STARS OF THE TORONTO SENIOR O.R. F. U. TEAM

Frank Heffernan, the star half-back of the Toronto team, was Ottawa College's best all-round half-back last season, and he is better than ever. Egan, the flying wing, is also a graduate of Ottawa College team last year. He has a great pair of hands, and is a wonderful pluuging runner. Mars-den, the scrimmager, is a big, strong player, who is always in the game. This team looks likely for the championship of Canada this year.

UTILITIES IMPROVEMENT COM-PANY FORMED.

Curb Brokerage Has Grown Very cent., and in 1915, 19.7 per cent, Expensive A Dispute Has Ariser It is proposed to pay 2 per cent. div-

Montreal, Oct. 22.-Henry L. Doherty & Co., are offering \$10, 000,000 preferred stock of the Utilities Improvement Co., on the basis of \$1,000 preferred and \$400 common stock for \$1,000 in cash. This is the new company, which this firm has just organized and has a tota capitalization of \$40,000,000 which amount \$25,000,000 is 6 per cent, cumulative preferred and \$15,-600,000 common stock. The amount issue is \$10,000,000. The firm announces that one half of the present \$10,000,000 offering is being taken by the same London interests who a short time ago purchased this sort of notoriety was very dispreferred stock of the Cities Service Co. and stock of the Consolidated Cities Light, Power & Traction Co. It will be recalled that when \$12.50 fees a year, which was the Messrs, Doherty & Co. offered the fee of the association for several stocks of the above mentioned com | years, it was raised to \$25 a couple panies they were largely oversub- of years ago. Under the new rules,

ed to take over the following 1 raperties: Toledo Light and Railways Co. (Ohlo); Danbury & Bethel Gas and Electric Light Co. (Ct.); Brant- cate of capitalists, headed by Dr. ford Gas Co., Limited, (Ontario); F. S. Pearson, the moving spirit Woodstock Gas. Co., Limited, (On- in Brazilian Traction company, has tario); Athens Railway and Electric purchased 60,000 acres of land Co., (Ga.); Coshocton District Gas Texas to be used for farming for and Fuel Co., (Ohio); Bartiesville, \$1,500,000. Large electric power Gas, Electric and Railway Co., station will be installed to operate

(Okla.); Empire Gas and Fuel Co. (Kans. Mo., and Okla.); \$2,800,000 -year 7 per cent. notes of the Southwestern Reserve Gas. Co.

According to compilations Doherty & Co., the new company in 1913 will earn 6.2 per cent. on its common stock; in 1914, 8.2 per Over Profits-To Study Steel | idends on the common stock during the first year, which rate will be increased 1 per cent, per annum Inrtil 6 per cent. a year is paid.

Curb Brokerage Expensive.

New York, Oct. 22.-It was no looked like ready money and not few who did not, did business on the curb unmolested, and everybody who had nothing better to do Wall, Street called himself a curb broker. The various police magistrates can testify to that, for when a crook was arrested who happened to be working below the dead line, he invariably styled himself "a curb" broker.' To the real curb brokers tasteful, and these happenings went a long way toward formation of the present association. however, a member must pay \$250 The new company has been form- initiation fee and \$25 annual dues.
