R.C.H.A. Officers' Race.
A race attractive from the spectators' point of view, this time there were many, and displaying good horsemanship on the part of the contestants was run on the upper Barrfield common on Saturday afternoon. It was the point-to-point race for the officers of the R.C.H.A.

Capt. C. F. Conant, on his fine horse, carried off first honors, with Major D. I. V. Eaton second, Lieut. H. W. MacPherson was third. The course covered was 4,000 yards, with nine jumps, resembling a steeple race. The time made was good, a few seconds over five minutes. Eight riders entered.

Another race of the same nature open to the R.M.C. cadets, was won by Cadet E. I. H. Ings. The course was half the distance.

Shooting at the Ranges.
At the shoot of the marksmen of the Kingston Rifle Association and the 14th Regiment team, at the Barrfield ranges on Saturday afternoon, good scoring was done.

First and second place were taken, in the combined shoot, respectively by Sergt. W. H. Blake and D. T. McManus, of the R.C.H.A. & M. Asselstine, R.A., Lieut. W. E. Swaine and Staff Sergt. W. E. Skinner, 14th, tied for third place, but the declining light prevented this to be shot off.

The following were the scores made: seven rounds at 200, 500 and 600 yards, highest possible score obtainable, 105—W. H. Blake, R.C.H.A., 100; D. T. McManus, R.C.H.A., 99; T. M. Asselstine, 98; Lieut. Swaine, 14th P.W.O.R., 98; Sergt. Skinner, 14th P.W.O.R., 98; J. J. Barrett, R.C.H.A., 97; W. Sayer, R.C.H.A., 97; W. Elliott, R.C.H.A., 95; Capt. W. M. Curlers to Meet.
A meeting of the executive of the Kingston Curling Association will be held on Monday evening, to discuss some matters with regard to the outlook for the coming winter. One of the chief items will be the discussion with regard to when it will be remembered that when the rink was taken over by Queen's it was again re-rented and it is understood that the new holder is raising the price considerably, and some of the curling club members are not at all favorable to paying the increased price. If the executive cannot make some satisfactory terms there is possibility of the club building a rink of their own and having it finished in time for the winter's play.

Queen's in Training.
The training quarters for the Queen's rugby team are now in fine working order. The players sleep in one of the rooms in the top story of the Arts building, and get their meals in another building on the grounds. The meals consist of edibles most suitable for building up the players' strength. None of the players will be allowed to eat pastry.

Poor Opinion of Ottawa.
Joseph D. Whitmore, trainer for Queen's rugby team, when asked by a Whig representative, for his opinion of the Ottawa College rugby team, said: "Well, if Father Stanton calls that rugby, which his team played in Ottawa on Saturday afternoon, I have yet to see a game, with the little training that our team had, they certainly made a good showing."

Ottawa Suggests a Replay.
Regarding the Queen's-Ottawa College game, an Ottawa dispatch says: "The chances are that the match will be replayed at the end of the season in the event of the championship being affected."

Walloped Brockville.
At Brockville, on Saturday, the second team of the Montreal A.A.A. shut out the Brockville's in their first game in the Quebec intermediate series. Though vanquished by 14 to 0, the home team put up a snappy article of football.

TEDIOUS YANKEE JUSTICE

Aim at Life of Service.
Rev. T. W. Neal, preached a sermon on the supreme purpose of young menhood, in Sydenham-street Methodist church on Sunday evening. He pointed out many of the attractions that draw the attention of the young, in this age, and while allowing for the good of them, indulged in a moderate, and the estimable desire to acknowledge, honestly, he called for all to aim at a life of service for humanity.

The new communion service, finally given to the congregation, was used at the first Baptist church on Sunday.
