Mrs J. W Pateman, 34 Harriet St. Toronto, in writing about Neave's Food By Falling Off a Hack-Napanee says "When I first knew one of my friends, her baby Jack was eight months old and dying by inches. She had tried three foods because her Jack could not digest milk. At last, I fetched her a tin of Neave's Food. At the end of a month, Jack was rapidly gaining flesh and was bright and happy. He is a lovely boy now and she declares Neave's Food saved his life. And it did. Then I recommended it to a friend on Victoria Avenue. She had a baby

months old that was not thriving a bit. She put the baby on Neave's Food and at the end of three months, the baby was twice the size. I have never seen two bigger, stronger boys than mine for their ages and we

owe it all to Neave's Food. I have the utmost faith in Neave's Food." Mothers and prospective mothers may obtain a free tin of Neave's.
