

THE YOUNG MAN

wants Clothes that are different --not too "loud" but Clothes full of life and go.

The Spring models have many fascinating features--collars, lapels and general lines are graceful and impressive. Critical Young Men are certain to appreciate these smart styles.

The Woolens are the latest and are very effective in coloring and weaves.

Suits, \$10.00, \$12.00, \$15.00, \$18.00, \$20.00.

There are many new things to see here at this writing, and our time is always at the disposal of the Young Man who is casting about for "Just the Right Suit."

REPORT OF EXPERT SYNOD OF ONTARIO

ON THE POWER OFFERS HAS BEEN RECEIVED. MET AND ADJOURNED UNTIL NEXT FEBRUARY.

Will be Taken up at Special Meeting of Civic Utilities Committee, as Soon as Possible.

The long-looked-for report of R. S. Kelch, the Montreal expert, appointed to consider the two power propositions before the city, one from the Hydro-Electric Commission, and the other from the Seymour Power company, has arrived in the city, and will come before the civic utilities committee, just as soon as the chairman, Ald. T. J. Rigney, can get his committee together. A meeting was to have been held this afternoon, to receive the report, but owing to the absence of some of the members, the meeting had to be called off. It will be arranged for in the course of the next few days.

Ald. Shaw and Ald. Ross were out of the city, and Ald. Hartig also had to go out of the city, and on this account Ald. Rigney could not call the meeting.

Ald. Rigney stated that no information would be given out regarding the report of the expert until the report was received by the committee. It will be remembered that the civic utilities committee, at a meeting held some time ago, recommended the council to appoint an expert, and named Mr. Kelch as the man. The council adopted the report, with the result that Mr. Kelch spent some time in the city securing all the necessary information. His report will now be awaited with interest, as will also the action of the committee.

THE CAMPING SEASON

Has Opened in Earnest—Cedar Island is Popular.

The camping season is well opened for the young people. Favorite spots in the vicinity of Kingston are now inhabited by little communities of tent dwellers. Cedar Island, always a favorite spot, has a little club of half a dozen tents, where about a dozen fresh air enthusiasts spend their nights and vacations. Barker's Point, the pretty little Rideau resort, has a little tented city with accommodation for about twenty people. In these nearby camps the campers mostly work in the city and sleep there over night. They make the trip to the city for the most part in canoes and at Cedar Island and Barker's Point it is a novel sight to see sometimes as many as a dozen canoes lying keel upwards on the shore in a row, laid up for the night, and in the morning when the working hours come around they make an interesting picture as the tiny flotilla sallies forth, the glistening paddles dashing in unison in the morning sun. Rain or shine, storm of calm, these campers make their trip morning and evening and a good healthy, wholesome life they lead.

The cottages at Wolfe Island are opening up for the summer and in another week the older folks will be settled for the season. McDonald's Cove, alias Dead Man's Bay, is beginning to look lively and all the way down to East View park the warmer weather for the summer months.

Died at Muscatine.

John Porter, Catawaqui, died, on Saturday, June 22nd, at the home of his daughter, Mrs. J. W. Rankin, Muscatine, Iowa. The body arrived Wednesday, accompanied by Mrs. Rankin. The funeral will take place Wednesday at four o'clock. Rev. J. W. McIntosh will officiate.

At Lake Ontario Park.

The attendance again last evening at Lake Ontario Park was very large. The vaudeville was much enjoyed, especially the musical Harringtons. They are the winners for the week. The same bill repeated to-night. A change of programme to-morrow evening.

Buying Bonds on the Instalment Plan

You may become a bondholder under our Periodical Payment Plan in precisely the same manner that you become a savings bank depositor—by putting aside money as you can spare it. Under this plan you may purchase from us the Bond or Bonds that most strongly appeal to you as an investment suited to your purposes, by making a small initial payment and paying the remainder in monthly instalments to suit your income.

In this manner you become a bondholder at once without having to save the face value of the Bonds you want to purchase—and you receive the interest on the Bonds while paying for them. We should be glad to submit a list of leading Canadian investment securities which yield from 3% to over 6%, which may be purchased on this Periodical Payment Plan.

Mission Givings Committee Held a Meeting on Tuesday Night—Sunday School Committee and Board of Missions Also Had Meeting.

Service was held in St. George's cathedral, on Wednesday morning, at 9.30 o'clock, and the synod of Ontario met at ten o'clock, with Bishop Mills in the chair. As previously arranged, the meeting was pro forma, so an adjournment was made, the regular meeting to be held next February.

The board of missions then assembled, members present being the bishop, in the chair, Dean Bidwell, Archdeacon Carey, Canons Grout, Loucks, and Starr, Revs. Messrs. Dobbs, Armstrong, Jones and Patton, Revs. A. L. McIvor, C. J. Young, F. D. Woodcock, J. D. Wright, the chancellor, the treasurer, F. F. Miller and Lieut.-Col. McGill. Reports of various sub-committees were received, that of the opportunity committee showed that about \$4,500 had been received to date.

A special grant of \$100 was made to Rev. Mr. Seaborn, of Marysburg, to assist in paying for the services of a lay reader.

After other formal business votes of sympathy were passed to the family of Rev. Stearns Tiche and to the Rev. Mr. Serson, in his long illness.

The mission givings committee met Tuesday night. Dean Bidwell presided; also present were the chancellor, the archdeacon, Rev. F. D. Woodcock, Rev. W. F. Fitzgerald, T. W. Savary, J. D. Crisp, and other clergy, and Messrs. Carson, Gardiner and other laymen.

The dean was requested to draw up a circular for different parishes, Rev. W. F. Fitzgerald and Rev. T. W. Savary to be a sub-committee, with the dean, on the matter.

The Sunday school committee held a meeting when Rev. Canon Starr, Rev. W. F. Fitzgerald and Rev. T. W. Savary were appointed a sub-committee to deal with a canon on Sunday school scheme.

THE LAST DAY IN CAMP.

Tactical Exercise Held on Wednesday Afternoon.

The rain, Wednesday morning, interfered a little with the plans for the last day in camp. The tactical exercise ordered for the morning was postponed until the afternoon, the muster parade being held in the morning.

The 7th brigade paraded in the afternoon, the 4th, 4th and 5th regiments, with their signallers and stretcher bearers, under Lieut.-Col. R. E. Kent. The exercise was conducted by Major G. V. Horden, general staff officer, and division. The idea of the exercise was the action of an advance guard and subsequent attack of the enemy in position by the main body of a small force. The enemy was represented by a skeleton force, and the work was divided into separate phases. At the end of each the "stand fast" was sounded by the disposition of the discussed and the mistakes noted. For instructional purposes the officers and N.C.O.s acted as on active service while operations were in progress. Attention was specially paid to the action of the scouts, organization of communication, and to regimental medical arrangements.

The first phase of the exercise represented the action of the advance guard coming into contact with the enemy; second, the action when unable to advance without the aid of reinforcements; third, the reconnaissance of the enemy's position by the officer commanding and the deployment of the body for attack; and, fourthly, the advance to the attack, assault and capture, and the strengthening of the position. Col. Kent outlined the scheme to the officers of the 7th brigade in the morning.

The brigade will parade this evening, at seven o'clock, for night outpost and will return to camp about ten o'clock.

A smoking concert was held amongst the non-commissioned officers of the 47th regiment, Tuesday night. Songs were rendered with great applause by Sergt. Kearns, Sergt. Goodbury and Sergt. Patterson, and some good music was heard from Corp. Goodbury on the violin. The enjoyable evening was brought to a close by Bertrand Scriven, who pleased the audience with some funny talk, which caused great merriment.

Capt. the Rev. G. W. Swane, of the 56th, arrived in camp for the closing days.

While "A" Battery, R.C.H.A., was exercising on Barrisfield common, Wednesday morning, a straggler, from one of the rifle regiments at camp, in the best of spirits, and conspicuously unsteady on his "pins," volunteered some information to the instructor of the riders. The sergeant-major ordered him from the ground, but he continued to "stick around." A drunken man is never safe with by the militia, and two of the riders were ordered to dismount and place him under arrest. The rifleman was put in a wagon and taken to the guard-house. He wandered around the field with his serge unbuttoned, and removing his cap, saluted every man in uniform he saw.

Burial of a Child.

The funeral of the late Ivy Day, who was drowned on Monday afternoon, off Crawford's wharf, took place on Wednesday at 2.30 p.m. The family are only a short time in this country and were practically alone in their affliction, except for a few who took a kindly interest in the bereaved home. Flowers were received with the sympathy of Mrs. Bidwell and Mrs. Leveson, and a number of anonymous. The funeral service took place at St. George's cathedral and was conducted by Canon Starr. The remains were taken to Catawaqui cemetery for interment.
