**REMOVAL OF TOLLS**

**WILL MEAN GREAT DEAL TO CITY AND COUNTY.**

Farmers Coming to the Market on Saturday Were Given Most Agreeable Surprise—Great Saving to the City Merchants.

The announcement in the Whig on Friday night that the tolls on the Cataract bridge had been abolished, and that the government had taken control of the old structure, was received as the best news given out in many a day. It caused a great deal of discussion on all sides, and the general opinion was that it would mean a great deal to the farming community as well as to the city people.

"The cutting off of the tolls will mean a great deal to me," said one local merchant, in speaking about the matter, and he added, that it would also mean a great deal to other merchants. He pointed out that in his business alone the toll he paid, to carry his goods over the bridge, amounted to over \$10 every year. There were other dealers, of course, who will be called upon to pay a great deal more, as they had to make far more trips over the bridge in order to accommodate their customers.

It was a delighted lot of farmers who came from Barriefield and Pittsburg on Saturday morning, and found that old Cataract bridge was free to animals as well as foot passengers. No doubt the man who paid the last toll money will want his name inscribed upon the city's domesday book.

To Mayor Hoag belongs the honor of ordering the abolition of the tolls. It seems that the city has not yet been officially notified of the acceptance of the bridge by the department of the public works, and hence on Friday the department's representatives had no power to cancel the toll collection. It seems that on Friday morning he did request the city's toll collector to take no further money from vehicles crossing the bridge. The collector, who was appointed by the city, refused to accede to the order until he was notified by Mayor Hoag. The latter conferred with the public works representatives, and decided to have the toll collection ceased.

**'T'WAS THEIR BUSY DAY.**

Hotels and Restaurants Crowded With Circus Crowd.

There is an old saying about it being an ill wind that blows no person good. This old saying had reference to the business of the hotels and restaurants on circus day. The city was invaded by several thousand people, and the hotels and the restaurants had quite a proposition feeding all the visitors. Many of them were forced to go to the circus hungry, or purchase a bag of peanuts at the circus grounds, and drink pink lemonade in the place of tea.

The restaurants had the biggest rush they have experienced in years. In some places the doors had to be locked, so great was the crowd in the inside. As soon as the parade was over, an attack was made on the "eating houses," and the chefs and their staff had to do some hustling.

The "regulars" at the different hotels had to take a bag of nuts on Friday. Circus visitors had full sway. It was a case of the early bird catching the worm, and the fact that there were so many early birds made it a very difficult task for anyone to get prompt service.

**AT BARRIEFIELD CAMP.**

Drumhead Service Will Take Place on Sunday Morning.

Everything was very quiet around the camp on Friday afternoon and Saturday morning. The majority of the men attended the circus, Friday evening.

The regiments were all inspected by Maj.-Gen. Otter, on Friday.

Everything is ready for the drumhead service which will be held at the camp on Sunday morning.

A court of enquiry will meet for the purpose of reporting upon and enquiring into the loss of arms and camp equipment on charge against the 46th Regiment. It consists of Capt. P. E. Pridmore, C.O.; Lieut. F. J. Cameron, 50th Regiment; and Lieut. J. A. Hope, 42nd Regiment.

Seventeen men have been taken on the strength of the 45th Regiment.

Leave of absence granted to Capt. M. Currie, 16th Regiment, from 13th inst.

The officers and band of 59th Regiment attended the circus in a body on Friday evening, and marched down Princess street en route home with pipes playing.

Two games of baseball will be played on Saturday afternoon. The Army Service Corps plays the winner of the 20th and 45th Regiments, and the winner of the 46th and 16th game will meet the winner of the 42nd and 59th Regiment contest.

**MAKING TRIP FROM TORONTO.**

To Kingston to Establish Motor Boat Record.

C. S. Gildersleeve, secretary of the yacht club, on Friday, received a letter from H. A. Green, Toronto, who signed himself the manager of the Marine Construction company, of that city. Mr. Green said he was coming to Kingston on Saturday in a motor boat belonging to E. S. McLaughlin, president of the McLaughlin Motor Car company, of Oshawa, with the intention of making a record in time.

The Queen City yachtman said that he expected to leave that city on Thursday, and if all went well, would arrive in Kingston between eleven and twelve o'clock Saturday morning. He asked that some one would be at the yacht club wharf to meet him and vouch for the time of his landing and that the gasoline tank might be in readiness so that, apparently, he might fill up again, and start back.

**A Physical Wreck**

Suffered Tortures from Nervousness. Miss Margaret Lees, 91 Robert St., Hamilton, Ont., writes: "I was a wreck, reduced in body, and despondent. I suffered tortures from nervousness, and was totally unfit for work. A friend recommended Hood's Sarsaparilla. I commenced taking it and by the time the second bottle was consumed I knew that I was mending. Gradually I grew well. I have used Hood's since. I would not be without it on any account, and do most enthusiastically endorse every word in its favor."
