Writer Says Majority of Canadian People Approve of Stand Taken by Municipal Union - Farmers Should Form Industrial Union.

Dufferin, Nov. 19 .- (To the Editor)-Regarding the request of the Canadian Pacific Railway, to the Dominion government, for permiaslon to issue sixty millions, of additional stock, the municipal union put in a protest to the Dominion government, against giving the C.P.R. permission to issue this stock.

I am sure that the majority of the Canadian people, heartily approve the stand taken by the municipal union, as the issue would be manifestly unfair and unjust, to the protest, as a company with the financial standing of the C.P.R., can get all the money they require, for all purposes, by the issue of four per cent debentures, which would only have to earn four per cent., where.
