Studebaker

You Want the Best—Not the Cheapest

Don't be alarmed if somebody tells you you can buy an automobile for less money than the \$1000 Studebaker-Flanders "20." You can, but you better not. The Flanders "20" corresponds point by point with the best and highest priced cars sold. Cheaper cars at every vital point are built on ideas long ago discarded for good cars. Don't take our word for it. Make comparisons and see.

If you are content with a car that runs today and dies tomorrow, don't buy the \$1000 Flanders "20." It will wear for years. Remember this—the Studebaker-Flanders "20" will outwear 2 to 1 any other car under \$1100 and give you double satisfaction, confidence and comfort into the bargain.

THE SPORT REVIEW

OPENING OF THE MERCANTILE BASEBALL LEAGUE.

The Locos defeated Wormwits 9 to 3. The Victorias and the C.L.C.'s to meet on Saturday Afternoon.

The Mercantile Baseball League, somewhat backward in getting down to business this season, opened on the cricket field senior diamond, on Friday afternoon. The team supposed to represent the staff of the locomotive company, "put it over" the Wormwits with team to the tune of 9 to 3. The Locos, obtained their lead in the second or third innings, holding it, and piling up a score, throughout the game. The "Davy" workers are a plucky bunch, and the game was very interesting to watch, attracting quite a crowd. A couple of features of the game was the double bagger of Downey, and triple bagger of Lessee, both of the winning nine. The line-up was: Locos—C. Shultz, p.; Matheson; lb., Walker; 2b., Anderson; 3b., Berry; 3b., Hall; 1b., Hammond; c.f., Downey; r.f., Lessee.

Wormwits—C., Hughes; p., Burns; lb., Warner; 2b., S. McCaig; s.s., Shultz; 3b., K. McCaig; 1b., Hall; c.f., Murray; r.f., Davis.

Umpire—Stansbury.

Before the game commenced, "Jim" Phillips, manager of the Wormwits team, and "Jack" Irwin, manager of the Locos, had a "confab" regarding the eligibility of some of the Locos men to play in the Mercantile League on account of their playing city league ball. The Mercantile executive this season laid down this condition that city league men could not play. Phillips said he would protest the game if those men played, but they did figure in the line-up. While there may be a protest for the Locos, Wormwits stand, a protest would be extremely detrimental to the league at this time.

Sunday School Games.

The Sunday School A.A.A. league games will be played on the Victoria school grounds. There was talk of the games being played on the cricket field, but the executive thinks it wise to have the games on the grounds where they were played last season. The school grounds are lighter than the cricket field, on account of there being fewer trees in that vicinity, and will draw more people to the games.

A meeting of the executive has been called for on Saturday evening, at eight o'clock sharp, to arrange other matters in connection with the league. All the representatives of the different schools should be present, as the league opens on a week from Tuesday evening.

C.L.C.'s vs. Victorias.

Perhaps no game of baseball this season has been looked forward to with such keen interest as the clash between C.L.C.'s and Victorias, on Saturday afternoon. Not only are the fans in total darkness as to the team C.L.C.'s will produce, but they are anxious to see how the new line-up will work. It has been remarked by some of the best baseball authorities in the city that there is as good baseball talent in Kingston out of practice as any that has been brought from Pittsburgh, and if there are many new and startling finds to be had in the Locos, they may carry the day at the cricket field, but "the facts will emerge subsequently," and if you will see the outcome, hit thee to the grounds on Saturday at three o'clock and watch the game. Boost good sport.

Bethel Baseball Team.

Bethel Sunday school will surely have a good team in the S.S.A.A.A. series this coming summer. All the boys have been practising faithfully, and it is expected that when the league opens they will show the other teams where condition counts. George Holland, who is captain, will likely pitch, and Melville Venie will catch. Rev. Mr. Mershon has every confidence in the team, and with his faithful coaching they will not be far from the top of the league when all the games have been played.

Baseball on Friday.

International League—Toronto, 3; Newark, 2; Buffalo, 7; Jersey City, 4; Baltimore, 4; Montreal, 2; Rochester, 7; Providence, 2.

Canadian League—Brantford, 4; London, 1; St. Thomas, 3; Peterboro, 3; Ottawa, 8; Guelph, 3.

American League—Washington, 8; Philadelphia, 2; Boston, 11; New York, 3; Cleveland, 6; Detroit, 2; Chicago, 8; St. Louis, 5; Boston, 5; Chicago, 2; Brooklyn, 7; Philadelphia, 0; Chicago, 7; St. Louis, 6.

Notes on Sports.

Hal Chase, the Yankee's first baseman, will be out of the game for a while. He was hit in the chest at practice recently and severely shaken up.

Ad Wolgast and Abe Attell will fight at San Francisco early in August at 133 ringside. Billy Nolan, manager for Attell, says he will post a side bet of \$10,000.

The New York Americans have exercised their option on the nineteen-year-old sensational pitcher Keating, of the Lawrence club, who has been previously told about in these columns. The Yankees pay \$7,000 and give Pitcher Hoff and Third Baseman Boyd in the deal for Keating.

Washington's winning streak came to an abrupt end when the Philadelphia Athletics defeated them twice. Home Run Baker was in shape for the champions and his long drive over the fence tied the score in the ninth of the first game. In the tenth the Athletics got another across the plate and so won the game.

Says the Montreal Star: Ottawa has been noised out of first place in the Canadian baseball league, but the team is still so near the top that it is liable to jump back at any moment. London looks very well up at the top, but it is going to have a struggle to keep there. Hamilton is getting on like a house on fire, while Brantford and St. Thomas are running neck and neck. All the teams in the first division are close together, and yet there is something about the Ottawa men that inspires confidence in their ultimate success.

PRESENTATION WAS MADE

To J. E. Clark by Queen Street Church Official Board.

JOSEPH E. CLARK

Joseph E. Clark, of this city, who is about to leave Kingston after abiding here a lifetime, to spend the remainder of his days with his daughters in Winnipeg, was waited upon on Thursday evening while being entertained at the home of Dr. R. E. Sparks, Johnson street, on Thursday evening, by members of the official board of Queen Street Methodist church, and presented with a handsome travelling bag and a pearl-handled umbrella. Mr. Clark was completely taken by surprise. He thanked the church officials for their kind remembrance and good wishes for his welfare.

Mr. Clark has been an official member of the Kingston Methodist church for the past fifty-eight years, and is now over eighty years of age. He said that it was by request of the late Samuel Chown, father of Rev. Dr. S. D. Chown, superintendent of the Methodist church in Canada, that he became a Methodist official. For many years, he was superintendent of the Sabbath schools of both Sydenham and Queen street Methodist churches. He retired a year ago from active duty, after spending years as an officer of the Lake Ontario and Bay of Quinte Navigation company, the organization of the Gillereaves. Kingston will miss Mr. Clark greatly, for he was a kind-hearted and cheery, and a loyal citizen.

OUTDOOR LIFE.

Will Not Offset the Ill-Effects of Coffee and Tea When One Cannot Digest Them.

A farmer says: "For ten years or more I suffered from dyspepsia and stomach trouble, caused by the use of coffee, (tea contains caffeine, the same drug found in coffee) until I got so bad I had to give up coffee entirely and almost give up eating. There were times when I could eat only boiled milk and bread, and when I went to the field to work I had to take some bread and butter along to give me strength.

"I doctored steadily and took almost everything I could get for my stomach in the way of medicine, but if I got any better it only lasted a little while. I was almost a walking skeleton.

"One day I read an advert. for Postum and told my wife I would try it, and as to the following facts I will make affidavit before any judge: "I give coffee entirely and used Postum in its place. I have regained my health entirely and can eat anything that is cooked to eat. I have increased in weight until now I weigh more than I ever did. I have not taken any medicine for my stomach since I began using Postum.

"My family would stick to coffee at first, but they saw the effect it had on me and when they were feeling bad they began to use Postum, one at a time, until now we all use Postum." Name given by Canadian Postum Co., Windsor, Ont.

Ten days' trial of Postum in place of tea or coffee proves the truth, an easy and pleasant way.

Read the little book, "The Road to Wellville," in pkgs. "There's a reason."

"Ever read the above letter? A new cup of Postum from time to time. They are genuine, true, and full of common interest."

KINGSTONIAN MAKES GOOD.

W. H. Stewart Given Important Position on C.P.R.

Another Kingstonian has "made good" in the person of W. H. Stewart, son of James Stewart, postmaster, who has just been appointed assistant superintendent, district four, eastern division, Canadian Pacific railway, with headquarters at Ottawa.

The news of Mr. Stewart's well-earned promotion was received in the city late on Friday afternoon, and the congratulations of his many friends will be extended to the young Kingstonian. Postmaster Stewart was notified, and he was very much pleased to hear the news.

W. H. Stewart is the eldest son of the postmaster. He left Kingston in 1899, entered the stores department of the Canadian Pacific railway, at Montreal, and worked himself up to his present position. After serving in the stores department, he acted as chief clerk to Mr. Baker, the general manager, and was afterwards private secretary to the vice-president.

Died at Newburgh.

Napanese Heaver.

On June 10th, Lydia Wood, relict of the late Absalom Husband, passed peacefully to the great beyond. Although a great sufferer for some years the end came very suddenly. She was of a quiet, retiring disposition, but greatly beloved by those who knew her. Her cheerfulness and patience, through long years of illness was a lesson to all. The funeral service was held at her residence, Newburgh, on Wednesday morning, after which the remains were taken to Harrowsmith for burial. Rev. C. W. DeMille conducted the service in the absence of the pastor, Rev. A. Thompson, who was attending conference of the assembly in Alberta. The deceased was a daughter of the late Henry Wood, Harrowsmith. Three daughters, Mrs. Charles A. Miller, Switzer, Myrtle, teaching at Reidville, and Edith, teaching at home, are left to mourn.

He Seeks a Pardon.

Felix Doyle, now serving life sentence at the penitentiary, for the murder of his mother, has written to a Bradford lawyer to take up his case to secure parole. Doyle, who was sentenced several years ago, reiterates that he is innocent of the crime, and states that he was always good to his mother. It is not likely that any effort will be made to effect his release.

Years of Suffering

A Desperate Case of Catarrh in the Head.

"My father had catarrh in the head for a long time. It was such a desperate case that he didn't know what to do, but one of his friends recommended Hood's Sarsaparilla. He got a bottle immediately, and as soon as he commenced taking it he felt relief and after the use of two other bottles he was completely cured. He was so well pleased he has ever since recommended Hood's Sarsaparilla." Deane, Alton Eglin, Lewis, P. Q.
