COMMENTS ON THE QUEEN'S VARSITY CLOSE SHAVE.

'Varsity Hope to Defeat McGill—Hazellet's Great Kicking Was an Obstacle to the Varsity Team.

The paid attendance at the Argo Ottawa game on Saturday in Toronto was 6,643. Receipts were almost \$3,000.

Members of the Parkdale team claim that McGill wings do a lot of illegal holding on the line. Varsity also complained of this when they played in Montreal, but Varsity have no peer as illegal holders.

McGill will be weakened in the game against University of Toronto by the absence of Captain Lee and halfback Paisley. Both are out with injuries.

If Varsity can defeat McGill, the reign of the American coach will be over. Dr. Galvin has done down in Ottawa and only Frank Shaughnessy remains.

The Ontario Agricultural College, which defeated Kingston Colleges in the junior intercollegiate, intends to challenge the O.A.F.U. for the junior dominion championship, and should these games be arranged, they expect to take the championship of the intercollegiate union to Guelph.

Montreal Herald-Mot with injuries. Varsity if the men get to work. If they don't, Jack Maynard and Pete Campbell are going to slip some of their fast stuff over on them and the championship will remain up in the Cloud City.

The Toronto World says that if the scullers expect to win against the intercollegiate union they will have to strengthen their half line, and a few tricks would not go amiss. Two bucks and a kick will not win from the college boys.

Toronto Telegram—Hazellet gave a great exhibition of booting a water-and-mud soaked ball that must have weighed nearly three pounds. He directed his punts at Crawford, who the first half played a great game, but the youngster faltered under the fusillade and commenced to fumble.

At the Intercollegiate Rugby Executive meeting in Montreal, L. Malcolm of Queen's suggested that as Queen's was halfway from both places the Varsity-McGill game should be played there. This was voted out of the question, due to the condition of the field last Saturday.

Toronto Mail and Empire—The railroads at Varsity had an idea of how bad the going was at Kingston Saturday when the Blue and White trotted out for a short signal practice last night. The uniforms were all caked with mud and still wet, from the Queen's encounter. You wouldn't be able to even bribe a cleaner to put a price on the uniforms.

The Winnipeg team, Manitoba champions, met Regina, Saskatchewan champions, on Saturday. Regina won by 5 to 0, and became western Canada champions. They will not challenge the eastern winners. Snow has fallen in the west and practices cannot be held.

What pleased the Varsity supporters more than anything else was the fact that the Queen's line didn't gain their yards once on bucks throughout the afternoon, says the Toronto Mail and Empire.

Toronto World: All the Varsity boys were pretty well used up on Saturday plowing through the mud, and many carry sore bones as mementos. All the players feel that they were lucky to win, and they certainly were surprised at Queen's form. The Presbyterians were forcing at all times, and it was only Varsity's captain who saved the day.

The Toronto Telegram says that if it is Varsity and Argos in the Canadian final, it will be a great game, with the odds on Varsity as cleaner in their catching and strong everywhere. If it is Argos and McGill the Oarsmen should win, because their style of play will fit against the Montreal students to greater effect than against the trickier system of Varsity.

Batch and Johnson of the Rochester baseball team have been sold to Binghamton of the New York State league.

The Philadelphia Americans defeated the Almedares baseball team at Havana on Monday by a score of 7 to 4.

Fred Welch, the English lightweight, regained his title of lightweight champion of Great Britain in a twenty-round fight on Tuesday with Matt Wells, the British title-holder. The fight went the full distance, Welch winning on points.

Eddie Gerrard of Ottawa will play professional hockey this winter, and Saturday was his last appearance on the gridiron. Gerrard is a grand halfback.

Disastrous if Defeated. Effect of Vote on Amendment Delays Third Reading.

London, Nov. 13.—John E. Redmond, the leader of the Irish Nationalist party, in a statement to the government reverse in the house of commons committee on the Home Rule bill, says it will result in a delay of a week and will throw the third reading of the Home Rule bill over Christmas.

To imagine that the incident would defeat the home rule measure was absurd, in his opinion, but he felt it to be his duty to raise a note of warning if such incidents were repeated the result must necessarily be disastrous.

The statement was issued with the idea of keeping the nationalist members in closer attendance at the house of commons.

No Poisonous Lead or Sulphur In Parisian Sage Hair Tonic

Banishes Dandruff and Stops Falling Hair or Money Back.

If you want a good, clean, delightful hair dressing, free from harmful ingredients, one that will stop falling hair, itching scalp, banish dandruff and add lustre to dull, faded hair, then ask for Parisian Sage and see that you get it.

The girl with the Auburn hair in every carton and bottle of Parisian Sage which is manufactured in Canada by the R. T. Booth Co., Ltd., Fort Erie, Ont. Price only 50 cents at drug and department stores and all countries where toilet goods are sold. Here's more proof.

It is indeed with pleasure that I wish to advise you of the great benefit received from the use of your Parisian Sage. I suffered from dandruff and falling hair; in fact was almost bald in spots. Parisian Sage was recommended to me, so I purchased three bottles, having finished the last about ten days ago. My head is now free from dandruff and my hair is certainly much thicker than before I began using your wonderful tonic. Might state, too, that all other so-called remedies for dandruff which I tried were of no benefit. I cannot speak too highly of the merits of Parisian Sage, and gladly endorse its use where the above mentioned conditions exist.—G. Knight, Underwood, Ontario. J. B. McLeod guarantees it.
