and simple manner on the text, "He that is not with me is against me."

The speaker emphasized the necessity of a decided mode of life. Mr. Webster will speak on Tuesday night from the subject of the "Prodigal's Decision; I will arise and go to my Father."

At First Congregational. The First Congregational church held the first of Passion week services on Monday afternoon from 4:30 to 5:15. The service was well attended. The pastor gave an address on "The Cursing of the fig tree and the cleansing of the temple. Miss Hazel Massie sang a solo. Miss Rogers played organ selections.

Mr. George Ross, of Weburn, Sask., formerly of Brockville, died, on Friday, aged twenty-five years.

A Blow at the White Plague

Just think what it would mean if even half the deaths from consumption could be avoided. It is surely not too much to claim that at least this many cases are directly due to neglect to cure colds.

It is a simple matter to control a cold when you have Dr. Chase's Syrup of Linseed and Turpentine in the house for prompt use when the first symptoms appear. Many thousands have found this out by experience, and this is why no treatment for coughs and colds has anything like the sale in this country that this well-known remedy has.

Croup, bronchitis, whooping cough, sore throat and chest colds soon yield to the healing, soothing influence of this great medicine. You can readily prove this and will then understand why this treatment is so popular.

CAUSED DEATH OF SAMUEL HOWARD, NAPANEE.

The Servant of Dr. Vrooman—Blood Poisoning Developed, and His Arm Swelled—Died in General Hospital. The death occurred in the general hospital on Tuesday morning of Samuel Howard, the colored man servant of Dr. Vrooman, Napanee, who was brought to the city last Thursday, suffering from blood-poisoning by contact with a cat fish. He was skimming the fish and the small horn in his hand entered his left thumb. Blood poisoning set in and the arm swelled rapidly. The sufferer was brought to the hospital in a very bad state, but hopes were held out for his recovery. He gradually grew worse, however, and died on Tuesday morning. He had lived in Napanee for years, and the remains will be sent there, for burial. He is survived by his wife. He was fifty-one years of age.

Death of a Prisoner.

The death occurred on Monday in the penitentiary hospital, of Andrew McDonald, who was serving a three-year sentence for forgery. He had been ill for some time of tuberculosis. He was sentenced to London for forgery. Deceased was a half-breed and had served a prison term before this. His home was on the Indian reservation.

It's Easy To Peel Off All Your Freckles

(From American Home.) The contrast between the freckles and the clear skin usually is so great that no bleach can be more than partially successful in obliterating the disfigurements. Ordinary mercurized wax is far better; it liberally peels off the freckles. Get an ounce of it at the nearest drug store and tonight spread on enough to completely cover your face; remove in the morning with warm water. Repeat daily until every freckle has disappeared.

Rough, itchy, pimply skin, also common at this season, may be entirely gotten rid of by this same method, without discomfort or inconvenience. The effort is decidedly worth while; the new complexion obtained being so clear, smooth and youthful. If bothered with wrinkles, after washing off the mercurized wax bathe the face in a lotion made by dissolving an ounce of powdered saxofite in a half pint of witch hazel.

MADE A QUICK SALE.

R. E. Harpell Sold Fire Team on His Way Home. R. E. Harpell, the well-known Catorqui farmer, who purchased the bay team from the fire department, made a quick sale. He purchased the team for the sum of \$110, and on his way home met L. A. Jenkins, of Kingston, and disposed of the team to him for \$150. Mr. Jenkins is shipping the horses to New York, where they will be sold. It is hard to tell just where Kingston's old fire team will eventually locate, but it is altogether likely that they will be used by the New York fire department. They were not good enough to hold down a job on the local department, but New York may give them a glad welcome.

A Story That is True.

It has taken the Ottawa newspapers over six months to learn that Col. H. R. Smith, of Kingston, the sergeant-at-arms of the House of Commons, won \$3,000 election bet in Kingston, on September 21st last. The bet was the talk of the city for some days previous to the election. The bet story is featured in Ottawa to-day.
