NEWTON GIRL

Pale, Run-down, Anemic—Restored to Health by Vinol.

Miss Katharine Burns, of Newton, Mass., says: "About six months ago I was in a run-down condition and my blood was very poor. I had taken several medicines prescribed by physicians, but they seemed to do me no good. Finally Vinol was recommended, and from the first bottle I noticed a great improvement. I have taken six bottles and I feel strong and as well as ever."—Katharine Burns.

Vinol is the greatest body builder and strength creator we know of—the curative elements of the cod's liver, aided by the blood-making, strengthening properties of tonic iron contained in Vinol, restore the lacking ingredients to the blood, and the result is health, strength and vigor.

If you need building up try a bottle of Vinol with the understanding that your money will be returned if it does not help you.
