IS IT A DEAD LETTER?

THE QUESTION OF SECURING
PUBLIC BATHING HOUSES.

It would appear as if Matter Has
Been Allowed to Drop—Was
Taken up by Committee, But
Never Definitely Dealt With—A
Complaint About Bathing.

Has the question of securing pub-
lic bathing houses been shelved by
the civic authorities?
It would appear that the matter
had been allowed to drop almost out
of sight. For the past few years
the matter has been before the coun-
cil, referred to in the inaugural ad-
dresses of the mayors, but as yet
no definite action has been taken.
A citizen asked the Whig today
if any action had been taken but as
far as can be learned the matter was
before a special committee but was
never acted upon definitely.
Several complaints have been made
lately about young men and boys
swimming in the vicinity of Mac-
donald park without bathing suits,
and it is pointed out that if the

IN SPORTING CIRCLES

QUEEN WON SUNDAY SCHOOL
SENIOR BASEBALL GAME.

Defeating St. George's by 3 to 0—
These Games Are Now Played at
the Cricket Field—Junior Game
This Evening.

One of the best exhibitions of ball
play in this season was played at
the cricket field on Tuesday evening
when St. George's and Queen's senior
teams met. At the end the score stood 3
to 0 in favor of Queen. St. George's
were first to bat but were unable to
score. Queen also failed to tally.
The second innings was a repetition of
the first, neither team being able to
score. In the third Queen opened up
Sands doing the trick. It repeated
this performance in the fourth—when
Hall and Nicholson scored, making it
3 to 0. The teams were:
Queen—Hughes, c.; Hunter, p.; Bri-
den, lb.; Angrove, 2b.; Hall, s.;
Cannem, 3b.; Forriator, r.f.; Nichol-
son, c.f.; Salsie, l.f.
St. George's—McCormick, c.; Stan-
son, p.; Duncan, lb.; Conley, 2b.;
Clarke, s.; Morrison, 3b.; Ludlow
r.f.; Robbs, c.f.; Rae, l.f.
Lampire—George Vanhorn.
Playing these games on the crick-
et field is certainly a great improve-
ment to the Victoria school grounds,
and it is altogether likely the re-
mainder of the games will be played
there.
Sydenham and Queen streets juniors
met at the cricket field this even-
ing at 6.30 o'clock.

many friends. He was a student at
the Ontario Agricultural College, at
Guelph, and since graduating has
been at work on his father's farm.
Last year Mr. Shibley was employ-
ed by the government as a judge
for the standing field crops in the
Port Hope and Woodbridge district,
and carried out his work in an able
manner. He is a young man with a
bright future. His earlier education
was received at the Sydenham high
school.

evening when C. G. McConchie's rink,
skipped by W. R. Sills won from J.
W. Corbett's rink, skipped by W. J.

The rinks were:

At Queen's Green.

A very interesting game of baseball
was played on the Victoria school
grounds, Tuesday evening, between the
Sydenham and Queen's juniors and
Young Earls. The teams were very
evenly matched, the score being a tie
at the fifth inning, two all. The fea-
tures of the game were "Skit" Mc-
Cartney's catching for the Young
Earls and "Shorty" Kennedy's field-
ing for Sydenham juniors. "Leslie"
McQueen umpired to the satisfaction
of all.

Boys Smash Widows.

Boys will be boys; and they are sure
to throw a curve. Some youngsters
who have been using the windows in
the new Macdonald school for a tar-
get, are in trouble, and are being
summoned to appear before Magistrate
Farrell, in the juvenile court, for their
conduct.

Ex-Kingstonian's Gift.

A pleasing incident transpired during
the evening service in the First Con-
gregational church, at London, Ont.,
Sunday, when Rev. H. D. Whitmore,
formerly of Kingston, on behalf of
himself and Mrs. Whitmore, presented
the church with a beautiful framed
portrait of his predecessor, Rev. D. S.
Hamilton, who for nine years was the
esteemed pastor of the church.

Wild Raspberries Scarce.

It is reported that wild raspberries
are very scarce this season. A large
number of citizens have, for the past
few years, been able to secure a good
supply of berries from out over the
line of the Kingston and Pembroke
railway, but this year they have been
radically disappointed. A few pairs of
berries have been offered for sale, at
poor prices, but the supply is very
small.

CAPT. BOOTH DENIES

That Steamers Speed Through, Gay
at Toronto.
Toronto, Nov. 11.
"They can't prosecute us, no matter
how much they try," Capt. E. A.
Booth, of the Richelieu and Ontario
steamer Kingston, said with a good
humored laugh, when questioned re-
garding the statement published this
morning to the effect that the captains
of the steamers "plying in and out of
Toronto were in danger of prosecution
for sailing through the eastern gap to
the harbor at too great a speed."
"They might get the companies into
trouble, but I doubt it very much,"
the skipper continued, "for I don't
believe that there is a boat in Toronto
that passes through the gap, at a
speed in excess of the four miles an
hour required by the law. Local mas-
ters are too old at the game to try
anything like that."

Fog Bothers Motor Boats.

The fog which hung over the harbor
so heavily on Tuesday was just as bad
on Wednesday morning. Some good
stories are told in connection with the
fog. One camper on Wolfe Island
started out for the city in a motor
boat, and, being unable to see any-
thing in front of him from which he
could get his bearings, he was obliged
to judge by the path of the boat. He
evidently reached the vicinity of the
city, for he says he passed a buoy
which he took for a waterworks buoy.
After half an hour's sailing he sighted
the shore not five hundred yards
from his own cottage, from where he
had started. His neighbor came over
with the use of a compass and fared
better, landing within a few feet of
his wharf.
