QUEBEC LEGISLATURE.

portant Measures.

Quebec, Nov. 6 .- Sir Francois Langelier, heutenant governor, opened yesterday afternoon the first session of the thirteenth legislature of the province of Quebec.

The lieutenant-governor, in the course of his address, referred to the work of the government in advancing the spread of education and the e tablishments of two normal schools one at St. Hyacinthe and the other at Joliette in this connection. Ove forty schools, he said, had shared in the appropriations voted in favor of the municipalities establishing commercial academies. The encouragement given to municipalities, which increased one salaries of teachers, was

also bearing fruit. with his navy, he'll have to send the would be noted with pleasure that The lieutenant-governor said it the government had paid off the balance of the doan of \$2,405,000, contracted in 1882, without incurring fresh linbilities.
