THE FIRST GRAY HAIR SIGN OF AGE
 Easy Way to Preserve Natural Color of the Hair and Make it Grow.
 A harmless remedy, made from common garden sage, quickly restores gray hair to natural color. The care of the hair, to prevent it from losing its color and lustre, is just as important as to care for teeth to keep them from discoloring. Why spend money for cosmetics and creams to improve the complexion and yet neglect your hair, when gray hair is even more conspicuous and suggestive of age than wrinkles or a poor complexion? Of the two it is easier to preserve the natural color and beauty of the hair than it is to have a good complexion.
 All that is necessary is the occasional use of Weyth's Sage and Sulphur Remedy, a preparation of common garden Sage and Sulphur, combined with other valuable remedies for dry, harsh faded hair, dandruff, itching scalp and falling hair. After a few applications of this simple, harmless remedy, your hair will gradually be restored to its natural color, in a short time the dandruff will be removed, and your hair will no longer come out but will start to grow as nature intended it should.
 Don't neglect your hair, for it goes further than anything else to make or mar your good looks. You can buy this remedy at any drug store for fifty cents a bottle, and your drug store will give you money back if you are not satisfied after using. Purchase a bottle to-day. You will never regret it when you realize the difference it will make in your appearance.
 Agent, G. W. Mahood.

Men's Fall Coats
 Something Distinctive
 Something Classy
 Something of Merit
 The most distinctive feature of our Fall Coats and that which makes them classy and a thing of merit is their high class tailoring. No matter how good the goods used are if the garment soon loses its shape as many do, they are cast aside before half worn out. The Brands of our Coats are a sufficient guarantee of their merit and one try will convince you of this.

THE SPORT REVIEW
PONIES AND PARK NINE TO PLAY ON SATURDAY
 To Settle the Junior City League Baseball Championship — Notes About Rugby and Other Sports.
 Ponies and Park Nine will play at the cricket field on Sunday afternoon, in the final game of the Junior City Baseball League series. It was thought that Ponies were champions, but Park Nine claim that they are not until they win from them again. It will be remembered that a protest was entered by Park Nine at one game, but the matter was never settled, so the teams want to settle it on the field. The game will be played on the big diamond, commencing at 2:30 o'clock. If Ponies win then they are champions.
 Park Nine has spoken about using Partell as pitcher, but the executive has forbidden him to play on account of age, and if he does, then the game will go by default to Ponies.
Baseball Results.
 National League—Pittsburgh, 7; St. Louis, 5. Philadelphia, 7; Brooklyn, 6. New York, 8; Boston, 3; Chicago, 11; Cincinnati, 10-0. (Cleveland, 12; Detroit, 2. Boston, 15; New York, 12. Philadelphia, 3; Washington, 3 (called nine innings; darkness).

To Try Rugby Scoring.
 An Ottawa despatch says: It looks now as if Father Stanton's proposed new system of keeping tab on football play will be tried out first at the Queen's-Ottawa College game, on October 1st. The suggestion is to distribute score cards or books and try the experiment of keeping track of the various plays.
 Twenty members of the team left to-day, for Hamilton, including Rev. Father Stanton and President Coughlan, of the Intercollegiate Union.

Rugby at Queen's
 The football men of Queen's had a good workout on Thursday afternoon. The K.C.I. team was at the campus, a sufficient turnout to practice with out them. Queen's is proving above what was expected. The old material is improving. "Ruh" Macdonnell is very fast and is bucking in splendid style. He wards off a tackle as he never did before, and has Hugh's telling little twist that was so effective in getting through the scrimmage. His wing line is a little weak yet, but there is prospect of some new material showing up in the near future. Melville Smith is to be back shortly. Erskine was in the game on Thursday, but he is still a little sore and needs to be careful.

In Rugby Circles.
 McGill will build several new stands to accommodate the crowds in the intercollegiate union.
 Dr. Kinisla, the former Queen's player, has been practising at inside wing for the Toronto Argonauts, and is almost sure of a place.
 Ottawa Citizen: Queen's have a hard row to hoe in the Intercollegiate. Two games away from home right off the reel.
 The feeling around Queen's Park, Toronto, is that Varsity will again repeat, though it is considered that Old College and McGill will be hard to beat. The blue and white adherents fear the latter outfit more than Father Stanton's team.
 The following is the probable lineup of the Ottawa College team which will meet Hamilton Tigers at Hamilton on Saturday: Halves, Chartrand, Cormier, Quilty, Shesby; quarter back, Killian; scrimmage, Mulvihill, Lavoie, McDonald; outside wings, Nagle, Gill; middle wings, Herring, Sullivan; inside wings, Dunnet, Hackett.
 The Hamilton Tigers expect that Coach Hurd, a former Yale player, will take charge of the team at once. They will work out about twenty men in the game with Ottawa College on Saturday.
 The Varsity back division is the spot which is giving Coach Wright the most anxiety. Maynard and Gontier are sure of positions. Brock and Carner will, however, have to show better form or some of the other aspirants will beat them out. Both are weak on catching.
 Father Stanton is out with a vigorous denial that anyone connected with the college accused Queen's university of attempting to get Quilty by offering free tuition, and Quilty backs up the statement of the Queen's people that nothing of the sort was attempted.

Sporting Notes.
 Frank Chase is recovering rapidly from the operation rendered necessary in New York by the formation of a clot of blood on the brain and will be able to return to Chicago on Saturday next.
 Nearly all the Canadian baseball league teams are arranging training trips for next season. The Ottawas will go to Chatham and London may train in the south.
 Western Ontario papers say that "Knotty" Lee is sore on things in Hamilton and that he will probably be at the head of some other baseball club next year. He would like to purchase a franchise of his own and may be found at the helm of the new Toronto club, should it enter.
 The race between Edward Hanlan Durand, of Toronto, and Ernest Barry, of London, for the sculling championship of the world, takes place over the Thames course on Monday, Oct. 14th.
 The Ottawa baseball club will collect \$500 from Toronto for Herbert, and an equal sum for Kubat will go to Fort Wayne. Boston paid Ottawa \$750 for Schwind. "Red" Rowe's draft will likely be announced this week.
 Ottawa Citizen: The Ottawas may fight hard for when hockey in the N.H.A., but they will have to sit back and take what they get so long as the Kennedy-Lichtenheim-Quinn combination rules the roost. They were opposed to the game after the first experiment and would have reverted to the old style last winter had the other clubs not been united against them.

"BILLY" AT THE GRAND.
 Ever Popular Comedy Presented by Good Company.
 The ever-popular comedy, "Billy," was presented at the Grand, last night, by the Phillips-Shaw company, composed of a strong cast, and delighted everyone. "Billy" is no stranger to Kingston, but it is a play which can be enjoyed, no matter how often one has seen it. After Billy Hargrave has the misfortune to lose his false teeth, there is a laugh every minute—in fact, the entire three acts are a string of fun. Albert Phillips, as Billy, and Miss Leila Shaw, as his sister, Alice, who was forever teasing him about the loss of his front teeth, shared honors, while the different characters were in able hands.
To-Night "The Light Eternal."
 "The Light Eternal," a spectacular romantic drama of the fourteenth century is announced for presentation at the Grand to-night and Saturday matinee and night. This play has proven of unusual appeal to all classes. Though its scenes and incidents are only partly based on historic fact they illustrate so powerfully the spirit which established the Christian religion. The play is dominated by a strong romantic love interest, while its devotional atmosphere is impressively in evidence. Its action is inspiring and is permeated by fervor and genuine feeling.
Guy Brothers Greater Minstrels.
 Every person enjoys seeing a good minstrel show and this season George R. Guy has certainly got the class of minstrel which will present to the theatre goers at the Grand next Monday evening. No expense has been spared to secure the very best people of which there are thirty-five in the company and every one a singer, dancer, acrobat, comedian or musician. Nothing has been overlooked. The scenery and electrical effects are all new and really wonderful.

"The Spring Maid."
 Werba and Luescher's joyous operetta, "The Spring Maid," now in its third successful season, will be seen in this city on Tuesday, Oct. 1st, at the Grand with Gene Lunaska and J. H. Goldworthy in the leading roles of the Princess Bozema and Prince Aladar. Both of these favorites scored a huge success in three past seasons. Local theatre-goers will have their second opportunity to see the romantic opera which its pretty story of the dashing prince, who would flirt, and the saucy princess who leads him a lesson.

Saloon Keepers Are Sued.
 Chicago, Sept. 27.—Eight damage suits for a total of \$85,000, were filed in the circuit court, here, yesterday, against thirty owners and managers of saloons and persons owning the property in which they are situated. The suits were brought by forty wives and children who declare their incomes have become impaired through the shortcomings of their husbands and fathers, which in all cases were traced to the saloons. The suits were filed for counsel for the Citizens League, of Chicago, which has for its purpose the enforcement of the state dram shop act.

Bank Cheque Legislation.
 Boston, Sept. 27.—The unification of legislation relating to bank cheques was a topic considered by the International Congress of Chambers of Commerce at the second day's session. The subject was introduced in a report submitted by Dr. Hans Trumpf, of Frankfurt-on-the-Main, and Dr. Max Apt, of Berlin, who have had the matter under consideration since the last congress at London two years ago.
Might Have Saved Banks.

ELDERLY FOLKS! CALOMEL, SALTS AND CATHARTICS AREN'T FOR YOU
HARMLESS, GENTLE "SYRUP OF FIGS" IS BEST TO CLEANSE YOUR STOMACH, LIVER AND 30 FEET OF BOWELS OF SOUR BILE, DECAYING FOOD, GASES AND CLOGGED-UP WASTE.

You old people, Syrup of Figs is particularly for you. You who don't exercise as much as you need to; who like the easy chair. You whose steps are slow and whose muscles are less elastic. You must realize that your liver and ten yards of bowels have also become less active.
 Don't regard Syrup of Figs as physic. It stimulates the liver and bowels just as exercise would do if you took enough of it. It is not harsh like salts or cathartics. The help which Syrup of Figs gives to a torpid liver and weak, sluggish bowels is harmless, natural and gentle.
 When eyes grow dim, you help them. Do the same with your liver and bowels when age makes them less active. There is nothing more important. Constive, clogged-up bowels mean that decaying, fermenting food is clogged there and the pores or ducts in these thirty feet of bowels such this decaying waste and poisons into the blood. You will never get feeling right until this is corrected—but do it gently. Don't have a bowel wash-day; don't use a bowel irritant. For your sake, please use only gentle, effective Syrup of Figs. Then you are not drugging yourself, for Syrup of Figs is composed of only luscious figs, senna and aromatics which can not injure.
 A teaspoonful to-night will gently, but thoroughly, move on and out of your system by morning all the sour bile, poisonous fermenting food and clogged-up waste matter without griping, nausea or weakness.
 But get the genuine. Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna." Beware of cheap imitations. Syrup of Figs unless it bears the name—prepared by the California Fig Syrup Company. Read the label.
