A GANANOQUE ACCIDENT LAD HIT WITH STONE

MAN FELL INTO CANAL WITH BARROW OF CEMENT.

His Leg Was Broken—R. Cook, a Farmer, Injured in a Runaway—Gananoque Rifle Association Matches.

Gananoque, Sept. 28.—A young man, employed by the Byers & Anglin contracting concern of Montreal, on the building work of the Jones' shovel factory extension at the upper dam, met with a serious accident yesterday while wheeling a barrow of bags of cement up to their machine. While wheeling across the bridge over the canal, the planking gave way and barrow and man were thrown into the canal. Assistance was promptly at hand and the man taken out. Medical aid was summoned and it was found that his leg was broken near the hip.

R. Cook, a well-known resident of the Front of Leeds and Lansdowne township, met with a severe accident near Gananoque on Thursday evening. Having driven up to town during the evening on business, he was returning rather late when his horse took fright and threw Mr. Cook from the vehicle, striking on head and shoulders. His head and face was badly gashed.

A special prize donated by Thomas Cockrill to the one making the greatest number of "bulls" was won by Robert Haig. In the grand aggregate of both matches N. R. Gardner and H. D. Rogers tied for first place, and in the shot off N. R. Gardner won out, giving him the Thompson cup trophy and the Hon. W. T. White's medal, H. D. Rogers getting second place and the medal donated by Senator George Taylor.

A good series of cash prizes was also offered. The novice match for those who never won a prize is being shot off this afternoon.

Mrs. Thomas, wife of Judge Thomas, of the supreme court of Kentucky, who has been spending some time in town, guest of her sister, Mrs. C. C. Skinner, left yesterday for her home in Lebanon, Ky. MAN DIED FROM RABIES.

Calmly Prepared for the End When Warned.

Paterson, N.J., Sept. 28.—John Muter died of rabies at his home yesterday, after a spell of twenty-four hours during which he momentarily expected death. When he was told that he could not live he called his son-in-law to his side, dictated his will, settled his affairs, and, with his family around him, calmly awaited the end. Physicians forbade their touching or approaching him for fear of contagion.

Muter was bitten by a terrier on June 22nd. The wound healed, and was forgotten until a week ago, when it re-opened. It was then too late to save his life.

Rev. W. W. Sargent Dobby, of Three Mile Bay, N.Y., was in the city on Saturday.

Mrs. Richard O'Brien, Prescott, died on Thursday.

AND HAD HIS LEG BROKEN AS A RESULT.

Seven-year-old Son of M. Amadeo, Victim of an Unfortunate Accident—Was Removed to Hotel Dieu, Where the Fracture Was Set.

The seven-year-old son of M. Amadeo, fruit merchant, Princess street, suffered a broken leg, at St. Mary's school, Friday afternoon, as the result of being hit with a stone, by another lad.

It appears that a number of lads were playing in the school yard, and for some reason one lad picked up a stone and threw it at young Amadeo, with the result that his leg was broken. He was taken to his home, and afterwards removed to the Hotel Dieu, where the fracture was set.

When the accident occurred, an older brother happened to be nearby, and when he saw what had happened, took after the lad who threw the stone, and hit him across the face with his hand.

One of the teachers at the school saw the older Amadeo hit the other lad, and took him into the room and "strapped" him for his action. Mr. Amadeo may take action against the lad for his conduct.

The steamer Dundurn passed up last night.

The steamer Britannic was up and down on Friday.

The steamer Aletha was down and up from bay points on Saturday.

It appears to have been assumed from a recent paragraph in the Whig's marine column, regarding the sinking of the steamer Adramled on Lake Ontario, this summer, that Capt. Charles Martin was on the vessel at the time. This is not the case. Capt. Martin was not aboard her.

Captain Mitchell, of the schooner Katie Eccles, has accepted a position as mate on the schooner Maize. Capt. William Dew is in charge of the schooner Eccles while in port.

Bethel, Sept. 26.—John Perry, who has been visiting his parents, Mr. and Mrs. Wellington Perry, returned on Saturday to his home in Winnipeg.

A variety shower was given Mr. and Mrs. George Smedley on their return from Niagara and Toronto, where they went on their wedding trip. Miss Nellie Herrington and Miss E. Roberts, Napanee, have been visiting friends here recently. Miss Olive Salisbury spent a recent Sunday at home. Quite a number attended the Napanee fall fair. Rev. Roy McWilliams is expected home this week for a visit. Elgin McWilliams has bought a fine driving beast. There is quite a demand for young pigs, as most of the grain will have to be fed as it is not saleable, owing to so much wet weather.
