### THE BANKER AND THE FARMER.

Why must the western farmer rush dealer in products of agriculture, the his grain to market every season in forest, quarry, or mine, or the sea.

dollar upon it. of the producer. The clause of the ment to amend the bank act in ti. bank act governing the matter is as direction indicated is under way.

lakes and rivers, or to any wholesale such a hurry? For two reasons. In purchaser or shipper of or dealer in the first place, because as a general live stock or dead stock and the products thereof upon the security thing he has no adequate storage such products or of such live stock or necommodation, and in the second dead stock and the products thereof." place, even if he had the best of fire ! If that clause were so amended as proof and vermin-proof storage for to include the producer with the dealhis grain he could not raise money er in grain it would work a great on it. The bank act, says the To- change in the west. The fact that ronto Globe, gives no authority to the farmer would be able to secure lend money to the farmer on the se- bank advances on grain in his poscutity of his crops, and a western session would lead to the more genegrain-grower might have thousands of ral construction of storage facilities dollars' worth of grain in absolutely on the farms and would greatly lesssafe storage bins on his farms with on the fall rush to market. That rush out being able to obtain a loan of a is caused mainly by the desire of the grain-grower to obtain money as soon Yet the moment that grain is trans as possible to pay his implement notes ferred to a dealer and reaches the lo and his store bills. Were the grain cal elevator it becomes lawful secur- grower in a position to secure bank ity for bank advances even though advances on his grain his credit would the property may be far less securely be greatly improved and grain block stored than it would be in the barn ades would be less frequent. A movewill undoubtedly secure the strong "The bank may lend money to any support of the farming community of wholesale purchaser or shipper of or the east as well as the west.

### LET WELL ENOUGH ALONE.

The United States politician is fol- cannot escape its influence they do

lowing the Canadian example of urge their best to disparage it and make ing the electors in the coming presi- light of it. But the fact remains and The only Canadian Company whose dential election to "let well enough people are thinking every day more policies have doubled through profits. Figures how a policy will shape for solution." The Buffalo, N.Y., News finds will be to overturn an administration that "men are thinking about what that has been instrumental, as far as good reason there can be for upsetting bound policies of government can be things when the tide of prosperity is in restoring the prosperity that went at a great height and is still rising. by the board late in 1907 and which

### NOT ADEQUATE PUNISHMENT.

The Hamilton Herald in discussing the latter crime property is stolen; in the work of white slave people marks that the criminal code does not provided for the adequate punishment of the agents of the hellish traffic in human hodies and souls. The penalty for luring a young girl into a life of also New and Second-hand Beds prostitution should be at least as furniture. Call and see me

he former, human lives are ruined. The safeguarding of property is not so important as is the safeguarding of human lives. The dreadful work goes n apace in all parts of Canada and it should be the first business of parliament to issue such drastic legislation that the willianous work will be vere as the penalty for burglary. In permanently banished from the land.

### EDITORIAL NOTES

By next fall Kingston should have a big interests. Incidentally the in-

A year of conservative rule has passed by and the great things the local tories promised would material ize "at once" are still far away. Will we ever get a national harbor?

Sir Wilfrid Laurier is out 'of power out his present tour shows that stands as close to the hearts of the cople and is as much admired to day as any statesman Canada eve

An aviator, who beat his wife and who was accused of the offence before a New York police justice, regainer per affections as soon as they tallen a trip in his airship. Here a hint for an effective treatment matrimonial disputes.

into the "financial transactions" be other's strength and wants. The railtween the Roosevelt party and the way is a great unifier.

estigation will throw some light on the principles underlying the scientie tariff policy of the republican party.

Though out of power at Ottawn at present, there is every indication that iberalism with its progressive Canalian politics is not out for long. ione look forward to the next fedeal . election with more forebodings han those conservatives nearest, the confidence of Mr. Borden and his lieu-

A scheme of railway extension is me of the big things to which the new refers of China will early heir attention. The idea is wise China is an aggregation of provinces rather than a hation, and it will be likely to retain its present status till the people of the interior can move The United States senate will probe about and gain knowledge of each
