OF THE C. P. R. ORDERED IN ONE quadrupled in the ten years of it

The Carrying Capacity of the Railway Will be Enormously Increased-Hosts of People Engaged in

Montreal, Nov. 29 .- Forty-eight millions of dollars in rolling stock ordered in one year! That is what the Canadian Pacific Hailway has done during 1912. It is an enormous sum of noney for one corporation to approcriate in a twelve month for equipnent. It's double the amount ever ordered by any other railway system n North America in the same period. and is tangible evidence that the C.P. If, is keeping pace with the development of Canada-no matter how swift it may be. Part of the orders have already been delivered, and the balance are to be turnished as quickly as the shops can turn out the work. When the orders are completely tilled,

the C.P.R. will have in commission 2,255 locomotives, 90,416 freight cars and stock cars of all kinds, 2,161 first and second class passenger coaches and 512 tourist sleepers, dining and way is ratified. cale cars, 1,383 conductor's vans, 1, 329 boarding tool and auxiliary cars and steam shovels-to be operated on Limited, was held in Brockville. The over 12,500 miles of track. The new equipment ordered during a capital of \$100,000.

1912 meludes 467 locomotives, 26,663 nox cars, 636 flat cars, 401 coal cars, 200 stock cars, 227 refrigerator, cars, banking interests as that which has 94 first class sleepers, 3 compartment resulted from the necessity of Amer cars, 20 observation cars, 25 diners, 57 tourist cars, 117 first class and su short term financing during the pas burban cars, and 138 baggage, mail couple of years. and express cars. Four motor cars in the Clouds will be placed in com | cent, per annum, payable on Decem mission-the tracks having already ber 16th. invades that picturesque region year that of 1911. ly. The expenditure involved is \$48,-000.000, of which locomotives cost ence shares to the extent of \$210 over 89,000,000, the passenger train 000 will be offered at par to Smar cars nearly five and a quarter millions Bag shareholders. This new comof dollars and the freight and miscel J pany will have a capitalization laneous cars over \$34,000,000. The eq. \$2,500,000 preference stock and \$2 uipment is being chiefly procured in 1 000,000 common stock. t'anada, but different shops being unable to fill the orders in their entire. ed its regular dividend of 5 per cen ty the remainder had to be purchased per annum, payable January 2nd. in the United States, in order to obtain delivery within a reasonable time. The already enormous carrying capacity of the C.P.R. will be greatly in experimenting. England has finall creased when the new equipment is selicknowledged the necessity of enred and distributed. The passenger | teroplane in modern warfare, an cars would, if filled with travellers | ias placed its seal of approval there move simultaneously 165,000 people, in with an initial order for sixt who would constitute a good sized machines.
