DON'T PULL OUT THE GRAY HAIRS

Few Applications of a Simple Remedy Will Bring Back the Natural Color.

"Pull out one gray hair and a dozen will take its place" is an old saying, which is, to a great extent true, if no steps are taken to stop the cause. When gray hairs appear it is a sign that Nature needs assistance.

Wyeth's Sage and Sulphur Hair Remedy, a preparation of domestic sage and sulphur, scientifically compounded with later discovered hair tonics and stimulants, the whole mixture being carefully balanced and tested by experts.

Don't delay another minute. Start using Wyeth's Sage and Sulphur at once and see what a difference a few days' treatment will make in your hair.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by all druggists. Agent, G. W. Mahood.

Woe's Phosphoric Acid. The Great English Remedy. Tones and invigorates the whole system. Makes men strong, women beautiful, children healthy, and restores to youthfulness the aged.

By its systematic use you can so strengthen the digestive organs and the entire system that the many things which lead to a state of those distressing ailments have no ill effect upon you.
