R. WALDRON

METHODIST CONFERENCE MINISTER OF JUSTICE

ELECTED REV. W. H. YOUNG, D.D., MONTREAL, PRESIDENT.

The New President Was Born in Pittsburg—The Conference to View Cadets and Artillery on Saturday Morning.

The general sessions of conference opened Friday morning. The president, Rev. S. J. Hughes, M.A., presided. The devotional exercises were led by Rev. C. S. Desrope, of Ottawa, an ex-president of the conference, and prayers were offered by Rev. G. H. Cobble, E. W. S. Coates, Dr. Mavety, Dr. Ryckman, and J. H. Carson, A. Shaw, Dr. Lambly, E. Biglow. The scripture lesson was read by the secretary, Rev. E. R. Kelly. Among the hymns sung were "God Bless Our Native Land" and the national anthem.

Roll call followed, by the secretary. At this time Dr. W. G. Anglin, on behalf of Col. J. H. V. Crowe, commandant of the R.M.C., and Col. H. A. Panet, officer commanding R.C.H.A., extended an invitation to conference to visit the barracks, Saturday morning, from 8.30 to 10 o'clock, where the cadets will put on a display in the gymnasium, and the delegates will be shown through the college and grounds by the staff. The R.C.H.A. will be reviewed on the common, and manoeuvres. The invitation was very complimentary.

On motion of Rev. T. Bourke, and Rev. Dr. W. Sparling, the invitation was gratefully accepted.

Dr. Anglin remarked that it would likely be the last time the brethren would cross the historic old bridge, and probably would not wish to cross it more than once. The movers of the motion said, as the heavyweights of the conference, they were satisfied to take the chance. Rev. H. Calvert, decidedly small of stature, added, as one of the heavyweights, he was prepared to take the risk. (Laughter.)

Rev. S. J. Hughes, the retiring president, before the election of his successor, in a short address, expressed his appreciation of the help and sympathy that had been accorded him by the members of the conference during his term of office. The labors had been arduous, at times, but were amply repaid in the success of the year's work, throughout all the circuits. It was with a deep feeling of thankfulness to God, for His guidance during the year that he handed over the symbol of office, and the honor and work thereto to his successor.

Election of President.

The election followed, and resulted in Rev. W. H. Young, D.D., of Montreal, being elected on the first ballot, to fill the presidential chair for the conference year of 1912-13. The vote was: Dr. Young, 118; Rev. D. T. Cummings, Granby, 35; Rev. W. S. Jamieson, Stawston, 25; Rev. John Webster, Kingston, 12; Rev. F. C. Reynolds, Cornwall, 9; and Rev. Dr. W. Sparling, of Montreal, 8. The total ballots cast were 226, 114 being necessary for election. The new president was second man last year, with Rev. Mr. Cummings third, the retiring president leading by ten votes. Dr. Young was president twelve years ago.

Dr. Young ascended the platform amid loud applause, and was welcomed to office by his predecessor.

Dr. Young, in a very laudable manner, expressed his appreciation of the honor that had been placed upon him, all the more on account of the spontaneous approval of the entire conference. He said that to be elected in the old historic city of Kingston was most pleasing, as he had been born a few miles from it, educated within her bounds, his parents having attended the conference church for some years. His memories went fondly back to the old Pittsburg circuit, where he was converted, and called to the Christian ministry.

Continuing, the president spoke very respectfully of his old masters in Johnson street school, and also of some of the "rules of order," which used to govern there. Evidently the "game" was occasionally used. The doctor said it was certainly scriptural in one sense, that "it was more blessed to give than to receive."

Speaking of organic church union, the president said, in part, "The church has done her part, she has nothing to regret, and will wait until her highest court declares its position. Referring to the death of candidates for the ministry, the speaker said, that while most deplorable, other denominations were suffering alike. "In our homes there is no young man too good for the service of God," declared Dr. Young.

The evangelistic service, led by Dr. W. Sparling, commenced at 11.45 o'clock, the election of secretary being left over for the afternoon session.

Dr. J. J. Hare, principal of Whithy Ladies' College, addressed the conference upon the work of the college during the past year. He outlined hopes for the future. The doctor urged that more attention be given this work of developing the intellectual, physical and religious education of the young ladies. He put particular stress upon the physical side, which takes a prominent place in the training at Whithy.

The conference, by resolution, expressed its commendation of the Ontario Ladies' College. Memorial service was held for the ministers who have died during the year. Among them are Rev. Talvan Pitcher, Gananoque, and Rev. George P. Ser, of Iroquois.

At the afternoon session Rev. A. E. Pates, of St. Henri, Montreal, was elected secretary of the conference.

The reception service of candidates for the ministry will be held in the auditorium on Friday evening. The sessions will continue on Saturday, and an evangelistic service will be held in the park with W. H. Goodwin and Rev. T. Bourke, as speakers.

Colonel W. N. Ponton, of Belleville, left for London, Eng., on Wednesday. He is a delegate to the imperial trade conference. The office of canal paymaster on the Canadian canals has been abolished. Corsets, 50c; sanitary belts and towels, Dutton's.

PAYS VISIT TO PORTSMOUTH PENITENTIARY.

And Made an Inspection—No Appointment of a New Warden Yet—Extension of Dr. Platt's Leave is Granted.

Kingston had a visit, Friday from Hon. C. J. Doherty, minister of justice. He came for the purpose of visiting the Portsmouth penitentiary. It was expected that he was here for purpose of announcing the name of the new warden, but he had no announcement to make on that line. Hon. Mr. Doherty arrived in the city on an early morning train on his special car, and drove out to the penitentiary at six o'clock, in a cab. Mr. Doherty is an early riser. He spent all the forenoon, at the big penitentiary, being shown through the building by Inspector Stewart, who has been acting warden for some time.

He returned to the city, at noon, had luncheon with W. F. Nickle, M. P., and will leave to-night for Montreal.

Asked by a representative of the Whig, Hon. Mr. Doherty stated that he was here for the purpose of visiting the penitentiary, but he had no announcement to make, relative to the appointment of a new warden.

"Having made your inspection of the penitentiary, what is your opinion concerning it?" asked the Whig. "As far as I was able to see," was the reply, "I was very favorably impressed with the institution," was the reply.

Hon. Mr. Doherty added that he was also much impressed with the city of Kingston.

It is understood that it will be another month or perhaps more before any announcement is made of the appointment of a new warden. Warden Platt's leave of absence has been extended.
