WINNING.

It takes a little courage And a little self-control, and some grim determination If you want to reach a goal. t takes a deal of striving. And a firm and stern set chin. No matter what the battle. If you're really out to win.

There's no easy path to glory, There's no rosy road to fame. ife, however, we may view it, Is no simple parlor game; But its prizes call for fighting For endurance and for grit, For a rugged disposition And a "don't-know-when to quit."

You must take a blow or give one. You must risk and you must lose, And expect that in the struggle You will suffer from a bruise. But you musn't wince or falter. If a fight you once begin.

That's the only way to win. The Carcless Walker.

A special committee of aldermen, having made a tour of the city in auomobiles to study the problem of speed regulations, stated on their return that the carelessness of pedestrians and of teamsters along the streets had made a greater impression upon them than anything else. A report numerous accidents and fatalities resulting from automobiles are not altogether due to careless driving." Such a conviction might have been predicted. To a man in an auto gong at high speed all the world appears careless. His mental delusion is is familiar as the physical delusion of a man on a train that every haystack he sees is rushing recklessly across he landscape in a direction opposite to his own. It is impossible for man in the swift-going motor to see things exactly as they are.- New York

A Magnificent Memory.

Washington Star. At a little dinner the other night the assertion was made that the negro race had longer memories than white folks. Ex-Governor Bunn, of Pennsylvania, who was present, agreed with the remark, and to prove it told the following: "Some years ago, when South, I met an old colored man who claimed to have known George Washington. I asked him whether he was in the boat when George Washington crossed the Delaware. and he instantly replied: 'Lor, massa,; I steered dat boat.' George took the hack at the cherry and then, with a beautiful smile. drove dat hack myself."

Mr. Dooley's Guess.
