Telephone No. 25.

THE HALLS OF QUEEN'S ZION CHURCH BAZAAR

ARTS SOCIETY ALSO DOWN ON THE CABMEN

And Its Members Will Walk to Dance—Progress of the Hockeyists—The Final Year Dance on Friday Night.

The Harriers' Club selected the following officers for the forthcoming year, at its meeting Tuesday evening: Honorary president, Prof. Henderson; president, J. W. D. Farrell; vice-president, H. H. Lee; secretary, J. E. McKay.

At the meeting of the Arts' Society on Tuesday evening the following motion was passed: "That the members of the Arts Society unanimously declare their disapproval of the exorbitant rates demanded by city cabmen, and their resolve to dispense with cabs for dances, except in extremely bad weather."

On Saturday afternoon next the Lavana Society of Queen's will hold its annual tea and sale in Grant Hall. The co-eds have been busy for some time past preparing for this event, which promises to excel all past achievements of the society.

The victory of the Queen's Ladies Basketball team over the K.C.I. team, on Tuesday, by the score of 7 to 5, was marred by the injury sustained by their captain, Miss Edna Henderson, who had her ankle sprained in the contest. The Queen's team consisted of Misses N. Morry, Elizabeth Chown, Gemmel, McQuay and E. Henderson.

The Queen's hockey aspirants are rounding into shape under the able instruction of Physical Director Bews, who puts the boys through an hour's work every Monday and Thursday, from 4 to 5 p.m. The nucleus of last season's team is back again, in Blakesley, Box, McKinnon and Wally Smith. "Earnie" Sliter does not expect to play and so there will be three positions to fill, two on the defence and one on the forward line. Besides many promising new men, there are several of last year's fast intermediates to fill these vacancies, including Lou Smith, Moxley, Elliott, Ray Smith, Rodden, and others. Queen's will make a determined fight to win the championship this year, and prospects seem bright for success.

Everything points to the final year dance being a great success. The invitations are unique in their originality, and the orchestra is Ottawa's best—Valentine's. The patronesses will be the Mesdames J. Watson, J. C. Connell, W. O. Wilhoft, L. Malcolm and W. L. Grant. The committee in charge is made up of M. J. Aykroyd, J. Aird, S. Parsons, V. Blakesley, J. Fower, C. Cameron and W. Pave.

The debate committee at Queen's has sustained the decision of the judges of the article 13 debate on Saturday evening last, in awarding the debate to the senior year. It will be remembered that the second speaker for the affirmative had been inadvertently allowed one minute less time than his appointed time and the second speaker for the negative four minutes in excess. After careful investigation the judges decided to adhere to their former decision and now the debate committee has sustained this ruling.

THE COLLEGIATE PRINCIPAL

Makes a Statement About Institute Hockey. Kingston, Nov. 27.—(To the Editor.)—I am told that there is considerable misunderstanding, and a great deal of idle and malicious talk about the attitude of the Collegiate Institute on the Junior hockey game. This communication is an attempt to remove such misunderstanding and to have no excuse for such talk.

It is now universally admitted, that athletics may be made a valuable part of school life, but, if such is to be the case, the athletic activities of the boys must be directed and controlled by the school authorities; encouraged when encouragement is necessary, restrained if there appears to be danger of excess or other abuse. Evident abuse, which cannot be exercised over boys who play with outside teams. If, then, can the authorities of a school entertain proposals to amalgamate the school clubs with others? In fact, to make such a proposal is evidence of a school which has lost the place of athletics in education.

Personally, I always have used, and always shall use, all my influence to keep our boys loyal to the school, and the school teams; but anyone who says that I have ever had any threat or compulsion in this end is saying what is absolutely false, and what I believe he knows to be false.—E. O. SLITER.

St. Paul's Woman's Guild Tea.

The Woman's Guild of St. Paul's church held a tea and sale at the home of Mrs. M. Coward, Pine street, on Wednesday afternoon, which was a success in every particular. Mrs. Coward, with Mrs. H. Youlden, president, received the ladies, while Mrs. W. H. Carnovsky collected the fee at the door. At the home-made table were Mrs. R. Sutherland and Mrs. H. Thurston, while Mrs. J. Savage and Mrs. Riel directed affairs at the fancy work table. The children of the Coward home had charge of the candy table. Pouring tea were Mrs. Potter and Mrs. Downey. Among those who assisted were Mrs. Batten, Mrs. M. Thompson and Miss M. Thurston.

The Roads Very Bad.

Reports from the country state that the roads are very bad. Local River men are refusing horses to go to outlying places, and the stage men are having difficulty in making their trips. Most of the stages have extra horses on in order to make their journeys.

OPENED BY LADIES' AID ON WEDNESDAY AFTERNOON.

The Affair Was Well Patronized—Mrs. John Boyd is President of the Aid Society—Bazaar Continued Thursday.

Zion church on Pine street has been, since Wednesday afternoon, the scene of a bazaar, held by the Ladies' Aid of the church, of which Mrs. John Boyd is president. The usual booths have been arranged and decked along the sides, while in the centre near the entrance, is situated the round candy booth, where a number of young ladies add to the attractiveness. They are the Misses N. Spooner (convenor), L. Bews, K. and E. McKee, N. Gibson and G. Whitfield. The fish pond is charge of the Misses Florence Cooke and L. Spooner, in a centre of assistance, the pop-corn table is in charge of the Misses Hubbell, "Willie" Spooner and Melville Boyd.

The conveners of the other tables are—Home-made, Mrs. C. Kemp, Mrs. F. Camick; apron, Mrs. D. Harris; children's fancy work, Mrs. J. McKee; fancy work, Mrs. J. Boyd; cake, Mrs. W. P. Peters, Mrs. W. Knox, Mrs. C. Crozier.

The bazaar opened on Wednesday afternoon, and will close on Thursday night. A goodly number of people attended on the first day, many purchasing Christmas gifts. Tea is served in the hall, and 170 enjoyed the menu provided by the ladies on Wednesday evening.

A few musical numbers were on the evening's programme. Miss E. Downey and A. Trussell sang solos, in good voice, and a clarinet solo was contributed by Mr. Murray.

IN MARINE CIRCLES.

Movements of Vessels Recorded Along the Harbor.

The steamer Phelps was in port on Thursday morning, loaded coal at Crawford's wharf and cleared for South with barge Acadia, to load coal for Chautauq. The Phelps is an American vessel, and while in port, the steward secured a fine big turkey, at D. J. Millan's meat market, so that Thanksgiving Day would not be forgotten by the Yankees on board.

The steamer Acadia is due to arrive at the Montreal Transportation company's elevator to-night, at six o'clock to discharge grain from Fort William; the tug Thomson, Emerson and Bronson arrived from Montreal with light barges.

The steamer Alexandria arrived from Montreal early Thursday morning on her last trip of the season. She discharged freight at Folger's wharf.

The steamer India is due down on Thursday at Garden Island, where she will go into winter quarters. During the past season she has been trading on Georgian Bay to Welland.

The steamer Prince Rupert is to load the steamer Acadia's cargo of oats at the M. T. company's elevator and take it on to Montreal.

The steamer Alexandria passed up on Wednesday night on her last trip of the season.

CHARLES DOCTEURE, SR.

Well Known Resident of Cape Vincent Dies.

At an early hour on Sunday morning occurred the death of Charles Docteur, sr., one of Cape Vincent's old and respected citizens. He died at the home of his son, John Docteur, about three miles from the village. Mr. Docteur was born in France. He came to America when three years of age with his parents. When he was a young man he was one of the pioneers of this vicinity, near what is now Rosiere. He married Miss Elizabeth Constance, who died nearly thirty years ago. He had been a lifelong resident of this vicinity with the exception of a few years he lived on Wolfe Island. He was eighty-three years and eleven months old. Mr. Docteur was the last of this generation. He is survived by two daughters and four sons: Mrs. Augustus Muscat of Rosiere, Miss Helen Docteur, Charles Docteur, jr., of Rosiere, John Docteur, Edward Docteur and Louis Docteur of the village.

A PAINFUL ACCIDENT

Sustained by R. Henry White at Work Wednesday.

R. Henry Albert street, was the victim of a painful accident, while at work on the hay market on Wednesday. A large piece of machinery, a turbine, weighing twenty-one tons, for the extension of the city light plant, was being moved from the G.T.R. freight yards at the time. Horses were pulling it along wooden tracks, when one of the wheels broke and hit Mr. Henry in the abdomen. He was taken to his home in a cab and attended by Dr. T. G. Bogart. On Thursday morning he was a good deal better.

This is chaotic weather; all sizes "Gibson's."

The horses, especially those employed in drays in this city, have been experiencing a great deal of trouble on the slippery streets, particularly on the crossings and places that have been worn smooth. Many of the animals have not yet been sharp-shod.

Why take anything your friends advise to run your cold. Gibson's cold breakers are guaranteed.

James Stewart, honorary secretary of St. Andrew's society, presented a box of heater to the Scotch booth at the convent bazaar in the city hall.

Hot water bottles, every one guaranteed. McLeod's Drug Store.

The Creche committee had a meeting on Wednesday afternoon in St. George's hall in connection with the business of the Creche. Something definite may be expected in this line very soon.

Nobody ever made the best of anything by worrying.

STILL WANT QUORUM

TO DO BUSINESS OF CITY PROPERTY COMMITTEE.

City Council Will Likely Appoint Chairman at Its Next Meeting—Two Members Responded to Call for Meeting.

The Property committee, the "hoodoo" committee, of the city council, is still without a chairman.

Another meeting of the committee was called for Wednesday afternoon, but for the second time within a few days, that body was unable to secure a quorum. Ald. Stroud and Ald. Litton put in an appearance, for the much-desired meeting. Ald. Harrison was out of the city, while the other members were conspicuous by their absence. The two "city fathers" who were present, waited patiently for half an hour to see if any of the other members of the committee would turn up, but there was "nothing doing."

It is indeed a great pity that the work of the committee should suffer in this way, and that aldermen should be called upon to give up their valuable time, for attendance at meetings, only to find that business could not be proceeded with. Last Friday an effort was made to secure a quorum, but on that occasion, Ald. Harrison and Ald. Litton were the only members on hand and it has been the old, old story of "no quorum," since last May, only one meeting being held in that time.

As a result of the negligence of the members of this committee, it is likely that a chairman for the committee will be appointed when the city council meets on Monday next. There has been some talk of having the Property and Parks committee combined, it being felt that all the business of the two could very easily be handled by one committee.

CONTRACT IS AWARDED

To Michael Sullivan for Erection of Gun Shed.

A liberal has again "pinched" a contract out of the conservative government. It is authoritatively announced from Ottawa that the contract for the new model gun sheds, to be erected at the Royal Military College, has been awarded to Michael Sullivan, of this city. His deposit check has gone through the finance department, and the matter is definitely settled. The tender of Mr. Sullivan was the lowest. This is the second time that Mr. Sullivan put in the lowest tender for this work. Then he was lowest the first time. There was a great hubbub in local conservative circles, and such pressure was brought to bear on the public works department that new tenders were called for. Then Mr. Sullivan was again the lowest when the new tenders were opened.

Appendicitis Fashionable.

Appendicitis is getting very common throughout the country. When the Kingston and Pembroke train arrived in the city on Thursday morning there were no less than four patients on board suffering from this disease. They were all removed to the general hospital to undergo operations in that institution.

Dog Owner After Antoinet.

The owner of a valuable dog is seeking to establish the identity of an automobile driver who ran over and killed the animal a few days ago. It is said that the auto man claims that the dog ran out in front of his machine and committed suicide.

SEARCHING FOR FATHER.
Frederick Giblin Supposed to Have Resided in Kingston.
Mrs. Jennie Zaldwin, of East Jordan, Mich., is searching for her father, Frederick Giblin, who has been missing for several years. It is believed that he resided in Kingston for a time and Mrs. Zaldwin is putting forth every effort to locate him. Postmaster James Stewart has received a letter from her, asking to have him look up.
"Could you give me any information regarding him?" she writes. "I have been trying to locate him for a number of years. The last time I heard of him, he was living at Kingston. If you can give me any information, kindly let me know."
Postmaster Stewart would be glad to receive any information in regard to the matter, in an endeavor to locate the missing man.

THE SUM OF \$2,500
Promised to Missions Next Year by St. Andrew's.
The canvassers for missions in St. Andrew's Presbyterian church, at a meeting, last evening, handed in the result of their two-night's canvass. The total amount subscribed for 1913 is \$2,500. Each individual member and adherent of the congregation was canvassed, and the result was in two nights by forty men going around in groups of two. Their reception by the members of the congregation was most enthusiastic, and the analysis of the canvass shows the total to be made up of hundreds of subscriptions to be contributed systematically Sunday by Sunday during the next year.

Home Dyeing
Has no terrors for me - It's simply my delight
Even Professional Dyers confess my Dyola results
DYOLA

BEAUTIFUL HAIR AT SMALL COST
A Simple Remedy Beautifies the Hair, Cures Dandruff, Stops Falling Hair.
What a pity it is to see so many people with thin, wispy hair, faded or streaked with gray, and realize that most of these people might have soft, glossy, abundant hair of beautiful color and lustre if they would but use the proper treatment. There is no necessity for gray hair, under sixty-five years of age, and there is no excuse for any one, young or old, having thin, straggling hair, either full of dandruff or heavy and rank smelling with excessive oil.
You can bring back the natural color of your hair in a few days and forever rid yourself of any dandruff and loose hairs, and make your hair grow strong and beautiful by using Wyeth's Sage and Sulphur Hair Remedy. For generations common garden Sage has been used for restoring and preserving the color of the hair, and Sulphur is recognized by Scalp Specialists as being the best for treatment of hair and scalp troubles.
If you are troubled with dandruff or itching scalp, or if your hair is losing its color or coming out, get a 50c bottle of Wyeth's Sage and Sulphur from your druggist, and notice the improvement in the appearance of your hair after a few days' treatment. Agents, G. W. Mahood.
