THE ROYAL MILITARY COLLEGE RUGBY TEAMS

Will Both be Strong—Queen's Will Not Practise Until Next Week. Notes on Rugby and Baseball.

The cadets at the Royal Military College, now down to persistent rugby practice, are being whipped into shape for their battles on the gridiron this autumn.

The first team looks able to defend the hard-earned trophies and honors that now belong to the cadets on Point Frederick.

Captain Blackstock, the plucky quarter back, and the cadets are enthusiastically putting their noses to the grindstone, the rugby "art" of the "old timers" being re-ingendered, and a number of the recruits broken in.

Some of the recruits, who look good for places on the first team, mainly in the scrum, are Strat Mack, old Upper Canada College boys; McKee, from St. Andrew's school, Toronto, and Dobbie, who formerly figured on the Highfield school team, of Hamilton.

Queen's is Very Late. From present appearances Queen's will not have an organized rugby practice until next week.

The only members of last year's team who have arrived back are Captain Erskine, Macdonnell, Dunlop, McLaughlin, and Pound.

Kingston Horses Entered. W. H. Carson's May Wax started in the races, which opened at Valleyfield, Quebec, this afternoon.

Edwards Going to Montreal. Charles Edwards, who has been employed in the job department of the Whig for some time, and who rendered the Frontenac hockey team, able service, as goal tender, has left for his home, in Smith's Falls, and will later on proceed to Montreal, where he has taken a position.

WOLFE ISLAND FAIR

WAS HELD ON TUESDAY AND WEDNESDAY.

Two Horse Races on Tuesday Afternoon—Wolfe Island Defeated Glenvale at Baseball by 10 Runs to 2.

The Wolfe Island fair opened on Tuesday, and in spite of the fact that rain threatened in the afternoon, about four hundred people were on the grounds.

On Tuesday afternoon there were two entries of sheep and seven of pigs. The horses, though not all there, were a larger and better display than ever.

In the hall, a display of flowers held the large crowd in the center, and were very attractive.

The "vacancy" in the grain showing is accounted for by the rainy weather during the harvesting season.

The horses races were interesting. Both green race and 2.50 class were decided in three heats.

The baseball game was well contested and was the drawing card of the day. It was won by Wolfe Island, by the score of 10 to 2.

Green Race. Billy Mack (W. McAdoo) 1 1 1; Dan D. (T. Dingman) 2 2 3; Daisy (C. Woodman) 3 3 3.

2.50 Class. Little Mac (W. Metcalfe) 1 1 1; James Deo (L. Trudell) 2 2 3; Corneraker, Jr. (Daniel McLagen) 3 3 4.

Grey Nation (Horn) 4 4 2. Best time—2:49.

All Stomach Distress Quickly Ended With "Pape's Diapepsin."

You don't want a slow remedy when your stomach is bad—of an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmless nature; its certain, unfailing action in regulating sick, sour, gassy stomachs.

Keep this perfect stomach doctor in your home—keep it handy—get a large fifty-cent case from any drug store and then if anyone should eat something which doesn't agree with them, if what they eat lays like lead, if ferment and sour and forms gas; causes headache, dizziness, and nausea; cruetations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach all such distress vanishes.

Never give your guests a chance to think that you believe Corby's Special Whisky is any too good for them

Out of the New Westminster Incomes team, champions of the world, it has been found that five are of Irish descent, two are English-Canadians, while one are Scotch, with one, Gifford, being born in the Land of Heather.

It has always been suspected that the Irish made the best incomes players, but from the line-up of the champions it would seem that the Scotch have some claim.

Ottawa Journal: At the meeting of the Quebec Hockey Club, held the other night, in the ancient capital, some of the players asked what was being done to restore the seven-man game.

It appears that Quebec are not enamored of this six-man stuff, at least the Montreal people would have us believe that they are. If the Montreal promoters are wise they will come around and listen to the voice of the fans. They may stave off a new league this year, but another year of the six-man game will produce one of spontaneous combustion.

Frank C. Davis, an old soldier, fell dead at the entrance to Victoria Park, Brockville, on Tuesday. He was born in England, served in the army and had been in Canada for forty years.
