KNOWN.

King of Bulgaria Invites a Noted Bayarian Doctor to Combat the Cholere Ravages-Russia Has Suspended Mobilization.

Sofia, Bulgaria, Nov. 20 .- The reply sent to the despatch of the grand | vizier to King Ferdinand, of Bulgaria,

"The Bulgarian government, after reement with the allied cabinets of Servia, Montenegro and Greece, informs the porte that plenipotentar-ies have been appointed with instructions to arrange with the commander-in-chief of the Turkish armies the conditions of an armistice, and subsequently to proceed to the conlusion of peace."

That the terms of the vistors will be drastic is known, but the European powers are doing their utmost to make them less harsh than was at Why Recruits Are Scarce--- No Pre- and a judicial inquiry has been orfirst mooted, without attempting to rob the Balkan confederacy of the fruits of its month's war.

With the jealous eyes of Russia on Constantinople, with the recrudescence of the Austro-Servian difficulty the other side of what hitherto has been known as European Tuckey, and with Roumania enquiring what the may expect out of the spoils, there seems to observers to be inducement for the allied Balkan nations to keep their demands within moderate lim-

to the grand vizier of their agreement to appoint peace plenipotentiaries, the allied Balkan nations notified the position of instructors. They the European powers of the step they found nothing ready for them and had taken, and thanked them for their offer of mediation.

They added that mediation was no longer necessary, as the porter had addressed itself directly to the Balkan states, who would now treat with Turkey without outside inter-

Russia Suspended Mobilization. London, Nov. 20 .- The correspond ent of the Paily Mail at Odessa telegraphs that the active military moilization which has been proceedi in Russia has now been suspended the south and southwest.

Cremate Cholera Victims.

He acted in deference to the wishes 4 of the army officers and medical men though cremation is in violation of Mohammedan religious laws.

To Fight the Cholera,

Berlin, Nov. 20 .- It is reported that cholera and typhus are causing fearful ravages in the Bulgarian ranks. Ur. Roth, a well-known physician, of Reichenhall, Upper Bavaria, has received a telegram from King Fer-dinand, of Bulgaria, asking him to come to the army field headquarters this city are careful not to excuse to combat the cholera.

Reported Peace Terms.

London, Nov. 20 .- The Ottoman government is determined not to consider peace until the Balkan allies submit conditions compatible with the honor and dignity of Turkey, according to a special despatch from Con-

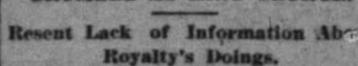

It is stated that the Bulgarian terms suggest that Turkey retain NAILS DRIVEN INTO Kilisseh, and ask that the port agree to Bulgaria and Servia autonomizin Western Macedonia and Albania, and concede the port of Dedeaghatch on the Aegean San to Bulgaria and Crete Police and other islands to Greece.
