A HARMLESS WAY TO DARKEN THE HAIR

A Little Sage and Sulphur Makes
Gray Hair Vanish—A Remedy
For All Hair Troubles.

Who does not know the value of
Sage and Sulphur for keeping the hair
dark, soft and glossy and in good
condition? As a matter of fact, Sulphur
is a natural element of hair, and
a deficiency of it in the hair is held by
many scalp specialists to be connected
with loss of color and vitality of the
hair. Unquestionably, there is no bet-
ter remedy for half and scalp trou-
bles, especially premature grayness,
than Sage and Sulphur, if properly
prepared.

The Wyeth Chemical company, of New
York, put out an ideal preparation of
this kind, called Wyeth's Sage and
Sulphur Hair Remedy, in which Sage
and Sulphur are combined with other
valuable remedies for keeping the hair
and scalp in clean, healthy condition.
If your hair is losing its color or
constantly coming out, or if you are
troubled with dandruff, or dry, itchy
scalp, get a fifty-cent bottle of Wyeth's
Sage and Sulphur from your druggist,
use it according to the simple direc-
tions, and see what a difference a few
days' treatment will make in the ap-
pearance of your hair.

All druggists sell it, under guarantee
that the money will be refunded if the
remedy is not exactly as represented.

IN SPORTING CIRCLES.
St. Mary's Defeated Wolfe Island
Juniors at Baseball.

At Wolfe Island Fair St. Mary's
school baseball team from the city,
played a game of four and a half
innings against Wolfe Island Jun-
iors. St. Mary's trimmed the In-
siders by a score of 19 to 7.

Ottawa College Light.
An Ottawa despatch says: In
preparation for their game with
Queen's and other teams the policy
of the Ottawa College football team
this fall is likely to eliminate heavy-
weights, and make room for fleet
footed youngsters. Father Stanton
says Genter will be here from Tor-
onto, despite the reports to the
contrary. Locally, it is believed
that Varsity will be as powerful as
last season, and that it will be the
team to beat. Father Stanton's
team is naturally the second choice,
but both McGill and Queen's will
be dangerous. The Ottawa collig-
ians are at a big advantage in
having their first two games at
home. Victories over Queen's and
Varsity would place them right in
line for the intercollegiate and
dominion championships.

Baseball News.
Wood, the Boston pitcher, equaled
Walter Johnson's American league re-
cord this season of sixteen successive
wins by leading St. Louis Sunday.

The New York Giants found the
eastern teams of the National league
much easier to beat this season than
they did the teams comprising the
western end of the circuit.

Frank Farrell, of the New York
Highlanders, is endeavoring to buy
the Jersey City club. If he succeeds,
and it's more than likely he will, the
Skeeters will be used as a farm for
the Highlanders, which will mean a
severance of the Rochester connection.

For any player taken by draft from
International league \$2,500 must be
paid and the player used all next season
by the club drafting him.

Toronto will play a picked team
at Detroit to open the post-season
games on Sunday next.

Russell Blackburn, the former Pro-
vidence shortstop, who was sold to
Chicago Americans for \$1,000 only
to fall down badly, has been drafted
by the Chicago Cubs from Milwa-
ukee.

Ray Keating, who pitched for Ham-
ilton in the Canadian ball league last
season, appeared in his first game for
the New York Americans Saturday,
and was beaten by the Chicago White
Socks.

The International baseball league
closes next Saturday. There ap-
pears to be nothing to it but To-
ronto. Buffalo had the honor of
aidetracking the Rochester Hustlers.

Toronto's proposed trip through the
Canadian league towns has been a
handicapped.

The men drafted from the Interna-
tional league were announced yester-
day by the National Commission. To-
ronto was again fortunate in retain-
ing the best men of the league squad
(Unquestionably several of the new
champions were drafted by the ma-
jors, but the fact remains that some
of the best was that of Baron Wil-

son Fletcher, the youthful catcher,
who was turned back to Birmingham
of the New York State league, early
in the season. He goes to Brooklyn
National league club.

"An American Baseball team" is to
tour America this fall. The players
will be picked mostly from the Pac-
ific coast league, a class A organiza-
tion. The team will leave on Nov.
18th and will return about Jan. 1st.
About fifteen taking the trip. Hugo
Melstos, the light promoter, is one
of the men behind the scheme.
