THE FIRE COMMITTEE

HAD A SHORT SESSION TUESDAY AFTERNOON.

Trouble Over Fire Station Gong Located — Flooring Collapsed Under the Weight of the Chemical Engine.

There was very little business on hand for the members of the fire and light committee, on Tuesday afternoon, and as a result, the session of the committee was very short. Several accounts were passed, and a report presented by Chief Armstrong was received and adopted.

The chairman, Ald. Fair, presided, and the other members present were Aids. Turkington, Hanley, Sutherland and Stroud.

The chief made a report in regard to repairs to a gong at one of the fire stations. He stated that after an examination, lasting over an hour, by one of the employees of the Northern

A DELAY IN GRAIN TRAFFIC IS REPORTED

Owing to Slow Loading at Montreal — The Oil Steamer Toller Has Been Docked for Repairs.

Quite a delay in the grain traffic has been reported, owing to the fact that the barges sent down to Montreal cannot be unloaded in proper time. The Montreal Transportation company's elevator at Kingston has had barges in Montreal for several days, which have not yet been unloaded. This makes a delay at this end, as there is a scarcity of barges to load at Kingston. The same delay is reported in the coal trade at Oswego. The tug Emerson has been at Oswego for several days, waiting to be loaded.

The barge Laping loaded grain at Richardson's elevator, and cleared for Montreal.

The steamship John Randall arrived in port, from Oswego, with coal, on her way to Rideau canal ports.

The schooner Katie Eccles arrived from Charlotte, and is unloading coal at the cotton mill.

John Rolph, in the Davis dry dock for a few days, cleared for Belleville, to load stone for Toronto.

M.T. Co's elevator: The tug Thomson cleared for Montreal, with two barges; the steamer Kenora arrived from Fort William, to-day, and is discharging 117,000 bushels of oats; the steamer Glenmount, grain lader, arrived this morning, from Fort William, lighted her cargo, and cleared for Montreal; the tug Bartlett cleared for the Welland canal with the barges Melrose and Selkirk, and will return with the barges Quebec and Dunmore, grain lader.

The steamer Roselle arrived from Charlotte, and is having a wheel placed at the Davis dry dock.

The steamer Fisher, after discharging grain at Richardson's elevator, cleared for Belleville.

The steamer Sowards arrived from Oswego, with coal for Sowards.

The steamer Toller has been docked at the yards of the Kingston Shipbuilding company, where repairs will be made to her bottom, which was bruised when she ran aground in the Cornwall canal. The worst bruise is about midships on her port side.

Swift's wharf: Steamer Toronto, down and up; steamer Altha, down and up; steamer Rideau Queen, up to Jones' Falls and return; steamer Rideau King, down from Ottawa; steamer Belleville, down; steamer Buena Vista, down from Smith's Falls.

The steamer Parthia has returned to Garden Island, after going to the assistance of the Montreal Transportation company's barge Winnipeg, which sprang a leak in the Cornwall canal. A pump was put on board and the barge was taken to Montreal. She will probably be brought here for repairs.

MEMBERS OF GRAND JURY

Sworn in at Court of General Sessions on Tuesday.

When the court of general sessions opened at the court house Tuesday afternoon a very large number of spectators had gathered, no doubt attracted by the fact that the five desperate prisoners, who made such a sensational escape from the penitentiary recently, were to be tried at this court, and when it was found that the convicts would not come up during the afternoon session it was a very much disappointed crowd that wended its way out of the court room.

After Judge Madden delivered his charge the grand jury retired to consider the cases before them, and the court adjourned until 9.30 Wednesday morning.

The grand jury is composed of the following:

James Allen, Kingston, (foreman); Andrew Craig, Kingston township; William J. Carscallen, Loughboro; Robert Ferguson, Palmerston; William Horning, Storrington; Joseph McBride, Kingston; Andrew McCallum, Storrington; George McReady, Wolfe Island; George A. Payne, Kingston; Grant Fyke, Wolfe Island; John Shea, Kingston township; John P. Smith, Kingston township; Thomas Tapping, Clarendon.

KEENLY DISAPPOINTED

Because They Cannot Qualify at Military Camps.

Keen disappointment was felt by many of the officers of various regiments in this district when they arrived in the city to find that they would be unable to qualify for their rank at camp this year, as had been possible in previous years. Many of them returned home on Tuesday and Wednesday. Some of them, in speaking of the matter, expressed some displeasure at the new system. They cannot, they say, give the time from their business nor can they afford to go to Toronto to qualify. They have gone to the expense of getting uniforms and taking commissions, and they find a barrier in their way which practically shuts out any man with the demands of business on him, from qualifying. One of them said that the minister of militia, Col. Sam. Hughes, told him to go to camp and qualify, and when he reached here he found that it had been made impossible for him to do so.

HALF HOLIDAY TO BE GIVEN

By Montreal Street Grocers to Clerks During Summer.

The grocers on Montreal street, after being canvassed, have decided to close their doors on Wednesday afternoons during the months of July and August, and give their clerks and drivers the opportunity of enjoying a afternoon off, which, most people feel, they truly earn.

The grocers on this street were canvassed this week and agreed to the request. It would appear that the other storekeepers in the same line in the city would follow the lead. Last year and the year before some of the grocers closed for a half day during the week, while others remained open. It is to be given it should be uniform.

Slater Shoe Co. Changes.

It is reported that Corporation Agencies, Limited, has acquired a controlling interest in the Slater Shoe Company, Limited, manufacturers of boots and shoes, whose products are known all over the Dominion as the Slater shoe. The new board of directors comprises the following gentlemen: H. A. Lovett, C. H. Cahan, Herbert A. Beatty, L. P. Deslongchamps, R. Brutinel, G. F. Gyles. It is understood that Charles E. Slater will still be connected with the business.

Transportation Difficulty.

The 14th band which has been engaged by the Travellers' Association at Rochester, N.Y., to meet them and play at their celebration at Watertown, are finding difficulty in making the connections on Saturday. They want to leave early Saturday morning and come back on Saturday night. There is only one trip being made now by the Cape to Kingston, at 10.30 a.m., and Kingston to the Cape at 1.30 p.m. They are trying to arrange to secure an early trip to the Cape in the morning on Saturday and return at night. Otherwise they may have to cancel the trip.

A wedding was solemnized on Tuesday at St. Francis Xavier church, Brockville, when Miss Agnes Amelia, youngest daughter of Mr. and Mrs. J. Curtin, became the bride of James J. Leddy, a prominent young business of Ottawa.

Wilfrid Young, was sentenced, on Tuesday, by Police Magistrate Masson at Belleville, to two years in the Portsmouth penitentiary for stealing a coat. He had only been liberated from the Central prison a few days ago.

The Locks shoe store have in stock a very fine assortment of boys and ornaments for satin and other evening slippers. Prices very reasonable.

Burglars entered the store of Abraham Farnsworth, at Shannonville, on Monday night, and got away with some silver watches, chains and fobs.

Nixon Walsh, aged fifty-seven, of Picton, hanged himself from an apple tree on Friday.

VERY SUCCESSFUL

To Become Teacher and Director of Dramatic Art.

The many friends of Miss Phyllis M. Welch, formerly of Kingston, now residing in Hartford, Connecticut, will be pleased to hear of her recent success in amateur dramatics in that city.

Miss Welch took the leading part in a play entitled "Commencement at Colton," given under the auspices of Miss Clara E. Coe's School of Oratory, on June 6th. The entire company did most excellent work, the play being given with a power and finish seldom witnessed in amateur performances, and the work of Miss Welch received most warm and enthusiastic praise from the dramatic critics. Her acting possessed that quality so often lacking in young actors, naturalness and poise. So cleverly did she merge her own personality into that of the heroine that it became a living and very lovable character which the audience was sorry to part with at the end of the play. Her gracefulness in the lighter scenes and the depth of intense feeling in the more serious portions, gave to her work the true professional ring of artistic ability deserving of the appreciation and praise which the audience gave her unstintingly.

On June 12th, Miss Welch will give, under the auspices of Miss Coe, a dramatic recital which will introduce her to the public as a teacher and director of dramatic art, which work she expects to take up in the fall, after her graduation.

We have just received from New York some of the latest pump boots in leather and satin; also a nice stock of brilliants. Lockett shoe store.

DIFFICULT TO GET MEN

For Military Camps Owing to Counter Offers.

Every year now it is getting harder for the officers of the various rural regiments to get men to come to camp. The Whig made inquiries from a number of officers and all state that other things in the country, such as the railroads, are making good offers for men and they would sooner stay at home for the two weeks and earn good money.

One officer in particular stated that the men can get just about what they want in line of money if they are willing to work. The Canadian Northern railroad has taken a large number of men from the militia ranks.

As far as the class of men enlisting is concerned, they are all pretty young, but still of a good size. In the past, the boys thought it was two weeks fun to go to camp, but to their sorrow they have found it not to be so. They have to work.

AN OLD MILITIA LIST

With Names of 2nd Battalion of Frontenac in 1862.

A list of the officers and men, volunteers from the 2nd Battalion of Frontenac militia, under the militia general order of his excellency the governor-general, of December 20th, 1862, has come to hand. There were two battalions of the Frontenac militia, one being called the "Bloody First," under Lieut.-Col. William Ferguson, the late sheriff. The officer commanding the 2nd Battalion, was Lieut.-Col. Emanuel Waggoner, signed the list, and among the names appearing were Sidney Wartman, captain, Alexander Darragh, lieutenant, and George Patterson, ensign.

Where Do You Want It?

The Kingston Humane Society has purchased two drinking fountains for horses, dogs and pedestrians. The city is now erecting one at the junction of Brock and Clarence streets.

The other one where?

Horse owners and drivers are asked to vote on the choice of location. Three places have been suggested: First—Cor. Princess and Division streets.

Second—Victoria park, Alfred and Mack streets.

Third—Dairy School, opposite Gilbert's grocery.

All votes must be recorded this week with the secretary, J. R. C. Dobbs, 41 Clarence street, or telephone 519.

A Successful Year.

At the meeting of the finance committee of Brock Street Methodist church, held Tuesday evening, the reports presented were most satisfactory. One item showed that at the anniversary service, last year, the collection was \$267, and this year, \$405. The Ladies' Aid, one year ago, raised \$225, and this past year it was brought up to \$445. The balance on hand, after all accounts had been paid to date, is \$135.
