MADAM NORDICA

And Other Famous Artists to Visit Eingston.

What is easily the most important usical move ever made in this city the arrangement to bring to the Grand Opera House the above famous operatic and concert stars. Heretofore great artists have visited Toronto. Montreal and Ottawa, but either through lack of knowledge of our musical importance or for some other reason have overlooked us, until two years ago Frederic Shipman gave us Melba and it is this same impresario who now offers us the above artists, and the same series that he has placed Mobertson, Mrs. Frederic Brownfield, in New York, Chicago, and the larger American and Canadian cities.

David Bispham is the first to come to is. September 11th is the hight chosen for the greatest American baritone, who will be assisted by Harry M. Gilbert, pianist.

Madame Lillian Nordica, America's greatest singer, and the world's most famour dramatic soprano, is booked as the second, attraction, on October 25th. The Diva will be assisted by Rummell, the eminent violinist, and Romayne Zimmons, pianist. And last, though not least, comes the female family returned home on Friday, Paderewski, Mary Hallock, who has been aptly styled the Rembrant of the piano. This last and finel concert of

There are many variations of the Rosbespierre collar which is the neckwear craze now. This particular style shows a broad, turned-over collar, deep on the shoulders, but shallow at back and front, and the collar is attached to a pair of revers backed by pleated lace frills. Such a collar will be the making of a simple blouse or frock and if desired a tucker or "modestie" of shirred lawn or net may be worn in the deep V shaped opening in front.

TOWN CLOCK AS TARGET. Indulge in a Novel Way of Passing

Strabane (Co. Tyrone) Urban-Souncil are offering a reward to cose who will give such informaof people who use the dial of the

town clock as a target. The contractor for repairing the clock states that there are several bullet holes in the dial looking on the main street, one bullet having passed clean through the clock.

The chairman of the council states that when the tower was removed in which the old clock was fixed it was found that the weather vane was almost eaten away with shot holes. People used to fire at it to see it turn round. The amusement died out, but apparently is had been revived in regard to the dial of the town clock.

Poultry Rules.

A great source of contagion is he drinking troughs. Remember, if houp should make it-In place of "tonic" drop a nail into the drinking trough and allow it to remain there. It will supply the "tincture of iron" required. If you feed whole corn place it in the oven and parch it occasionnin
