Underwood and Clark Lead in Nomination Race.

BRYANISM ASUNDER, IS RE-PORT FROM BALTIMORE.

Champ Clark is at Present the Favorite of Tammany, But "The Tiger" May Change its Support to Another if it Sees Fit.

Baltimore, Md., June 26 .- William Jennings Bryan met defeat at hands of the democratic national convention yesterday, and in the opinion of many party leaders here, eliminated himself from the race for the presidential nomination.

The vote by which Former Judge Alton B. Parker, of New York, was elected temporary chairman over Mr. Bryan, 579 to 510, was interpreted in many ways.

The Champ Clark adherents are openly claiming the nomination, and there were many at the convention who were inclined to agree that would either be Speaker Clark or "dark horse."
