**THE BARRIEFIELD CAMP**  
 IN THE BEST CONDUCTED IN THE COUNTRY.  
**The Sports on Thursday Afternoon**  
 A Cabinet of Silver was Presented to Major W. St. Pierre Hughes.  
 Col. the Hon. Sam Hughes, while at Barriefield camp on Thursday, said he was very much pleased with the camp in general, it being the best conducted of any that he had visited this season. The minister of militia, in company with Col. T. Benson, camp commandant, made an inspection of all the lines, and was present at the rifle ranges, where one of the regiments of the 7th brigade was shooting. He saw the 8th and 9th brigades engaged in the tactical scheme in the morning.  
**The Camp Sports.**  
 The sports went off splendidly on Thursday afternoon, no parades being ordered, all the men, except those on duty, being free to witness and participate in the sports. They were pulled off on the parade ground between the divisional headquarters and the Y.C. C.A. tent, and attracted a large crowd. The baseball match for the championship of the camp was played. The team of the 45th Regiment having been the leaders of the 8th and 9th brigades, met the ball players of the 49th Regiment, who only came in to camp on Sunday, and pulled together a team for the game. The 15th became possessors of a large silver cup, donated by the officers, by defeating the 49th, by 5-3, in a very good exhibition. The trophy is to be held for a year.  
 The boys of the 59th Stormont and Glengarry Regiment "coped" a large number of the prizes, which were designated by red and blue ribbons, the prizes to be made by the sports committee through their respective commanding officers.  
**Results of Events.**  
 Hornbeck, of the 40th, won the 100 yards' dash, in 12 2/5 seconds; with Thompson, 59th, second, and Sutton, R.C.R., third.  
 Armour, 59th, "put the shot," 35 feet, 4 inches; with McMillan, 59th, second, and Cuthbertson, R.C.R., third.  
 200 yards' dash, 24 seconds—Hornbeck, 40th, first; Thompson, 59th, second; Sutton, R.C.R., and Keenan, 45th, tied for third.  
 Running high jump—Morgan, 59th; Ross, 59th.  
 400 yards' dash—Hornbeck, 40th; Myers, 45th; Henry, 49th.  
 Ross, 59th, won the Victoria cross race, with Sgt. Foote, A.S.C., second, and Eford, of the same corps, third.  
 Running hop, step and jump—Morgan, 59th; Armour, 59th; Casterston, staff.  
 Sack race—Sutton, R.C.R., Wilkinson, A.S.C.; Morgan, 59th.  
 Guard mounting—45th, 30 per cent.; 59th, 20 per cent.  
 The ten pinching, which was very interesting, was carried off by a team from the 16th, in three minutes and two seconds, the 59th team falling down to four minutes and thirty-five seconds.  
 The Scotch team from the 59th "enched" the tug-of-war, two out of three, from the heavyweights of the 47th. In justice it must be said that the defeated eight suffered on account of the existing rules regarding such a struggle.  
 The committee in charge were Lieut. Col. John Hughes, Major, Major Sharp, 47th; Major Sharp, 59th; Lieut. Crawford, A.S.C., and the chaplains of the different units: Major Thompson, 49th; Major Creagan, 16th; Major Gillies, 42nd; Capt. Ball, 56th; Capt. Bentie, 40th; Capt. Wallace, 45th; Capt. Kidd, 46th; Stanley Brent and Percy Stevens, of the Y.C.A., assisted on the field, the latter acting as timekeeper.

**Presentation to Major Hughes.**  
 A pleasant feature took place between two of the events of the sports at the camp on Thursday afternoon, when Major W. St. Pierre Hughes, Kingston, brigade-major of the 7th brigade, was made the recipient of a handsome present, by the officers of the camp. Col. G. Hunter Ogilvie, acting commandant of the camp, in the absence of Col. T. Benson, on the parade ground, in the presence of 200 officers and men, made the presentation of a cabinet of silver to Major Hughes, on behalf of the officers comprising the Infantry Association of the 3rd division, of which the recipient is the active secretary-treasurer.  
 It was not until last year that a divisional association for this branch of the service was formed in Canada, and that in the 3rd division. All the other branches of the service are organized, in this way promoting movements to their benefit. Major Hughes has, as one officer said, really borne the heavy end of the work of the association. It was truly a surprise to the recipient who made an appropriate reply, thanking his brother-officers, and assuring the men that the supreme aim of the Infantry Association was the improvement of their interests.

**Struck Camp.**  
 The regiments of the 8th and 9th infantry brigades left for their homes, Thursday night and Friday morning, after a very pleasant twelve days under canvas, the weather and all conditions being the best in years. The 42nd and 45th Regiments entrained at the K. & P. station, and the 40th, 46th and 59th entrained at the G.T.R. siding opposite Tete de Pont barracks, Friday morning. The 16th went up to Picton on the steamer Belleville. The 45th was the first to strike its tents, between five and six o'clock, Thursday evening, leaving camp early in the morning. The 42nd was entertained for a half day at Perth, by Lieut.-Col. Bakerson, the officer commanding.

He was in his seventy-ninth year, and one of the best known men in Central Nova Scotia.

**RUSSIA PROMISES TROUBLE.**  
 Paris Conference to Decide Chinese Loan Question.  
 Pekin, June 21.—It is said here that the conference in Paris will finally determine whether Russia and Japan are to participate in the financing of China. There are strong indications that Russia will make a determined effort to disrupt the present consortium, unless her demands for monopolistic rights in Northern Manchuria, outer Mongolia and Western China are conceded.  
 Advice received here state that Russia has made representations to the French government to the effect that Chinese bonds will not be admitted for quotation on the Bourse if the Russian demands are rejected.  
 Despite assurances to the bankers of the four powers that Japan will participate regardless of Russia's action, diplomats believe there exists the closest agreement between Russia and Japan to take advantage of China's present straits to strengthen their position in China, outside the great wall. Japan is demanding preponderant rights in Eastern Mongolia, as well as in South Manchuria.

**Locomotor Ataxia**  
 When your nervous system becomes so thoroughly exhausted that you cannot control the movements of your legs, you have what is known as locomotor ataxia, a form of paralysis.  
 Mrs. T. F. Tweedle, Brighton, Ont., writes: "For years I was troubled with the stomach and have always been of a nervous temperament. The death of my husband was a great shock to me, and a few months later I was prostrated by nervous trouble. Locomotor ataxia developed later, and I was in a bad condition. I took treatment from different doctors, but did not gain until I began the use of Dr. Chase's Nerve Food. When I had used five boxes I was so fully restored that I am sure that the Nerve Food is a good medicine and have told many people about the remarkable way in which it has restored my health."

**Fisherman's Luck.**  
 Up near Flesherton a Toronto travelling man who was making a trip overland passed an old man who was fishing with hook and line in a small stream. As the drummer drew by in a buggy the old man never took his eyes off the bobber in the water.  
 When the travelling man returned late in the afternoon he was greatly surprised to see the old man still in the same position with his eyes glued on the bobber.  
 "Hello, uncle!" he shouted. "Any luck to-day?"  
 Without taking its gaze off the cork which rested on the surface of the placid stream, the old man replied: "Had a hibble 'long about noon."

F. J. McClement their retiring pastor, and giving a welcome to Rev. Melvin Taylor, the new incumbent, who arrived here yesterday afternoon. A very enjoyable evening was spent. Berry has returned from spending a week in Westport the guest of his brother, Dr. G. H. Berry.  
 There is a strong probability of road race in connection with the Dominion Day celebration, some half dozen of the best ten milers in the country are anxious to come.
