CHOIR CONCERT GIVEN

IN QUEEN STREET METHODIST CHURCH TUESDAY EVENING.

There Was a Chorus of About Fifty Voices—Instrumental Numbers by Miss Mabel Meek and Miss Mignon Teigmann.

A chorus of nearly fifty voices was led by their leader John Shea of Queen street Methodist church choir on Tuesday evening at a concert in the church under the auspices of the Young Men's Club. The concert opened with an organ solo by Miss Mabel Meek, which was one of the finest numbers on the program. This, with two violin solos by Miss Mignon Teigmann, were the only instrumental numbers, and were so arranged as to form an introduction to the first and second parts of the concert. Miss Teigmann's performance on the violin was exquisite.

The choral numbers were well chosen and included such masterpieces as "Send out Thy Light," by Gounod; "Peace, Perfect Peace," by Roberts; and the "Miserere," by Farmer. The execution was very fine. Beautiful solos were given with splendid effect by Mrs. John Evans, Mrs. S. H. Simpson, Mrs. James Small, Miss Ada Roosevelt, William Eva and Harold Angrove, all of whom were heard at their best. The solo of Miss Roosevelt, "Abide With Me," in contrast to voice, was extremely rich, while Mr. Angrove's "Daughters of Jerusalem," gave great pleasure. Mrs. James Small, too, sang with great feeling and expression while the soloist of the church, Mrs. Evans, again demonstrated her great musical capacity. The quartette, "Still, Still With Thee," by Messrs. Shea, Pettigrew, Marshall and Hosking.

Before the audience departed and which was not as large as was anticipated owing to the stormy character of the night, Rev. G. L. Campbell expressed the gratification of all present at the delightful evening that had been spent.

Miss M. Meek proved to be a most capable accompanist. Altogether the concert was one of the most gratifying and profitable that has been held for some time.

An Abundance of Blood.
If you have only a little less energy than your duties require, life is a burden.

If you have just a little excess of energy, life is a joy. Good, rich, red blood and an abundance of it will give you the excess of energy. Wade's Iron Tonic Pills (Laxative) will provide the blood and vitality required. They are a great nerve strengthener and blood maker. In bottles, at McLeod's Drug Store, 53 Brock street, one door above King St. Money back if not satisfactory.

A pleasing ceremony took place at Lockmaster Foster's residence Wednesday, when Mr. Phillips, superintendent of the Rideau canal, presented William O. Pearson, late lockmaster at Poonahmalee, with an imperial long service medal, for his long and faithful service as lockmaster.

Rev. Father Kelly, parish priest in Smith's Falls, has introduced the envelope system at each Sunday service in his church and has found it to work quite satisfactory.

Some men smile in the face of adversity, but they don't mean it.

The Gadder Is On the Job

Travelers Don't Fear Strange Dishes
Stuart's Dyspepsia Tablets
Enable the Stomach to Stand Anything.

A Box of Stuart's Dyspepsia Tablets Is Your Best Travelling Companion.

"Railroads tell you about the wonders of nature along their lines; hotels describe their modern accommodations; but they never fail to ring in their 'cuisine unexcelled.' The wise traveler knows he is taking 'pot luck' when he leaves home, hence a box of Stuart's Dyspepsia Tablets is quite as essential a part of the other traveling requisites."
Thus commented a philosophical traveling man, speaking of hotel life, restaurants, grills and junction lunch counters. "The agitations in this world," he continued, "are the result of one set of men trying to compel their own inclinations. It is the same in religion, politics, and war. I have learned from experience to eat what they serve; to forget the food experts, read the current news and jokes and leave the stomach to the best expert in the world—Stuart's Dyspepsia Tablets."

And Stuart's Dyspepsia Tablets actually do the work assigned them. They relieve weak and overburdened stomachs of a great portion of digestive action. Their component parts assist the digestive fluids and secretions of the stomach and they simply take up the grind and carry on the work just the same as a good, strong, healthy stomach would do.

Stuart's Dyspepsia Tablets are for sale by all druggists, at 50c. a box, and they are the one article that the druggist does not try to sell something in the place of it that's "just as good." Their unqualified merit and success and the universal demand for them has placed them within the reach of everyone.

THE TRANSFER IS MADE

Of the Salvation Army Citadel to James Norris.
The Salvation Army barracks is no longer the property of the local corps, the papers having arrived from Toronto for its transfer and it now passes into the hands of James Norris, formerly of the Ottawa Hotel. The building will be used for an automobile garage. Adjutant Allen has arrived home from Toronto. While in that city he made arrangements for the erection of a new citadel. Owing to the lateness of the season, it would not be wise to commence the building, as the contractor would not be able to get in the foundations before the snow comes. As soon as spring opens the work of erecting the new citadel will begin.

GANANOQUE'S CURFEW

AGAIN RINGING AND SENDING THE KIDS HOME.
A Motor Boat Found Sunk—The Town Council is After the Coal Dealers—Other News of the Town.

Gananoque, Oct. 23.—W. J. McDonald, on visiting his boathouse in the bay, found that his speedy launch, "Madge" had sprung a leak and sunk at her moorings. She is being pumped out.

Since the instructions of the town council to the local police force regarding the putting of the curfew by-law into effect again, and to enforce it, a noticeable improvement has been effected, there being a marked scarcity of youngsters on the street after hours.

James A. Thomson, proprietor of the Gananoque Journal newspaper, has moved into his handsome residence on Princess street, which has just been recently completed.

Rev. and Mrs. H. H. Bedford-Jones who have spent the past season at "Mudlanta," the island home of Charles E. Britton, have returned to their home in Brockville.

F. X. Beauchamp, who has been farming for the past few years, a few miles west of the town, has located in town to work at his trade as carpenter. He has moved into his residence on Maple street. Mr. and Mrs. Russell H. Britton and family broke camp at "Mudlanta" on Monday and returned to town.

The local police force have been given rigid instructions re weighing of coal from the local dealers. At the last session of council a by-law was put in force rendering it necessary for every driver to have a bill with gross weight, on and net weight marked on it.

William Pratt, spending the past few days in Toronto, has returned home. Messrs. Geo. K. Taylor, A. W. Taylor, C. C. Skitter and George Funnell, who have been spending the past few days duck hunting at Baumgard island, have returned home.

Court No. 1, A.O.H. of this town, held a pleasant euchre party in their lodge rooms in the Bennett block last evening. Thomas G. Berry, Brock street, is spending a short time in Newboro, guest of his brother, Dr. Berry.

The coal schooner, Horace Taber, cleared light for Oswego yesterday for another cargo.

Those who attended the production of "Everywoman," at the Grand Opera House, Kingston, on Monday evening are loud in praise of the play. A larger contingent went up yesterday afternoon and evening to enjoy the same.

Word has reached here of the marriage of James McIntyre, a well known young resident of the town, to Miss Miller of Kingston, which took place in that city at a recent date.

Mrs. E. M. Beach died on Thursday after a lingering illness, at the home of her daughter, Mrs. A. M. Harkson, Kemplville.

Flush of Money.

New York Herald.
George R. Sheldon, treasurer of the national committee, confirms the charge of Senator Penrose and the statement of John D. Archbold, that \$100,000 of Standard Oil money went to the Roosevelt campaign fund of 1904. Three other powerful financial interests contributed a like amount—the Morgan company, H. C. Frick and George J. Gould—each of whom gave \$100,000 towards Roosevelt's election; and according to Mr. Sheldon over 75 per cent. of the \$1,900,000 raised by Mr. Bliss in that campaign was contributed by corporations.

To Settle in Belleville.

Sheldon Joyce, who for the past four or five years, has been in the Grand Trunk railway city ticket office, leaves shortly to take a position with the Imperial Life Assurance company. Mr. Joyce has been appointed district manager of the company at Belleville. The Queen Street Methodist church, where he has been active, and in other organizations of the city, he will be greatly missed.

Alanson Cross died of paralysis at Andrewsville. He was twice married and is survived by three sons and four daughters. Rev. J. Webster of Kingston conducted the funeral. He was a man of exemplary life and was held in respect by many friends. He was a life-long Methodist.
