THE SPORT REVIEW

SYDENHAM STREET WON FROM QUEEN JUNIORS.

By 13 to 11—The Two Methodist Teams Played a Close Game—Other News About Sports.

In the Sunday School League, on Victoria common, Wednesday evening, the Sydenham Street Methodist Bible school juniors, squeezed out a win from the Queen Street Methodist juniors, by 13 to 11. Each made three runs in the first innings and four in the second. In the third, Greenless, the "thrower" for the Sydenhamites, struck out the first three men to bat, and his team came in for a triple score, before they went down. (Queen, 4; Sydenham, 3, was the tally for the fourth, and owing to the darkness the game was brought to a finish at the middle of the fifth innings. In the second innings, C. Reynolds, the smallest lad on the diamond, who has the "knack" of "coming in" at the right moment, again hit "for the tall timbers" and brought in two men on bases. Greenless and McWilliams both threw good ball. The "performers" were: Queen—Paynter, c.; McWilliams, p.; Angrove, lb.; Sommerville, 2b.; Ferguson, 3b.; McKee, r.f.; Wilson, l.f. Sydenham—Stewart, c.; Greenless, p.; R. Reynolds, lb.; Germain, 2b.; Abernethy, 3b.; Fleet, r.f.; C. Reynolds, l.f.

Park Nine Won at Napanee. The Park Nine baseball team played the Napanee juniors, on Wednesday afternoon, in Napanee. The game was rather one-sided, the victory going to the Park Nine by a score of 21 to 4.

Hamilton Hockey Team. Present prospects for the senior O.H.A. team in Hamilton for next winter say that the Ambitious City will draw four of its line-up from Kingston. The reported team is as follows: Marchand, Kingston, goal; Lennison, Peterboro, point; Nicholson, Kingston, cover-point; Brouse, Kingston, rover; Spratt, Toronto, centre; Jupp, Brillon, and Boyer, Kingston, wings.

Nirwana the Defender. Nirwana has been selected by the Toronto R.C.Y.C. sailing committee to defend the George cup against the Watertown, the challenger of the Watertown, N.Y., yacht club. Nirwana's selection is due to the good showing made in a series of races last week with Vivia II, and Swamba, she winning five out of seven races, losing one each to Vivia II and Swamba. Nirwana is an Owen designed boat, and was built during the winter at the R.C.Y.C. island club house.

Baseball Record. National League—New York, 8; Cincinnati, 7; Chicago, 5; Brooklyn, 3; St. Louis, 5; Philadelphia, 4. American League—Cleveland, 11; Boston, 6; New York, 4; Chicago, 3. International League—Rochester, 7; Newark, 9; Montreal, 7; Baltimore, 4; Toronto, 11-9; Providence, 6-0.

Notes on Sports. The New York Giants play the Toronto International League Club in Toronto to-day. Speaker, of Boston Americans, is claimed by the Philadelphia Times to be as good as Cobb in every department. The Montreal baseball owners seem to be trying hard enough and are not sparing their money. In past seasons the franchise has been usually on the market at this time. Nearly a quarter of a century ago Jesse Burkett was one of the leading batters of the National League, and to-day the same Jesse is the leading swat-smith of his Worcester team.

The best strike-out record in the Canadian Baseball League this season was made by "Billy" Bradshaw, who Berlin on Saturday, when he made sixteen of "Bud" Stewart's men swing at the air. Sweden leads the nations in the number of points in all Olympic events, its total being 233, four points ahead of the United States. Great Britain stands third with a total of seventy-six points.

The major league baseball clubs have already begun to recruit from the minors. The managers are sending telegrams right and left apprising the minor managers that they need the "goods" at once. The Brockville and the Eastern Hospital Bowling Club expect to send two rinks each to Ottawa to take part in the Eastern Ontario bowling tournament to be held in that city commencing Monday, August 5th.

The purses for the speed programme at the Dominion exhibition, to be held in Ottawa, September 5th to 16th, amount to \$4,300. Both harness horses and gallopers are provided for, no entrance being charged the latter.

After the New York Giant game at Toronto this afternoon, that well-known actress, Marie Dressler, who is holidaying at Hanlan's Point, will entertain the Giants and members of the Toronto club at dinner at the island.

The big baseball league drafting season starts August 21st and lasts for ten days. The Canadian league is expected to be hit pretty hard by the draft from the majors, but as \$750 goes with every player taken out, the clubs will have little kick coming.

According to rumours now going the rounds of the Canadian Baseball League, the optional agreement clause will be waived next season and the Berlin franchise transferred to Toronto where President McAtavery, of the International League Club there, will place a farm team and play the dates the big club is away.

American baseball league hitters: Cobb, Detroit, 472; Speaker, Boston, 394; Jackson, Cleveland, 379; Lajoie, Cleveland, 351; Gardil, Washington, 332; Simmons, N.Y., 331; Baker, Philadelphia, 329. National clouters: Barns, New York, 500 (ten games); Zimmerman, Chicago, 388; Doyle, New York, 378;weeney, Boston, 364; Donlin, Pittsburgh, 357; Meyers, New York, 355; Wagner is twenty-eighth, with 305.

1,000 Islands—Rochester. Steamers Caspian and North King leave at 10.15 a.m. daily for 1,000 Island points, and at 5 p.m. for Rochester, N.Y., via Bay of Quinte. J. P. Hanley, agent.

CITY COUNCIL MOURNS

THE DEATH OF ALDERMAN JOHN CARSON.

Held a Special Meeting and Passed a Resolution—Decided to Attend the Funeral in a Body—Civic Offices Closed This Afternoon.

The city council met in special session at four o'clock Wednesday afternoon to express its sense of the loss sustained by the city in the death of Ald. John Carson, and to make arrangements to attend the funeral on Thursday afternoon. In attendance were Messrs. Hoag and Aids. Basley, Cooper, Elliott, Fair, Givens, Hanley, Kent, Litten, McCarthy, Ross, Shaw, Stroud, Sutherland. This resolution, moved by Ald. Givens and seconded by Ald. Elliott, was passed by a standing vote: "That we, the members of the council of the corporation of the city of Kingston, desire to express our deep sorrow at the great loss which the city has sustained by the death of our brother alderman, John Carson. "Both as a representative of the citizens and as a citizen, Ald. Carson had won the respect and esteem of all classes. At the council board there have been many brilliant members; but there never has been one who, during a long tenure of office, was more honest in the discharge of his duties, more devoted to the welfare of the city and more ready to give his time, his energy and his thought to civic affairs. By his keen business insight, his long experience in council and the forcefulness and uprightness of his character, he had attained a commanding position among the members of council, and had done most effective and valuable service for the city, a service the worth of which can perhaps only be fully understood and appreciated by the members of council themselves. "To his wife and the members of his family, we beg to tender our sincerest sympathy in the irreparable loss they have sustained by the death of a beloved husband and brother, a loss all the more severe because he has been taken off while he was yet in the full vigor of his manhood. "That this resolution be spread upon the minutes of council and that a copy be sent to Mrs. Carson." In speaking to the resolution, Ald. Givens said: "It has become my sad duty, at the request of Mayor Hoag, to move the resolution which the clerk has just read. The death of Ald. John Carson recalls to many of us the death of Ald. John Gaskin, whose character was in many respects similar to that of him who had just passed away. Both were men of great force of character, of deep convictions, of sterling honesty. Both had great physical strength and both were great workers. Both had the time to give to the work of the council and they gave it ungrudgingly and unsparringly. "One of the characteristics that peculiarly marked Ald. Carson was his tenacity of purpose, his dogged determination. Nothing could move him from the stand he had taken, once he was convinced he was right; yet he would yield gracefully when arguments were advanced which gave new light on the subject. Another characteristic was his courage, his absolute fearlessness. He never shirked his duty, no matter what the consequences; he never paltered with any public question; he never yielded to a public clamor; he did his own thinking and he was generally right. "As an evidence of these characteristics, I have only to refer to the pavement which is now being laid on Barrie street. He was the first to bring this kind of pavement to the attention of council. It is scarcely a year since he urged its adoption, or the leading residential streets, and it must indeed have been a source of gratification to him, even during his illness, to know that his long fight had at length been successful. "As a citizen he was fair and just to all classes and all creeds. During a long, active and successful business career, no man could say of him that he had been other than honorable in his dealings. He was a loving and faithful husband, an affectionate son and brother, a faithful member of his church; a fearless advocate of the right—in a word a good citizen and a good man. "He had in a singular degree the quality of making strong friends, for he himself was a staunch and true friend. His kindly disposition, his keen sense of humor and his fine social qualities made him an extremely lovable and companionable man, one whom it was a pleasure to meet in friendly intercourse. "I am sure I am but expressing the feeling of every member of council, when I say that his loss will be most deeply felt and that it will be very difficult to replace him. Personally, I feel his loss deeply. Ald. Carson, Ald. Elliott and myself, as you know, have represented St. Lawrence ward in the city council for many years. We have worked together harmoniously, as a faithful team; I have been under deep obligation to Ald. Carson for assistance in civic matters. He was indeed a true friend." Ald. Elliott said: "I heartily agree with the sentiments expressed in the resolution and with all Ald. Givens has said, regarding my late colleague and brother worth and qualities, and how conscientious he was. Personally, I deplore his death very deeply, for he was a kind friend to me. We were associated together from boyhood, and I feel that I have lost a true friend in the death of the esteemed ex-Mayor John Carson." Ald. Shaw also added a few words of tribute to the great amount of time Ald. Carson gave to civic business. He doubted if any other alderman gave as much. "None out of John Carson," he declared, "would have done such strenuous work as he did when the waterworks intake pipe was out of commission. I was a member of the waterworks committee at the time he was chairman, and I know how faithfully he worked. We have lost a most excellent alderman in the death of John Carson." Mayor Hoag also recorded his sense of the city's loss by Ald. Carson's death. He valued the deceased most highly, and it would be a long time

CHEESE MAKE LOWER Than What it Was at This Time Last Year. According to statistics gathered by a cheese exporter, the make of cheese in the Belleville, Peterboro, Napanee, Picton and Brockville sections is up to the present from seven to fifteen per cent. behind that of last year. The reason advanced is the dry weather, which has been quite severe until this week. Last year the latter part of the season was very hot and dry, and if there is more rain from now on, it is expected that by the end of August the make will be fully up to if not ahead of that of last year. There have also been fewer milk cows in the county, as the shortage of feed caused many farmers to get rid of some of their stock. The prospect is, however, that in a year or so the herds will be replenished, as there are plenty of yearlings and young milk cows being raised for milking. Difficultly in obtaining help and more extensive fruit-growing have also been contributing causes to the shortage of cows. This has been offset to a certain extent by the improvement in the quality of cows kept. Yankees Wedded in Kingston. Watertown, N.Y. Standard. When Miss Edith Sparks, of 317 South Rutland street, and Frederick W. Earl, of 636 Cooper street, after a trip to Kingston, Canada, missed the return boat, Tuesday afternoon, and found that they had no relatives or friends in the Canadian city, they decided to go up and get married. And so they did. They hunted up a clergyman, Rev. Mr. Laing, and were united in marriage and then sent telegrams home to their parents in this city. They arrived home, Wednesday morning.

I remember, I remember, the house where I was born, But my dear old sainted mother never spoke to me of born, Or of Toasties, known so well to fame, that scientific food, I fear that, in my early days, our life was very crude. Written by CHAS MANDELL, 2120 Prince Edward St. (P.O. Box 1051), Vancouver, B.C. One of the 25 Jingles for which the Canadian Postum Co., Windsor, Ont. paid \$500.00 in May.
