Among the Lines.

Capt. D. C. MacIntosh, chaplain of the 42nd, who preached at the drumhead service on Sunday, is a military man of many years' standing, before entering the Congregational ministry, being connected with the cavalry and he was under twenty years of age, he raised a company of 100 men for camp in the 35th Simcoe Forresters, at Midland, and was connected with that unit for years, putting in many a season in camp. His cavalry brigade was the Mississauga Horse, with head-quarters at Toronto. He has been with the 42nd for eight years.

Maj. Williams, of Almonte, commanding "A" company of the 42nd, is one of the "landmarks" of the batta-

WILL GRADUATE WITH SON.

Nebraska Woman, Fifty-three Years Old. Completes College Course. Lincoln, Neb., June 17 .- The one absorbing ambition of her life-a college degree-has at last been realized by Mrs. Ella May Hursey, fifty-three years of age, who was graduated from the Nebraska Wesleyan University it the same class with her youngest son. Too poor when young to gratify her longing for higher ducation, Mrs. Hursey was forced to teach school at the completion of her preparatory school training. In later years she married Mr. Hursey, now a well-to-do druggist of University place, the seat of Wesleyan College. But marriage did not bring the freedom to carry on her studies, and household cares in-

All of her children grown, Mrs. Hursey was relieved to a large extent of domestic responsibilities, and when her younger son graduated from the high school and prepared himself-to enter college, the mother, then gray-haired, saw her first chance to attain her life's

She registered in school, and after four years of classroom and notebook will now take her place in the line of graduates and will receive her degree a degree to be conferred upon the oldest graduate of the Methodist college. During the four years of her college her home duties. Her course at the university has been largely made up of the classics and modern languages, but this year Mrs. Hursey became interested in political science and stu-

Friends Keep Their High Ideals. Nowadays the Friends have kept their high ideals, but have lost their individuality. What remains of their old prepotence is almost intangible; a reserve which keeps emotional experi-ences locked behind the lips of their descendants, a reliance upon intuitive belief, a distruct of the efficacy of form. But there is an abiding memorial to the Quaker civilization in America in the country districts where the society most flourished. There they have left the imprint of their peculiar spirit as clearly as upon the faces of their children.-Henry Seidel Canby in Century Magazine.

Matthew Boody, Charles Moore, and D. A. McCormick, of Kingston, passed the preliminary civil service exam-
