THE SPORT REVIEW

HOW MATTERS STAND IN THE CITY LEAGUE.

Victorias and Athletics Will Meet on Saturday—The Sunday School Baseball League Series Will Open Next Tuesday.

The city baseball league at present is in rather an unsettled condition. The Victorias have much the same team as they opened the season with but promise a couple of changes for next Saturday. Both C.L.C. and Athletics have undergone many changes and it is hard to say what either may develop when they get their line-ups down to working order.

Opening of S.S.A.A.A. Series. Everything looks bright for the opening game of the S.S.A.A.A. series next Tuesday evening at the Victoria school grounds. The games will commence at 6.30 sharp and any team that fails to be on hand by 6.45 forfeits the game.

WRECKAGE WAS PASSED WEDNESDAY WEDDINGS

BY SCHOONER BERTHA KALKINS NEAR STONEY POINT. TWO CEREMONIES PERFORMED IN CHURCHES.

Believed to be That of Steamer Which Went Down There Several Days Ago—Vessel Was Bound From Fairhaven to Montreal, Laden With Coal.

Members of the crew of the schooner Bertha Kalkins, arriving in port, to-day, report having passed a great deal of wreckage in the vicinity of Stoney Point, and it is believed to be that of a wreck, which occurred near Cape Island, a week ago, within a small steamer, engaged in carrying coal from Fairhaven, to Montreal, went down, all the members of the crew taking to the boats and landing safely at Stoney Point. The vessel was loaded at Fairhaven.

A number of vessels were delayed, in the Welland canal, on Tuesday, owing to the work on the steamer La Canadienne, which was the cause of the recent accident.

There is still a great deal of delay in getting grain barges unloaded at Montreal. The elevators are well filled, owing to the fact that big shipments of grain are not being made out of that port.

Movements of Vessels.

The schooner Major Perry arrived from Charlotte with coal for the Grove Inn.

The barge Rob Roy cleared for Oswego, to-day.

The steamer Missisquoi was in port from Gananoque and Rockport, on Thursday. To-day, the Missisquoi ran an excursion out of Brockville to Ogdensburg, and will make a trip to Kingston on Saturday.

The schooner Ford River, is at Richardson's wharf, loading feldspar, for shipment to Charlotte. Several carloads of feldspar arrived from the mines over the Kingston & Pembroke Railway, this morning.

The schooner Harry Eccles and Maize, arrived from Oswego, with coal for R. Crawford.

The steamer Glenelagh passed down last night, on her way to Montreal, grain-laden, from Port William.

The schooner Clara Kalkins arrived from Charlotte with coal, and is discharging at the Kingston & Pembroke railway wharf.

The schooner Julia B. Merrill cleared for Fairhaven.

M. F. Co's elevator: The tug Emerson arrived from Charlotte with the barge Lapsing, coal-laden; the tug Bartlett arrived from Port Colborne, with the barge Ungava, grain-laden; the tug Bronson cleared for Montreal, with two grain barges; the steamers McKinstry and Acadian, from Port William, are unloading grain; the steamer Beaverton, grain-laden, from Port William, is due to discharge, on Thursday.

The steamer Packer cleared for Oswego to load coal for Toronto.

Swift's wharf: Steamer Toronto, down and up; Albatross, up; Rideau Queen cleared for Ottawa, and Buena Vista for Smith's Falls.

The schooner Abbie L. Andrews arrived from Oswego, and is discharging coal at Rockwood hospital.

The steamer Parthia cleared from Garden Island for Quebec with a ratt Wednesday afternoon.

The steering gear of the steamer Thousand Islander broke, on Tuesday afternoon, soon after she left the wharf, at Ogdensburg, with several hundred excursionists aboard. She was brought back and after an hour's work the damage was repaired.

A GRAVE CIVIC DUTY.

Grappling Irons Should be Placed at Various Wharves. Some years ago, the Whig called attention to the need of grappling irons at all the open wharves along the harbor front. Lives have been lost just because apparatus to bring drowning persons to land have not been on hand soon enough. On Monday afternoon, the cotton mill, at the wharves and in the cotton mill, was at the scene of the drowning of the little girl on Monday afternoon, but we did not have the proper apparatus with which to grapple. It would be a very small cost to the city to equip all wharves with grappling apparatus and I think the mayor and the aldermen should see to it at once.

TWENTY-FIVE YEARS AGO.

What Happened a Quarter of a Century Ago. The members of the Barrisfield Boating Club participated in races at Cape Vincent.

Mrs. J. J. Bugbee, of Wolfe Island, died in Chicago, aged sixty-nine years. Trainer of the Watertown Greys, engaged by the Kingston Baseball Club, to play as change catcher and third baseman.

H. Folger lost his pocketbook. It contained \$25 cash and a cheque for \$1,000. D. Millan found it on King street, and was handsomely rewarded on handing it over to the owner.

The supply of strawberries very limited.

Yarker Minister Again Chosen. Rev. J. S. McMullen, of Yarker, temperance secretary of the Sunday School Association of Lennox and Addington, has been again elected by the Ray of Quinte conference meeting at Cobourg as secretary of temperance and moral reform in the Napanee district of the Methodist church.

Mr. McMullen delivered three addresses June 9th on Shannonsville circuit in connection with Dominion Alliance Field Day in the county of Hastings. He returned this week to occupy his own pulpits on the Yarker circuit next Sunday, 30th, after spending a few holidays at Bethany, Lindsay and Trenton.

Miss Alice Brunette Married to William Sharpe—Miss Eliza Lake Became the Bride of Harvey Reid.

One of the happy June brides on Wednesday was Miss Alice Brunette, daughter of Mrs. Mary Brunette, Barrie street, who was married on Wednesday morning to William Sharpe, of this city. The ceremony took place at St. Mary's cathedral. Miss Amelia Brunette, sister of the bride, acted as bridesmaid, and Frank Palmer was best man. The bride was given away by her cousin, Patrick Quigley. The ceremony was of a private nature, only the immediate friends and relatives being present. The gifts received by the young couple were numerous and beautiful. Mr. and Mrs. Sharpe left for the west at noon to spend their honeymoon.

Reid-Lake Wedding. A quiet wedding was solemnized in the Princess Street Methodist church, on Wednesday morning, by the pastor, Rev. Frederick G. Robinson, when Miss Eliza, youngest daughter of Mrs. Lake, Elm street, was united in marriage to Harvey Reid, second youngest son of the late William Reid, of this city.

The bride was married in her traveling costume of grey serge, trimmed with satin, and wore a Milan hat, edged with black velvet, and trimmed with willow plumes, caught with a bunch of small pink roses.

The bride received a number of beautiful presents. Mr. and Mrs. Reid left for Watertown, N.Y.

Married at St. Andrew's. Wednesday morning a quiet but pretty wedding took place at St. Andrew's church, when Rev. S. J. M. Compton united in marriage, Miss Mary Black, youngest daughter of John Black, Netherlea Cottage, Wishaw, Scotland, to Alexander McDonald, foreman inspector of the G.T.R., outer station, and eldest son of Alexander McDonald, Brox, Glasgow, Scotland. They were attended by Miss Jean McIntosh and J. Steel.

The bride wore a travelling suit of navy blue broadcloth, with hat to match. The bride was the recipient of many handsome and useful presents, showing the high esteem of many friends. Mr. McDonald's workmates

presented him with a beautiful time piece. After the ceremony the happy couple left on the noon train for Montreal and points east, with the best wishes of their many friends. On their return they will take up residence at 358 Montreal street.

June Marriages. These June marriages were performed by the pastor of Brock street Methodist church, Rev. John Webster: June 19th—William Henry Fox and Miss Josephine M. Huntington, daughter of Dr. Huntington, all of New York.

June 21st—E. M. Draper and Miss Myrtle Waterhouse, both of Carthage, N.Y.

June 24th—John E. Hewitt and Miss Laura B. Bertram, both of Mountain Grove, Ont.

June 26th—Ervine E. Vallier and Miss Mabel B. Morton, both of Kingston.

Kennedy-Thompson. The marriage took place of Miss Nellie, eldest daughter of the late George Thompson, Brock street, on Wednesday morning, to Dr. Kennedy, of Worcester, Mass. Dr. and Mrs. Kennedy, who were unattended, left on the Cape boat, in the afternoon, for their home in Massachusetts, where the bridegroom is practising his profession.

Time For a Spring Tonic. In the spring we suffer from the bad effects of winter living. During the winter the clear, cold weather is a powerful germicide, and keeps us up, but when the spring break-up comes myriads of disease germs are let loose and the run-down system fails to fight them off. The enormous high death rate in spring proves this.

Almost everybody needs a spring tonic to help him over this trying time. Otherwise he loses much valuable time in fighting off "spring fever" or contracts serious disease. Nothing will so certainly help you as Dr. Chase's Nerve Food. This food cure is a true tonic. It actually forms new, rich blood, strengthens the nerves and puts new energy and vigor into mind and body.

It is not a stimulant to whip up tired nerves, but by its unbuilding effects affords lasting benefit. Keep well this spring by using Dr. Chase's Nerve Food.
