BEAUTIFUL HAIR AT SMALL COST

A Simple Remedy Beautifies the Hair. Cures Dandruff, Stops Falling Hair.

What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and lustre if they would but use the proper treatment. There is no necessity for gray hair under sixty-five years of age, and there is no excuse for anyone, young or old, having thin, straggling hair, either full of dandruff or heavy and rank smelling with excessive oil.
You can bring back the natural color of your hair in a few days and forever rid yourself of any dandruff and loose hairs, and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations common garden sage has been used for restoring and preserving the color of the hair, and Sulphur is recognized by Scalp Specialists as being excellent for treatment of hair and scalp troubles.
If you are troubled with dandruff or itching scalp, or if your hair is losing its color or coming out, get a fifty cent bottle of Wyeth's Sage and Sulphur from your druggist, and notice the improvement in the appearance of your hair after a few days' treatment. Agent, G. W. Mahood.

BREAKS A COLD NEEDS NO HELP
Pape's Cold Compound Cures Colds and Grippe in a Few Hours—Tastes Nice—Acts Gently.
It is a positive fact that a dose of Pape's Cold Compound, taken at intervals of one hour until three consecutive doses are taken, will end the Grippe and break up the most severe cold, either in the head, chest, back, stomach, limbs, or any part of the body.
It promptly relieves the most miserable headache, dizziness, head and neck stuffed up, feverishness, sneezing, sore throat, running of the nose, mucous, catarrhal discharges, soreness, stiffness and rheumatic twinges.
Take this wonderful Compound as directed, with the knowledge that there is nothing else in the world which will cure your cold or end Grippe misery as promptly and without any other assistance or bad after effects as a 25c. package of Pape's Cold Compound, which any druggist can supply—except on substitute—contains no quinine. Relieves in every case. Tastes nice—acts gently.

LETTERS TO THE EDITOR.

Mountain Grove District is in Need of a Bank.

Mountain Grove, Nov. 9.—(To the Editor) I notice that in your editorials you are quite willing to discuss anything of importance to your readers. Having been a resident of central north Frontenac for half a century, I never could understand why, that notwithstanding the fact that the C.P.R. crosses central Frontenac, and there are three villages along the line situated in this county, none of those villages has a bank and there is no banking service in central or north Frontenac for the benefit of the people. All are in Kingston.
I have noticed that in your editorials you have been visiting the Mountain Grove alone has, during the last year, shipped in products of forest and farm more than \$100,000 worth. To say nothing about the other villages along this line. If it was in the north-west and there were a few banks through the county, they would be a bank. The banks in the cities are quite willing to do the farmers' business, but it is too far and inconvenient. Let them come and locate among us. They can live much cheaper than in the city, and find plenty of good business here. We want you to know that we had the Farmers' Bank at the Lake but they did us out of \$50,000. Not very much of a donation for the people of central Frontenac. J. R. SHORKE, Mountain Grove, Ont.

Concert at Catarqui.

Catarqui, Nov. 5.—The hockey club are practicing for an "Old Folks" concert. G. Nicol is with a hunting party in the northern woods. Mrs. Ely spent the Thanksgiving holiday with her daughter, Mrs. J. Wise, Cloyne. Mrs. Jackyl and her children, Winchester, have been visiting her sister, Mrs. E. K. Purdy. They have now left for a visit in Michigan. Mrs. Alfred Knight has so far recovered that she has left the hospital, but is still in the city under the doctor's care. W. Smyth and family, have moved into the city for the winter. Mrs. Vida Smyth is attending Queen's. The builders' mission band held a very successful pie social, last Friday evening. The programme was given by the children and was much enjoyed. Miss A. Gordon, Kingston, has been the guest of Mrs. H. J. Simpson. G. Guess has a position on the road construction gang now working on Wolfe Island. Mr. Kish has sold his farm to W. Gordon, of Pittsburg, and Mr. Rowe has disposed of his property to E. Johnson, of Kingston. The new owners will locate here in the spring. Mrs. S. Herrington, Trenton, is the guest of her parents, Mr. and Mrs. J. Hunter.
Word has been received here of the death in Winnipeg, of Mrs. John Clegg, who was formerly Miss Marion Harpell. She lived here till quite recently, when she and her husband went west. She spent most of last summer at home in hope of restoring her health, but returned to Winnipeg in the early fall. She leaves her young husband, and little daughter. The remains will be brought home for burial. On November 4th the funeral of the late Mrs. Kruger, of Ottawa, took place from the home of her father, B. Kish, in this village. On her side here she made many friends, who regret very much her early death. Her husband and four little children survive.
Mrs. Tallon is visiting her granddaughter, Mrs. W. Connolly, Mrs. Gillis, who was formerly Miss Marion Harpell. She lived here till quite recently, when she and her husband went west. She spent most of last summer at home in hope of restoring her health, but returned to Winnipeg in the early fall. She leaves her young husband, and little daughter.
