

PONY COATS

are among the best sellers of the season

Just received a magnificent lot of skins Broad-tail Moire effect

There's something smart and chic about Pony. Many women prefer it to any other medium priced Furs.

\$50 and \$75.

50 inches long

JOHN MCKAY,

THE FUR HOUSE,

IN HOCKEY CIRCLES

DAVIDSON WILL MAKE GOOD IN TORONTO.

Junior O.H.A. Schedule to be Drawn at Belleville—J. T. Sutherland is Representing the Frontenacs

James T. Sutherland, who has returned from Toronto, states that Manager Edgath, of the Toronto professional hockey team, told him that Al Davidson, formerly of Kingston, would certainly make good on the team up there. He was sure he had a "find."

Mr. Sutherland attended a meeting of the O.H.A. executive, which drew up the senior schedule. He is well pleased with the grouping of the Frontenacs, which has a nice bunch of teams to play with.

This afternoon Mr. Sutherland left for Belleville to attend the meeting of conveners of junior O.H.A. teams of this district to draw up a schedule. Both Frontenacs and Collingiate Institute have teams in the district with Trenton, Belleville and Picton.

Beaver Hockey Club.
The Portsmouth Beavers, last winter's champions, elected the following officers:—Honorary presidents, James Campbell, T. F. Burke, J. Fisher and H. Baiden; president, F. Scanlan; treasurer, P. D. Nicholson; manager, Frank Wilson; assistant manager, George Barrett; captains, N. Wilson (senior), and J. Smith (junior); mascots, W. Wickham (senior) and H. Butler (junior). The boys from the bay will have two teams in the juvenile city league and hope to successfully defend the trophy they won last winter.

O.H.A. Certificates.
The playing certificates will be issued to the clubs to-day, and are returnable for countersigning by the O.H.A. secretary within the next two weeks. Clubs are instructed to have this matter attended to at once, so that there will be no last minute rush. Junior certificates must also be accompanied by the official birth certificates of the players, and clubs are warned that no player will be allowed to compete, under any pretext whatever, without this regulation being complied with.

City Hockey League.
The next meeting of the city hockey league will be held on Monday evening next. It is likely that during the week all clubs or teams wishing to enter the two series will be notified to enter such teams at that meeting. It was intimated on Tuesday evening that there would be six senior and three junior teams in the league this season.

TWENTY-FIVE YEARS AGO.
What Happened in Kingston and Elsewhere in 1887.

A conference of leading temperance men in the city was held in Mr. Fraser's office. A candidate for the mayor's chair was talked about, but no definite action was taken. A series of meetings were arranged for.
H. J. Ellbeck left for the west.
Commissioner Gordon's report, relating to the weighing of coal, is anxiously looked for.
The Knights of Labor have no candidate in the field, for the mayoralty. Each one is free to vote as he pleases.
A winter trotting circuit is proposed for Kingston, Ottawa, Brockville, Peterboro', Belleville and Newcastle.
J.E. Jones sold those valuable properties, nearly opposite the post office, on Clarence street, to H. Waldron, dry-goods merchant, for \$1,500.

HIS MEMORY BAD.
Member of "Prohibited List" Could Not Tell Where He Secured Liquor.
When Michael Hart appeared before Magistrate Farrell on Thursday morning for drunkenness, it was reported that he was on the "prohibited list." As a result, he was asked the usual questions by the court, as to where he had been served with liquor. He could not remember where he had secured the time it was given to him by a man, but the name of the man he could not give. The magistrate thereupon imposed a fine of \$10 and costs, with the option of a month in jail.
Another drunk who was gathered in was given a chance.

GREAT INCREASE REPORTED.
Freight Coming in and Going Out of City.
Have you noticed the great number of freight cars in the local railway yards the last few weeks? It means that the freight business, in and out of Kingston, has greatly increased. The railroads have been handling a record amount of freight, the sheds being filled to capacity. "We have had the busiest time in years," remarked one railway man to the Whig. "The freight has been pouring in all the time."
This certainly must be a sign of progress for the city.

A Quiet Wedding.
On Wednesday evening at St. Luke's church rectory, by the Rev. R. S. Forster, J. R. Johnson and Miss Nellie Clayton were quietly married. After the ceremony the happy couple drove to the home of the bride's brother, F. W. Clayton, 243 Queen street, where supper was awaiting. They left on the 2.45 o'clock train for Ottawa, and will go to Portland where they will board the S.S. Teutonic en route to England for a three months' visit with friends and relatives.

Toronto Visitors Here.
Hon. W. J. Hanna, the provincial secretary, and Sheriff Mowat, who are the principal speakers at the opening ceremonies at the Sir Oliver Mowat Memorial hospital, this afternoon, arrived in the city on the noon train, from Toronto. While in the city, Hon. Mr. Hanna will be the guest of Dr. E. Ryan, and Sheriff Mowat will stay with the cousin Col. H. R. Duff. Hon. Mr. Hanna will speak at the Canadian club dinner to-night.

Saukiet oranges. Carnovsky's.

TUBERCULOSIS HOSPITAL.

Meeting of the Directors on Wednesday Afternoon.

The Board of Directors of the Tuberculosis hospital was held, Wednesday afternoon, in the Board of Trade rooms. Present: Dr. J. C. Connell (president), Dr. A. P. Knight, Dr. A. E. Ross, J. G. Elliott, Mrs. W. S. Hughes, R. J. McKelvey, Miss Macdonell, Mrs. W. R. Duff, J. A. Minnes, Mrs. J. H. V. Crowe, R. J. Wright, Lieut.-Col. H. R. Duff, Dr. W. Gibson, B. W. Robertson, K. Meek, H. McBratney and Mayor Hong.

Reports were submitted by the various committees in connection with the completion and furnishing of the hospital, giving the details in connection with the formal opening.

The ladies of the board were appointed a permanent house committee to continue the purchase of supplies and whatever may be necessary to complete equipment.

The doctors, who are members of the board, were also appointed a committee to arrange for medical attendance.

VERY HIGH PRAISE
Accorded to Capt. Prideaux and His Company.

The play "Dandy Dick" was performed by the Kingston Amateur Dramatic club at Rockwood hospital on Wednesday evening and elicited the highest praise. Dr. Ryan says: "I have seen highly paid professional talent on the stage who could not compare with the excellent work of Captain Prideaux and his splendid cast." Captain and Mrs. Prideaux are not new before Kingston audiences and many others in the past have been seen and praised for their dramatic talent time and again.

"The Message from Mars," which the club gave last winter, will recall to the minds of many how ably they entertained and how well they showed on that occasion. Everyone interested in the promotion of native talent should see this play on Saturday at the Grand Opera house.

In a Cold Climate.
Dr. Arthur Lipman, of Kingston, a recent graduate of Queen's University, is located on the Transcontinental line near English River, New Ontario. In a letter to his parents he says that it is forty below zero there, and that it has been snowing almost every day. It is understood that Dr. Lipman will go to Toronto in the spring and start a practice there.

Gifts For Firemen.
Chief Armstrong, on Thursday morning, received two cheques for the firefighters, one for the sum of \$25 from the Montreal Transportation company, and another for the same amount from the Canadian Locomotive works. They were sent in recognition of the service rendered by the firemen at recent fires at these places.

During the forenoon the chief received a third cheque from James Swift & Company for \$25.

Fall and Winter Importations.
Prev. A. Brock street, has received all his importations for his tailoring department, consisting of suitings and overcoatings in great variety of patterns to choose from. Also large stock of ready-made clothing and gents' furnishings.

Sixty Miles New Steel.
Work has just been completed on the putting in of new steel on the Kingston & Pembroke railway from Kingston to Mississippi, a distance of sixty miles. The road is now in excellent shape. The work was carried out under able supervision.

At The Christmas Store

Radiopticon

Orders for these machines using Gas, Electricity or Acetylene should be placed at once to insure delivery for the holiday.

To those who are not acquainted with the machine it is a marvel and we are most pleased to demonstrate it for a few minutes in our special demonstrating room.

Prices from \$3.00 to \$30.00. The larger sizes more suitable for church or society work than the most expensive Magic Lanterns.

Toys and Dolls

To be told by the most discriminating shoppers that our line of Toys and Dolls is the handsomest ever shown in this city is our experience hundreds of times daily.

QUALITY was the first essential in selecting the firm from whom we purchased the goods after looking over lines from more than 50 Toy and Doll Houses.

We guarantee the QUALITY of our goods to be more than double that of other firms selling similar goods at the same prices.

Leather Hand Bags

Large Shipments Just Received. Only once in a season, and that at the holiday time, so as to secure the latest styles for gift-givers, does such a gorgeous value come into the store.

Over 500 Bags in the consignment from one of the finest manufacturers in the U.S.

Every bag is guaranteed leather, and nearly all are leather lined.

ZERO WEATHER TOMORROW.
Weather Man Gives Hockey Fans a Fine Surprise.
Get out your heavy overcoat, put on the storm windows, and fill the coal bin. This is, indeed, timely advice for the weather man stated to-day that zero weather would reach Kingston tomorrow morning. The weather man is certainly hard at work.
Hockey fans were a happy lot when they were advised that a cold spell was on the way. Members of the Frontenac hockey team are very anxious to get on the ice, and if the zero weather comes it will not take long to get them in harness.
Merchants would like to see a good fall of snow. Sleighting at this time of the year is good for the fur trade. The morning train over the Kingston & Pembroke railway to-day carried a record crowd. The visitors for the most part were Christmas shoppers.
Charles Hutton Dead.
Word has been received of the death, in England, of Charles Hutton, a brother of George Hutton, boat builder, Brockville. He left Brockville some years ago. He caught a cold at the launching of H.M.S. Iron Duke, and died the next day, from the rupture of a blood vessel in his head. He was thirty-four years of age and survived by his wife and four children.
Postmaster Receives Order.
Postmaster James Stewart has received an order from the superintendent of post offices that hereafter no advertising sealers, such as are used by hospitals, will be permitted on the face of letters. The sealers may be used on the backs of the envelopes, so people are asked to take notice.
