THE HOME PHYSICIAN

Dr. Morse's Indian Root Pills Cure Most of the Family's Ills.

Perhaps if the children, and the "grow-ups" too, always eat exactly the right quantities of exactly the right things, at just the proper time, and in every other way obeyed the rules of health, there would be no sickness in the family, and no need of medicine.

But they never have and probably never will, so in every family there are sure to be more or less frequent attacks of sick headache, biliousness, indigestion, constipation, and kidney and liver troubles, and occasionally some one is "sick in bed".

It is worth a good deal to the mother, then, to have on hand that perfectly safe and reliable remedy for these ills—

Dr. Morse's Indian Root Pills.

They invigorate those organs which cleanse the body of waste and impurities, regulating the bowels, stimulating the kidneys and opening the pores of the skin.

Thus Dr. Morse's Indian Root Pills cure the common ailments and keep the family healthy. This they have been doing for over half a century in every part of the world.

THE SPORT REVIEW

MOVING PICTURES OF MCGILL-VARSITY RUGBY GAME.

Royal Military College Team Look the Best of the Intermediate Rugby Outfit, the Toronto Globe Says.

Frank Shaughnessy has been offered a contract to coach McGill rugby team again next season and will accept it.

Laine, McGill's great outside wing, will play Billington's position at centre half next season. He is said to be a great punter.

The moving picture films of the Varsity-McGill game, were exhibited in Montreal and turned out very successfully. Over a thousand feet were reeled off and caught the most important incidents of the game.

Toronto Globe:—The Royal Military College team looks best of the intermediate outfits for the Canadian championship. Another game such as the soldiers played here against University of Toronto seniors will beat either Ottawa or Hamilton aspirants for the intermediate title.

Rev. Father Stanton is firm in his belief that McGill would have defeated Argonauts had the champions of the Intermediate and Intercollegiate Unions come together in the semi-final for the Canadian football championship.

Representatives of the Canadian Rugby Union visited Hamilton and reported that if Alerts are returned O.R.F.U. champions, their grounds are unfit for the Dominion final with Argonauts. The Tiger grounds in Hamilton will be secured.

The Toronto Globe says:—The decision of the McGill football team to adhere to the policy of going no farther than the intercollegiate series was a capital object-lesson. It is worth something for sport in general to see that there is one organization, at least, willing to forego the certainty of a big "gate" and the possibility of a national championship for the sake of principle.

In Hockey Circles. "Basil" Frith will captain the Varsity team this winter.

Percy Le Sueur, the Ottawa goalie, says the N.H.A. is making a mistake in not installing seven-men hockey this year.

It is said that both Dr. Lafamme and Frank Rankin of Eatons will be with St. Michael's College in the O.H.A. senior series.

Ottawa Free Press: It will seem strange without Albert Kerr working along those left boards or Marty Walsh gnawing on a piece of gum in the centre this winter.

Brantford will have an intermediate and a junior team in the O.H.A. The new rink will be completed early next month.

Cunner of the Varsity team has a case of water on the knee from a football injury and will not be available for the blue and white hockey team, the candidates for which are now working out at the gymnasium.

It is possible that Skene Roman and Percy Lesueur of the Ottawa Hockey Club, may accompany Fred Taylor when the latter jumps to the Pacific Coast league.

Toronto News: Eatons took the proper course when they refused to play under an assumed name. If a player played under some other name to escape a rule he would be suspended, and why should a team sell under false colors.

Hugh Lehman is the best goalkeeper in the game, according to Lester Patrick. Lehman is now with the Westminster Club, and was formerly with Berlin in the Ontario professional league.

The hockey war is a great thing for the players. The east received a telegram from Patrick and showed it to the moguls and the clubs have to come across with a little more salary, than the contracts call for. Contracts don't seem to bother the players.

General Sport. The Alberta branch bonspiel will be held at Edmonton, beginning Jan. 15 and lasting eight days.

"Bob" Fitzsimmons, the former heavyweight champion, and his son, "Bob," Jr., are giving boxing exhibitions on the radio stage.

Promoter Coffroth of San Francisco, will try to arrange a match between Champion Wolgat and the winner of the Mandot-Rivers bout.

Ad Wolgat will sail for England in January to meet Freddie Welsh, who recently defeated Matt Wells for the lightweight championship of England.

A WONDERFUL CASE.

Three Months in Hospital and Came Out Uncured.

Freel. Mason, the well-known upholsterer and mattress manufacturer, of St. Andrews, N.B., says: "I had eczema on my knees, which caused me terrible pain and inconvenience. The sore parts would itch and burn and tingle, and then when rubbed or scratched would become very painful. When the knees got warm it burned worse, and the itching and burning and smarting were almost unbearable. I tried various remedies, but got no better, so I decided to go to Montreal and take special treatment. I received treatment at the Montreal General Hospital for thirteen weeks, but at the end of that time was not cured, and almost gave in. A friend advised me to give Zam-Buk a trial.

"Almost as soon as applied, Zam-Buk stopped the itching and the irritation. I persevered with the balm, and it was soon evident that it would do me good. Every day the pain was healed, and by the time I had used a few boxes of Zam-Buk I was quite cured.

"Since then Zam-Buk has cleared blood-poison in my finger, and at a time when my finger was in such a terrible condition that I feared it would have to be amputated."

For eczema, blood-poisoning, piles, ulcers, sores, abscesses, varicose ulcers, bad leg, cold sores, chapped hands, cuts, bruises and all skin injuries and diseases Zam-Buk is without equal. Write for a free 50c. box all druggists and stores or free from Zam-Buk Co., Toronto, for price. Refuse imitations.

At Wolfe Island.

Wolfe Island, Nov. 21.—The funeral of the late John Keyes took place from the family residence on Tuesday, Nov. 19th, at one o'clock. Rev. A. W. Stewart conducted the service and was assisted by Rev. J. Roadhouse, a former pastor. The remains were placed in the vault. Rev. A. W. and Mrs. Stewart attended the Thanksgiving tea in Princess street church, Kingston, on Tuesday evening. Elmer Woodman and family left this week for Kingston where they will reside. Mr. Woodman and daughter, Miss Olive, have been valued members of the Methodist church since for some time. Miss Woodman was the recipient of a nicely-bound hymn book. The Ladies' Aid of the Methodist church met last week at the home of Mrs. George Rathroy. Mrs. William Gillespie, St. Lawrence, is visiting her brother, W. G. Woodman.

The Deceased.

CRIMINALS WASTE LIVES.

Transgressors Gain Nothing by Violating the Statutes.

The courage of criminals is the rockiness of fools, says a writer in the Woman's World. Brave men are never law-breakers. Honesty is not afraid to face the wrong. Crime is an acknowledgement of inferiority. Thieves and murderers are low types—weaklings and unable to control their impulses and passions—chests who by their misdeeds proclaim inability to meet their fellows in fair contest.

With organized society aiding and encouraging law and order, he who believes that he can pit his wit successfully against ninety-nine per cent. of his fellows is either an ass or an imbecile.

No example more firmly establishes this truth than the recent looting of an express car by a rattlebrain who, after plundering the safe, remained upon the train and calmly escosed himself in a Pullman berth, where within a few hours he was discovered sound asleep and with the evidence of the robbery upon his person.

Any experienced jailbird will tell you that the wages of sin are not only poor but uncertain. The greatest safe robber of the century died in poverty. There is no record of a criminal or forger who was able to bequeath an estate to his family.
