LATE GEORGE ROBINSON

Was a Valued Member of the Frontenac Cheese Board.

At the meeting of the Frontenac new form of opposition which they and has been a blue jacket on one Cheese Board on Thursday afterare having to contend with. The of England's men-o'-war. He says he noon, the secretary, William Pillar, experiments of the "high brows" are is willing to go back to the navy paid a warm tribute to the late George Robinson, a former member of the board, whose death occurred recently in the west. For some time Mr. Robinson was a valued member of the board. He was held in high esteem by his many friends, and much sorrow was expressed at his death. The following resolution, moved by William Pillar and seconded by Richard Moore, was carried: "We, the members of the Frontenac Cheese Board, deeply regret the death of George Robinson, for

many years a valued member of the board, and also for some years cheese factory inspector in this county.

"We desire to record an appreciation of his services to this board. and we tender to his relatives our most sincere sympathy."

> REASON FOR FALLING OFF Of the Kingston Hay Exports to United States.

The falling off of the export of hav month of October was very considerable in this district. The good crop on the other side of the line this year, and the competition in prices, has been given as the reason. The price was practically the same, per ton, as in Canada. The cost of trans-That Presbyterians of Prince Albert porting it across the border and The Brockville delegation at Queen's get Rev. J. W. McIntosh, of Cooke's about 87. With this consideration,
