FALL CAUSES DEATH

OF MICHAEL DOYLE, FARMER, OF WOLFE ISLAND.

Deceased Fell on Clarence Street Thursday Afternoon and Fractured His Skull—He Was Well Known Islander.

Michael Doyle, of Wolfe Island, who was injured by falling on the sidewalk in front of the Queen City Oil company's office on Clarence street, on Thursday afternoon, at three o'clock, died in the Hotel Dieu on Friday night at about eleven o'clock. His skull had been fractured.

The deceased was born at Millan's Bay and had lived on the island for twenty-nine years, and had farmed there all the time. Mr. Doyle was very much respected by his many friends and the news of his sudden death will be a great shock to them. In religion he was a Roman Catholic. He is survived by his wife, three daughters and five sons; Louis, Lloyd, Lionel and Lawrence, at home and Leo, of Watertown; Mrs. Cane, of Wolfe Island; Mrs. Edward White, of Watertown, and Irene at home. The remains were removed to the family home on the island, Saturday.

Baby's Little Ills. Baby's little ill is many and need close attention. Worms are among the most common of these ailments—there being scarcely a child who is not afflicted by them at some time or other. These, though, can be readily removed by the frequent use of Baby's Own Tablets—the only remedy sold under the guarantee of a government analyst to contain no opiate or other harmful drug. Concerning them, Mrs. Joseph Daigle, Ste. Perpetue, Que., writes: "My baby was troubled with worms; he was nervous and had no appetite, so gave him Baby's Own Tablets and he was soon well again." The tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Knights Templar. At a meeting of the Hugh de Payson Premier Preceptory, No. 1, held in the Masonic hall on Friday evening, the following officers were elected for the ensuing year: W. Jackson, presiding preceptor; J. E. Singleton, constable; W. Y. Mills, marshal; A. W. Winnett, sub-marshal; J. R. Stuart, chaplain; J. H. Birkett, treasurer; W. J. Renton, registrar; R. Hunt, guard.

35 Cents For Two Cent Stamp. Mrs. F. E. Currah, of Windsor, Ont., offers to send a package of the Orange Lily, treatment absolutely free to every sick and ailing woman who will write for it, per her advt. in this issue on page ten. As this package is worth 35c., it indicates a confidence in the merits of the remedy that is certain to prove attractive.

Plaintiff Won His Case. Judge Madden gave his decision, on Saturday morning, in the Rideau canal case of Jehoida Coon, of Norton, against Frank Anglin, of Brewer's Mills, awarding \$300 and costs to the plaintiff.

ANNUAL MEETING

Of the Automobile Club Was Held on Friday.

The annual meeting of the Kingston Automobile Club was held Friday evening. The report of the secretary-treasurer showed a surplus on hand and the membership nearly seventy. A substantial increase is looked forward to, as the number of motor cars in the city is multiplying, and the city is well provided with garages. The directors were re-elected, with Dr. D. A. Black, president, and W. J. Fair, secretary-treasurer. The club will, as usual, take part in all demonstrations in the city during the coming season.

The club is affiliated with the Ontario Motor League, which is a very influential body, directed by representative financial men of the province, with over 1,500 cars. The league has been very active in promoting the good roads movement in the province.

Notes on Sports. "Jack" Johnson's latest trouble is a threatened prosecution for bringing a diamond necklace into the United States without paying duty. The government claims a penalty of \$9,000.

"Chaucer" Elliott's St. Thomas franchise in the Canadian Baseball League will be taken over by a local syndicate, which has made him an offer.

James Porritt, of Almonte, president of the Eastern Ontario Lacrosse League, announces that the annual meeting of the league will be held on April 15th at Carleton Place. He thinks junior lacrosse will boom this summer.

Winnipeg has been thrown out of the Western Canada Baseball League and her franchise has been declared forfeited. The intention is a six-club league with Edmonton, Saskatoon, Medicine Hat, Moosejaw, Saskatoon and another.

It is likely that the Ottawa Canadian Baseball League Club will be forced to abandon Sunday games. Some of the men behind the club are immovably opposed to the idea, though arrangements had been practically closed to play on the Quebec side of the river.

There is strong possibility of the London Baseball Club of the Canadian League securing Frank Lawson as team manager. Rowserman is known as one of the best catchers that the New York Giants ever had. He is now living in Michigan, and it is understood, would be agreeable to managing the London team as a past-time.
