## APPROACHING BALDNESS

May be Checked by Using Herpicide.

The above expression is one which is used frequently in connection with hair preparations. Just exactly what is meant by it in each instance is a question. Baldness is not a disease and hence, does not permit of a cure. It is a result invariably to be traced to the dandruff germ and if the condition has become chronic, that is, if there is complete atrophy of the hair follicles, a "cure" is absolutely impossible.

Approaching baldness, seen in falling hair, may always be checked and if the hair follicles are not atrophied the hair may be induced again to grow.

This is accomplished by regular applications of Newbro's Herpicide which cleanses the scalp and kills the dandruff germ. The destruction of the germ does away with the accumulations of scarf skin and thus eliminates the most common enemy to beautiful hair.

Soft, glossy, fluffy hair cannot grow on a scalp infested with dandruff any more than a delicate plant can grow on an ash heap. The scalp must be kept clean and free from dandruff.

The best remedy for doing this is Newbro's Herpicide, which receives the highest endorsements from professional men, the stage and the best people everywhere.

Applications obtained at all first-class barber shops and hair dressing parlors.

Address The Herpicide Co., Dept. R., Detroit, Mich., enclosing 10c. in postage or silver for sample and booklet. Newbro's Herpicide is 50c. and \$1 sizes is sold by all dealers who guarantee it to do all that is claimed. If you are not satisfied your money will be refunded.

## THE DAY'S EPISODES

### LOCAL NOTES AND THINGS IN GENERAL

Occurrences in the City and Vicinity—Other Brief Items of Interest Easily Read and Remembered.

Taloum powder, Gibson's. Police Constable Nicholas Timmerman is acting sergeant this week. William Swaine, piano tuner. Orders received at McAuley's, Phone 564. Prof. Howard, wife and daughter, Toronto, are in the city for the summer.

Mrs. R. Graham, Colborne, street, left for Lloydminster, Sask., Tuesday noon.

H. Cunningham, piano tuner, 21 King street. Leave orders at McAuley's book store.

Rev. Father May, R.A., will leave Thursday, on his annual vacation trip down by the sea.

For cream bricks, Gibson's. There was no session of the police court Tuesday. Since Saturday the court had not made an arrest.

S. S. Corbett and bride have returned home after spending their honeymoon at Cambridge, Mass.

Sponges, wash cloths, Gibson's. J. Robinson, of Tichborne, was brought to the Hotel Dieu on Tuesday morning, suffering from pleuropneumonia.

Mr. and Mrs. Bernard Shaw, of Brooklyn, are summering in Kingston and are with Mrs. J. Sherman, University avenue.

Head cleaners, Gibson's. Out of seven candidates for commissions in the permanent militia, six militia officers have in the recent literary examinations.

Miss R. M. Graham and Miss Ethel M. Graham, trained nurses from New York city, are visiting their sister, Mrs. J. E. Jones, Alfred street.

Miss Beaudoin, Cataract, and Miss Murray, Front Road, spent the weekend at the home of their cousin, Mrs. Ervell Miller, Wilton.

Mrs. E. D. Baker and little daughter, Datis, of Boise, Idaho, are here to spend the summer with her mother—Mrs. J. Gillespie, Princess street.

Lemonade powder, Gibson's. Mr. and Mrs. Iva E. Martin, and Mrs. Martin's two daughters, Phyllis and Charlie Shortt, sail from Montreal for England on the S.S. Corsican on Friday.

The letter carriers are going around the streets during this warm weather in their shirt sleeves. It is certainly a blessing for the men to be allowed to go in this manner.

Sponges, paper towels, Gibson's. Frank Fallon, an old Kingston boy, and brother of Bishop Fallon, has been appointed district manager of the Capital Life insurance company, with headquarters at London, Ont.

W. A. Marcellus, corner Mack and Nelson streets, left the city on Tuesday for Chicago, Winnipeg, Saskatoon, Waybura and other western points, on business. Mr. Marcellus will be absent four weeks.

"English Mrs. G." Gibson's. The grass on the hill in Macdonald Park is burnt dry, and if rain does not soon come the same thing will happen as did last summer, when the hill took fire and the fire brigade was called to put out the blaze.

Time passes, Gibson's. A. W. Gray, assistant provincial highway engineer, of Toronto, formerly of this city, is engaged at the present time doing some experimental work on the town roads at Winchester. He is also laying several blocks of new roadways.

Prevost, Brook street, has received all his spring and summer goods for his order clothing department, and ready-made clothing and gents' furnishing department. All well assorted with new goods.

Lemonade powder, Gibson's. Mr. and Mrs. G. McElynn and daughter, of 168 King street, Ottawa, are enjoying holidays as the guests of relatives at Cushenall, Pittsburg township. They will also spend a few days in the city before returning to the capital towards the end of the month.

Little girls' corn-colored frock of linen embroidery is prominent and extremely pretty in the make up of this frock. The yellow linen with the scalloped yoke buttons on, and edged with German lace, is particularly charming. A design of white embroidery is introduced upon the wide box pleats in front, and the white patent leather belt worn with this effective little gown gives it an unusually chic finish.

The chapel was beautifully decorated also the banquet hall, where the visiting priests were given a dinner, and where in the afternoon on Tuesday about 300 inmates of the institution were served with dinner by about fifty ladies of the diocese.
