We are continual hearing from grateful people whose had experiences like that of Miss E. Cooper, of Niagara Falls, Ont., who writes:

"I wish to express my gratitude to you for the benefit I have received from your most wonderful Dyspepsia Tablets. Having taken other medicines without having received the slightest relief, I heard of your Na-Dru-Co Dyspepsia Tablets and thought I would give them a trial. I have been completely cured of dyspepsia. I will only too pleased to advise any one troubled with dyspepsia to give them a fair trial."

Na-Dru-Co Dyspepsia Tablets not only give the immediate relief from heartburn, flatulence, acidity of the stomach and biliousness, which is much needed, but if taken regularly for a few days or weeks they completely cure the most aggravated cases of stomach trouble. When for 50c. you can get a box from your druggist, why go on suffering? National Drug and Chemical Co. of Canada, Limited, Montreal. 144

HOTEL FRONTENAC

KINGSTON'S BEST HOTEL

AT THE TORONTO FAIR

THERE WERE 165,000 THERE ON LABOR DAY.

The Total for the Week is 565,000—At Night the Grounds Were Enveloped in Fog.

Toronto, Sept. 3.—The estimated attendance at the exhibition yesterday was 165,000. This is 14,000 more than labor day last year, and brings the attendance to date to 565,000, as compared with 532,000 for the same period of last year. Five more days remain in which to attain the million mark in attendance.

During the evening a heavy fog settled over the grounds. The cluster lights shone with an opalescent glow. The crowd moved dimly in the shadows, and the glare of the illuminations in the vapor heightened the carnival effect. This was unfortunate, however, for the pyrotechnic display. As the evening wore on the fog thickened, and the siege of Delhi was enacted under a pall of white.

Permanent Hair Wave.

When visiting Toronto enquire at the Pember store, 127 Yonge street, about the Permanent Wave. Mr. Pember waves the hair on the head and it will stay wavy for six to twelve months. See also the finest display of the latest styles in hair goods for men and women.

Independent Foresters.

Those at the Independent Order of Foresters' tent, on the Exhibition Grounds have lots to tell of the benefits of membership, and a visit to Society Row should be profitable to anyone looking into fraternal insurance. Many Foresters have already called and entered their names on the roll-book at the I.O.F. headquarters.

It is most interesting to meet the many friends and hear them speak of their enthusiasm towards the Order, and how delighted they are with the wonderful achievements that the Hon. E. G. Stevenson, their Supreme Chief Ranger, has made.

A most interesting story is told by the many members of the great comfort that is brought to the homes through their Orphanage branch, they having under their care over seven hundred fatherless little children. Nearly fifty of these children are being cared for, educated and clothed at the Orphans' Home, a most beautiful spot, where every comfort is given them. Some of their children have proved to be the brightest scholars in the whole county of Halton. One of their boys, who was left without father or mother when seven years of age, has received his schooling and care at the Orphanage, and he has been able to win the honors of the whole county. The members are naturally proud of their children, and it makes one feel good to hear them boast of that great work, and that work itself should appeal to the many people who have not yet interested themselves in the work that the Independent Order of Foresters are doing. It is well worth a man's time and money to interest himself in such a grand and noble work.

Another branch of the Order, and a very important one, is their Sanatoriums, they having one erected in the Adirondack Mountains, where they have treated over one hundred and seven patients. This treatment is given to the members free of cost; every comfort is granted the patient, and none of the expense is taken from his sick benefits, which he is entitled to receive during the time he is afflicted. No wonder that the members of the Independent Order of Foresters are so enthusiastic, when they are engaged in such a missionary work.

A hearty invitation is tendered every Forester on the Fair Grounds to make a visit to this tent, where they will receive a most cordial welcome and have every question answered regarding the workings of the institution.

REV. DR. MacGILLIVRAY HOME

From Trip Abroad—Serious Condition of Crops in England.

Rev. Dr. M. MacGillivray, minister of Chalmers church, returned to the city on Monday afternoon, after a two-and-a-half months' trip in England, Scotland and France. He has benefited greatly by his holiday, and his health is excellent. He sailed from Montreal on June 8th, and returning left Havre, France, on August 23rd.

The doctor has spent the time quietly, "drinking" in the beauties of the old lands. He was about ten days in London, and a week in Paris.

While in London, the doctor says that with the various political questions that are foremost in the life and minds of all classes, was the fear that the continual rain would ruin the crops, with disastrous results.

Home From Abroad.

Police Sergeant Robert Nesbitt, two daughters, and Edward Anderson, returned home on Monday morning from their trip abroad, when they visited England, Ireland and Scotland. The members of the party had a most delightful trip. They were away two months.
