MOTOR BOAT RACES

FROM YACHT CLUB HOUSE ON MONDAY MORNING.

The Open Race Was Won by Yellowly's "Emily II."—Thomas McAuley's New Flyer Took Second Place.

The motor boat races on Monday morning were conducted by the Kingston Yacht Club and were witnessed by a large crowd from Macdonald park. There were two events, an open race and a local handicap.

In the open race the course was from the clubhouse to Snake Island, start buoy and return, twice around. This was won by Mr. Yellowly's Emily II, which covered the distance in about thirty-two minutes. Thomas McAuley's new boat won second place. The second event was what is called the "bang and go back." The boats were started over the course, which was to the penitentiary buoy to Myles buoy to clubhouse, and when the leading boat had nearly completed one round of the course, a gun was fired and the boats turned around and went back over the course which they covered, to starting point. This race was won by Leslie and Waldre's Soul Kiss, with Steacy's Orea second, and C. H. Corbett's boat third. George Laturney's boat arrived back too soon and was disqualified.

For the open race the time of the two racing boats was as follows: (Start at 10:30):
First Round Finish.
Emily II 10:46.40 11:2.40
Ella II 10:49.30 11:8.40
Owing to the sailing yachts not yet being fitted out, no sailing race occurred.

ACCIDENTS AT FAIR GROUNDS.

Man Run Over; Lady Fainted; Batteryman Thrown.

A number of minor accidents occurred at the fair grounds on Monday afternoon. The noise of the aeroplane frightened the horses into what might have resulted in a stampede. As the machine was lightened after its first flight, a man was knocked down, the wheels of a buggy running over him, but he got up and, apart from being badly, was little the worse of his mishap.

A young lady, overcome by the heat in the crowd, fainted. Dr. Robert Hanley was called from the judges' stand, to attend her, and she soon revived.

In the Victoria cross race of the military sports, a batteryman accomplished a very dangerous stunt in front of the grand stand. After recovering his dummy from the firing hedges, he missed regaining his place in the saddle, lying crosswise. When the horse jumped the hurdle between the horse and the dummy, the animal's hind feet. However he escaped no other injury than a good shaking up.

REMOVED COLLECTOR.

D. T. Rowse, Bath, Has Been Asked to Quit.

The Borden government has added another to its already long list of dismissals. On Tuesday, D. T. Rowse, for the past thirteen years collector of customs for Bath, was informed by his superintendent that he was dismissed on the grounds of active partisanship. Of course all who know Mr. Rowse are aware that for years he has taken no active part in electoral campaigns, but it needs now but a very flimsy excuse, indeed, to cause the removal of any official, no matter how valuable their services may have been. Let the axe fall. Mr. Borden is only making a better opposition thereby, as he will doubtless find a few years hence.

Organ Recital.

On Thursday evening, June 6th, there will be a sacred concert and organ recital in St. Luke's church, under the leadership of R. R. F. Harvey, of St. George's cathedral, and J. Smith, of St. Luke's church. Collection will be taken up at the door, to be devoted towards the new organ. The public is cordially invited.

Lad Injured by Automobile.

A young lad by the name of Gunn was hurt on Monday morning by being run over by an automobile on Barrie street. He was taken to the general hospital, where his injuries were attended to by Dr. I. G. Bogart.

Though the attendance at the fair grounds on Monday was a record breaker, an erroneous report which got in circulation that the admission was to be fifty cents, affected it to some extent.

Low Vitality in the Spring

Vigor comes from good, red blood. Almost everybody's blood is thin and watery in the spring. Hence the tired, languid feeling, loss of energy and ambition, and general weakness of bodily organs.

You can feel yourself getting strength and vigor when Dr. Chase's Nerve Food is used. This blood is made rich and pure, the appetite is sharpened, digestion improves, and every organ in the body feels the benefit of the rich, red, life-sustaining blood.

W. J. Venner, clerk, 20 Blower street, Halifax, states: "This spring I felt that I needed a tonic. My health was very much run down and my system generally in a weakened condition. Soon after beginning the use of Dr. Chase's Nerve Food I could see that it was doing me good, as I felt very much better. This medicine gradually toned up my system, cured me of headaches from which I used to suffer, and I now take pleasure in recommending it as a grand nerve and general tonic."

AN AUTOMOBILE SMASHED

In Collision With Street Car on King Street.

The collision of an automobile with a street car on King street, at 8:45 o'clock Tuesday morning, gave the people on the street car a bad scare, and was a close call for the driver of the machine. D. Smith, who lives at 176 King street, came out of his house and the mud being deep around the doors on the side of his automobile, which was facing out King street, he got in over the back and failed to see the street car coming behind.

He had started to turn when the car struck his machine, tearing the step and breaking the tool box. The foot-board of the street car ran through the steel fender, crumpling it like paper and tearing through it. The front axle was badly bent, the guard finally stopping the foot-board. Thus locked together, Mr. Smith's machine was dragged a distance of nearly one hundred feet before the car was brought to a stop. The accident, though a close call to Mr. Smith, did not result in any broken bones.

Mr. Smith was able to run his car into the garage, where it was laid up for repairs.

She Liked Another Man.

A couple from Napanee finished their celebration of the King's birthday in Kingston, with a "scene" in Beefsteak Jack's restaurant, on Brook street, Monday evening. It appears that the woman met a gentleman in the eating house whom she took a liking to, and decided she would not return to Napanee with her husband. The police were called, and tried to settle matters by having the husband return to Napanee, and when they came out on the street again, endeavored to take her along. However, she would not go, and he had to leave alone. The husband was greatly annoyed, not wishing to have his wife behind, saying that she had been a rather expensive partner lately.

Assaulted on the Street.

A peculiar assault was made on a teamster on Wellington street, near Queen, on Tuesday afternoon. The teamster, John Campbell, was on top of a load of hides and was on his way out Wellington street, when a man stepped up and asked him to come down. As soon as Campbell alighted the man hit him several blows in the face, cutting his face and closing up one eye. Then, it seems, his courage failed him and he, "had fought so well" while his opponent's hands were tangled in the straps of his cash bag, turned and ran down Queen street at full speed. Campbell chased his man, but the other had got too good a start.

"Big Night" on the 14th.

In addition to Friday, June 14th, being circus day, with the usual big crowd in town, the city will be the destination of a delegation of commercial travellers from Rochester, N.Y., who will come to the city on an evening boat. The "drummers" will be 150 or over in number. They will hold a "jollification" at Lake Ontario park in the evening. The mayor will extend a civic welcome to them, and, likely, W. F. Nickle, A.C., M.P., and Dr. A. E. Ross, M.P.P., will also speak.

The Flying Man.

Was a wonderful sight, but if you will attend the King Edward theatre, Wednesday or Thursday, you will witness the scenes surrounding the Titanic disaster. Launching of the giant ship, Capt. Smith on the bridge, leaving Queenstown, the fatal iceberg, Carpathia arriving in New York with the rescued, Mackay-Bennett leaving New York on her grim mission, and many other incidents in connection with this catastrophe. Usual admission.

Russell-Ruttan Marriage.

At Edmonton South, on June 1st, a quiet ceremony was performed by Prof. John Miller, M.A., B.D., when Miss Stella Edna Ruttan, B.A., only daughter of Mr. and Mrs. Sidney Alton Ruttan, Picton, Ont., was united in marriage to Roland Jennings Russell, Calgary, youngest son of the late James Russell, Napanee, Ont., and grandson of the late Rev. Dr. Jennings, Toronto. Mr. and Mrs. Russell left for Winnipeg. On their return they will take up their residence in Calgary.

Are Recovering Nicely.

The six men who were hurt in the explosion at Lake Opinicon, are doing nicely in the general hospital. Two of the men were able to get up out of their beds on Tuesday afternoon, and it is expected that the rest of them will recover.

W. R. Mudie left on Monday for Toronto.

ONLY ONE LONE DRUNK

WAS GATHERED IN BY THE POLICE

On the Holiday—A Man Fined for Assaulting a Citizen Who Aided a Constable in Making an Arrest.

"Only one drunk arrested on the holiday," was the report sent out from the police station. He was Ford Ormiston, a Gananoque man, who had come up from the factory town to "celebrate" the king's birthday. He was discharged in the police court, Tuesday morning. The holiday was remarkably free from drunkenness on the streets.

F. Salisbury, who was arrested on Saturday, faced two charges in court, Tuesday morning—one, drink and disorderly, and obtaining liquor when on the "Indian list." His case was remanded until Wednesday.

James Flint appeared on the charge of assaulting Anthony Cochrane, who was called by Police Constable McCarey to assist him to bring Salisbury to the police station on Saturday night. P.C. McCarey arrested Salisbury on Princess street, after ten o'clock. The man was in a very ugly mood, when taken in charge. When the constable had his man on the ground near the corner of Montreal street, adjusting the "nippers," he called on Mr. Cochrane to assist him. A crowd had gathered, and stones began to fly, a couple hitting the constable on the head, but he held his man. At the corner of King and Brook streets, James Flint showed his disapproval of Cochrane assisting P.C. McCarey, by throwing stones at him. However, P.C. Mullinger took along King street after the assault, and arrested him. Police Magistrate Farrell imposed a fine of \$5 or thirty days upon Flint.

He Will Conduct the Frontenac Hotel.

Charles E. Phenix, one of the promoters and managers of the new hotel, Kingston, has been installed as manager of the Hotel Frontenac, by the assignee of the Telfer estate, W. H. Craig. Mr. Phenix's term of management will extend for a year, unless the house is sold in the meantime. An arrangement has been arrived at between the creditors and Messrs. Halliday and Hanley, to whom Mr. Phenix recently sold the British American hotel. Some doubt was felt as to the legality of the insolvent's sale. The British American will remain in the hands of Halliday and Hanley.

The Frontenac will be run on an up-to-date plan, with the good furnishings with which it is fitted. From advance bookings a big business is expected this summer.

WHO OWNS THE CHILD?

A Kingston Five-Year-Old Being Held at Renfrew.

A little boy, five years of age, reached Renfrew on the Kingston and Pembroke train on Saturday afternoon, without a guardian. He said his name was Walsh, and that his father was employed in the meat market in Kingston. The youngster was taken in charge by Rev. Father Ryan, who has him at his residence. A message from Renfrew says that the child was deserted by his mother, but this cannot be verified.

Conductor Craig, of the Kingston & Pembroke express, which left the city at noon Tuesday, said that a man came to him on Monday to find out if the child reached Renfrew safely. The matter was reported to Chief Bailiff.

Nelles-White Wedding.

The marriage of Miss Margaret Hunter White, younger daughter of the late J. H. R. White, of Quebec, to Harold Wood Nelles, son of the late Chancellor Nelles, of Victoria University, took place at the Church of the Advent, Westmount, on Saturday, in the presence of relatives and friends. Rev. Henry M. Little, rector of the church, officiated. The bride, who wore a white and black travelling suit and a white and black hat trimmed with cerise, was unattended. She was escorted to the altar by her cousin, P. C. Billingsley. The bridegroom was supported by Charles Douglas, of Detroit. The ushers were Walter Blacklock and W. Keith Nelles. A reception at the residence of the bride's mother, 39 St. Luke street, Westmount, followed the ceremony. Mr. and Mrs. Nelles left in the evening for New York, Atlantic City and other points in the United States. On their return they will take up residence in Kingston, Ont.

Celebration Receipts.

The receipts at the fair grounds on Monday afternoon were over \$2,100. Possibly \$500 will be paid in subscriptions, the local Victrola Association having promised \$200. The celebration committee is satisfied that it has enough for all expenses, but will not know for a week or more how things really stand. The expenses were larger than usual. The "bird man" got \$500, and a good deal of money had to be spent in fixing the grounds for the events.

Complaint of Domestic.

A young married woman, employed in a King street residence, as domestic, entered the police station at 2 a.m. Tuesday, and complained to the police that she had been attacked in the city park by several young men, who relieved her of ten dollars. The young woman was somewhat "under the weather." She described her assailants, and the police will try and locate the bad men.

Stole Wolfe Island Skiff.

Alexander Davis, of Wolfe Island, was in the city on Tuesday enquiring about a small grey skiff, which some one stole from his place on Saturday morning before six o'clock. The boat was fourteen feet long. A pair of oars was stolen from another Wolfe Islander's boathouse. No trace has been found of the stolen skiff or oars.

Briggs-Bushby Wedding.

A quiet ceremony was celebrated at the Presbyterian manse of Zion church on Saturday night, when Frederick Briggs, Alfred street, Foreman in E. Chown & Son's, and Miss E. M. Bushby were united in marriage by Rev. J. D. Boyd. The couple were unattended.
