MILLIONS

STANDARD OIL COMPANY IS MARING INVESTMENTS.

Canadian Banks Holding Stock May Bid for the Concern-Big Issue for Equipment Requirements.

Lethbridge, Alta., Sept. 27 .- A local paper is authority for the report that within two years the Standard Oil Interests will have millions invested in South Alberta. The rumor is that Rockefeller interests are getting on tions on rich coat, oil and gas lands, and are behind the Western Canada railway now being surveyed and planned to come in from Montana and serve western and northern Alberta. It is also stated that the Amalgamated Copper company is securing options on Alberta coal lands.

BUTTE SE STEEL STATE Bidding at a Sale.

Racine, Wis., Sept. 27.-Bidding at the auction sale of the Chicago and Milwaukee Electric raffway was scheduled for to-day. The: auction sale was ordered by the United States district court. Among those mentioned as possible heavy bidders were no presentatives of Canadian banks hold ing stocks and bonds in the company. The property will be disposed of in thirty parcels.

To Issue Equipment Bonds. New York, Sept. 27 .- The directors

of the Erie railroad have authorized trusts for equipment requirements for last of this fiscal year and first hali of the next. This will provide for equipment now under construction and to be ordered within the next twelve

Armour Company Has Corner. Kansas City, Mo., Sept. 28.-"Shorts" on the local board of trade are beginning to feel the "squeeze" of the Armour grain combine, of Chicago, which practically has cornered September wheat in the Kansas City market. It is said that several big Chicago speculators have been caught 'short' in the Kansas City market. September wheat sold as high as ninety and a half cents in Kansas City, one-eighth cent above the highest September wheat quotation in Chi cago. Under normal conditions prices should be five to seven cents lower here than in Chicago. The Armour corner is the biggest deal ever undertaken on the Kansas City board o

Grain men say the Armour company ompany has made a profit of four to seven cents a bushel on the million To do Honor to the Late Sir Richard bushels or more that has been sold to "shorts" in the pit.

COATS BECOME A LITTLE LONGER.

Most of the tailors assert that coats are growing longer and this new model from an authoritative Fifth Avenue tailor seems to prove the assertion. The suit is built of tappe broadcloth-a fabric in high favor this season-and coat and skirt are elaborately braided in the same rich taupe shade. The revers, braided and embroidered, are made of velvet of a darker taupe shade. The hat is a new model of black and white plush trimmed with a coral wing Buttoned boots with taupe cloth tops accompany the suit.

Make Your Will To-day.

KINGSTON REALTIES, LIMITED, is the name of a Company incorporated under the laws of the Province of Ontario to purchase and deal in real property of any description to hold same and erect buildings thereon, with other powers incidental thereto.

It is proposed to erect dwellings and other buildings in the City of Kingston, more especially with the view of supplying workingmen's homes, the necessity for which is well known and for such purpose a well located parcel of land, known as the Brophy tract, in the northern part of the City, has been acquired at a favorable price for cash, and is now vested in the Company. Other properties are to be bought.

The Directors have decided to proceed with the erection of thirty dwellings as soon as possible, increasing the number gradually to meet the demand. The houses crected will be leased or sold, as may seem advisable. The property should be revenue producing within a short time, Apart from the security and revenue, it is predicted that profit will result to the Company from the increasing in value of its holdings.

The authorized capital is \$250,000

Divided into 2,500 Shares of \$100 each.

All Stock is sold on the same terms at par.
