THE SPORT REVIEW YEAR-END FESTIVALS

TEAMS CANNOT PLAY HOCKEY WITHOUT ICE. HELD BY THREE SUNDAY SCHOOLS MONDAY EVENING.

Games This Week May Have to be Postponed - Frontenac Practice Called for Monday Night Had to be Cancelled.

Unless the weather conditions change greatly before Wednesday, Trenton and Belleville where the two first games of the Junior O.H.A. series are to be played, will have difficulty in getting ice, and it is even feared that these games will have to be postponed. Kingston, who has been best of the practice on which Frontenac relied much toward putting their team into shape at the covered rink on Monday night, had to be given up for lack of ice. Frontenac are ready, however, to send a good hockey squad of puck artists to Trenton for Wednesday. The team is included in the following list of players who will go to Trenton: Cooke, Clarke, Stanton, Ferguson, Purdie, Angrove, Milo, Dennison, Dunn, Millan, Derry, Dunlop.

In Hockey Circles. The Toronto Globe says:—Dr. Laflamme still has the \$2,000 offer of the Torontos under consideration. He has been strongly advised against taking the professional plunge, and it is scarcely probable that he will do so. New Edinburgh defeated the Sticks on Saturday evening by 9 to 3. It was the opening of the Ottawa section of interprovincial. In the N.H.A. hockey series Quebec defeated Ottawa in the former place on Saturday evening. The score was 7-3.

No Ice at Belleville. Kingston Collegiate Institute hockey team will not go to Belleville on New Year's day. E. O. Sliter received word by telephone, on Monday, that the rink would not have ice. Roger Stewart, who has been laid up for three weeks past, with blood poisoning, is recovering, and will soon be back in his place on the K.C.I. team. Meanwhile his place is well filled by Singleton.

Sporting Notes. The Connought hockey club has written Brockville to try and get a game for Friday evening. McMill and Haileybury played a close game in Haileybury on Saturday night. The winners won by 4-3. The Mail and Empire says:—"Ray Marchand, the Kingston goal-keeper, will likely be signed by the Toronto Pros."

The pro. record shows Canadians to have a clear lead in the N.H.A. due to the two victories over Toronto and the latter is at the bottom of the heap. Tecumseh are of course also without any percentage, but they are drawing fine. Art Ross, captain of the Wanderer team, will be presented with a loving cup before the Tecumseh-Wanderer game on New Year's night. The cup is the gift of his fellow players of the Wanderer Club, and the presentation will be made by the mayor of Montreal.

It has been recalled by Hartland B. MacDougall, who watched the game between the Canadians and Toronto at the Montreal Arena on Saturday night, that it was just sixteen years ago on Saturday since the Montreal victories brought the Stanley Cup back from Winnipeg, they defeating the Winnipeg Victorias by a score of six to five.

The Ottawa hockey club has entered a protest in connection with the game, which they lost at Quebec Saturday evening. They made the kick on the ground that Locket Power, who played point for the Champions in the first quarter, was not eligible, being the property of the Canadians. The Queen City fans believe that the Toronto, the newcomers in the National Hockey Association, created a favorable impression in Montreal on Saturday night, when they were defeated by eight to five by Canadiens. Experience, combined with considerable kick, won rather a decisive game for the Frenchmen.

GRAND OPERA HOUSE. Marks Company Opened Week's Engagement Monday Evening.

The return of the Marks Bros. Company at the Grand Opera House drew a capacity house last evening, when the play, "Dad's Sweetheart," was given in a manner to win the approbation and repeated encores of the large audience. The appearance of May Bell Marks was a signal for vigorous applause. In the leading role of "Mélvina Sophna Haskins" she displayed her artistic ability as an actress, and her clever elocutionary powers. Her costumes in the several acts were elaborate. Each of the other members of the company rendered the parts which were assigned to them well.

The play is a simple one, and deals with a girl who was left an orphan when but an infant, and after a course of years was found by one of her kinsfolk. The specialties were above the average, and were witnessed with pleasure. Miss Marston's contortionist efforts were loudly applauded, as were Arthur Mathews, Francis Scarr, Nina Burns, Harry Smith and George Marks in their songs and dances. The scenery and electrical effects were fine.

To-night the company present "The Village School Marm," and on New Year's matinee, "Lena Rivers," and in the evening "In the Bishop's arriage."

About Ourselves. The Whig wishes its readers a Happy and Prosperous New Year, and takes the opportunity to thank all who have contributed towards its success during the year that is just closing.

Watch Night Service. There will be a watch night service to-night, in the Holiness Movement church, corner Bagin Road and Division street, commencing at nine. Also a special revival service each evening following at 7:30. Come.

Mr. and Mrs. George Holder have returned from Saskatoon to spend the winter at Battersea. Earl Wilmut, Calgary, formerly of this city, is back here on a visit.

The Children of St. James', St. George's and Princess Street Methodist Churches Had a Merry Time.

Many happy little folks and older people were seen in the vicinity of St. James' church, on Monday evening. Each, with a bag of candy and an orange, was joyfully returning from the Christmas entertainment of the Sunday school of that parish.

Rev. T. W. Savary, the rector, presided through a splendid programme. Carols thrown on the screen from a lantern, and sung by the children, interspersed the numbers. A chorus was sung by the choir boys, the solos being taken by H. Scrutton, H. Parker and A. Ada. Daunt Hughes sang a part in the choir boys' chorus of welcome. Miss J. Eward, Miss F. Wright, Madeline Curragh and Harold Farrar played piano solos, and a piano duet was rendered by Howard and Gordon Scrutton.

A Christmas lullaby by the Misses F. Wilson and K. Matthews was appreciated, as well as a mouth organ solo by Irving Elliott, and a reading by J. R. Forster. Recitations were given by Mabel Dawson, Sadie Rodway, Bertha Smeaton, Patricia Forster, May Sharpe, Catharine Wright, May Goodearle, Harvey Elliott, Norval Wright, Emily Anderson and Marian Sagar. Splendid views were thrown on the screen of a trip down the St. Lawrence on a raft, taken by one of the parishioners, and some of his photographs on the picturesque Rideau river. Also glimpses of the country in and about Elora were given.

A handsome fountain pen was presented by A. E. Cogswell, organist, and the members of the choir, to be given to Miss M. Macmorine, who served with the choristers.

At St. George's Hall. St. George's hall was also the scene of a Christmas entertainment on Monday evening when the scholars of the cathedral Sunday school gathered for the festive occasion. Many of the little people had been dwelling in anticipation for many days, and when all was brought to a close with gifts of candies and fruits and they wended their way homeward, there were no regrets to any part of the programme.

The event commenced at 6:30 o'clock with a banquet, served by the teachers, at which about 250 partook. A lantern talk followed by Canon Starr, Miss Hazel Browne and Prof. Pumme played pleasing piano solos, and G. H. Gillespie gave recitations. Carols were sung by a number of the children, and prizes for attendance and work during the year were distributed.

Princess Street Entertainment. Princess street Sunday school held its annual Christmas tree on Monday evening, when a large number of the scholars were present. C. N. Meserve, general secretary of the Y.M.C.A., acted in the capacity of chair man.

The cantata, "Santa Claus and His Friends," was given. The following took the leading parts: Fred. Ruth erford, Maud Graves and W. J. Timmerman. A number of recitations and songs were given during the scenes, the following taking part: Miss A. Parrott, Miss Maud Bryant, Miss Margaret Timmerman, Earl Sharpe, Miss Bailey, Miss A. Payne, Roy Sharp and Miss G. Peters.

After the entertainment the children were presented with prizes. Ad. Spooner was presented with a Bible by the pastor, Rev. F. G. Robinson, who having been present at church every Sunday during the year.

WOULD COST TOO MUCH To Make G.T.R. Line Changes a Kingston Just Now.

A letter from E. J. Chamberlain, president of the Grand Trunk railway company, was read at the City Council meeting Monday evening. It was in reply to one the council had authorized to be written him on the 25th of November, and stated that he had the matter of changes of the company's line into Kingston carefully looked into and found that the cost would be about one million dollars. No doubt the changes would be desirable, President Chamberlain said, but owing to the financial situation the company did not care to make such an expenditure at the present time.

Read of Death in Whig. Justice J. C. McKorkill, of Quebec, president of the historical society of Missisquoi county, of the French province, read in the Whig details regarding the death of Princess Agnes Salm Salm in Germany. The deceased was born at Phillipsburg, in that county.

Mr. McKorkill writes to Consul F. S. S. Johnson, of this city, a notice of the late princess, stating that, in 1910, a portrait and sketch of his aunt was published in the Sherbrooke Record, and last year a more extensive sketch found publication under the heading, "The Wonderful Romanov garden, recently landed, who had great difficulty in acquiring a knowledge of geography. The son of the household, failing to teach the gardener in any other way, brought out a huge, highly colored map of the country in question. The Scot looked at it critically.

"Ah, yes, lad; that may be, but it's no to be trusted. It's laid out in the plaid o' the loon' MacFleethons," was his comment. His Opinion of the Cook. "Charley," said young Mrs. Torkins, "our cook wants more wages."

MEETING OF CREDITORS. Of Hardy & Brawley Was Held on Monday. IN MILITARY CIRCLES. R.C.H.A. Band Paraded to Sydenham Street Church. The meeting of the creditors of Hardy & Brawley on Monday resulted in arrangements for the closing up of the estate to the best advantage possible. A statement was presented by the assignee giving the nominal assets as \$3,371.50; liabilities, \$10,598.72, of which \$181.52 is preferred, being for rent and wages. This leaves \$3,190.78 to satisfy the demands of the open accounts. The entire assets of B. Brawley are reckoned, and this means ruin to the man who, though a member of the bankrupt firm, was not a party to its uncertain transactions. The creditors appointed W. H. Craig as assignee and George Smythe and W. B. Mudge as inspectors, and instructed them to wind up the estate as soon as possible. Among the peculiar transactions of C. O. Hardy, which came up at the meeting, was one with a local woman in which he gave her \$100 cash and she gave him a note for \$200. This proceeding leaves the woman liable for the amount of the note. Mr. and Mrs. Charles Holder, Battersea, who have been in Saskatoon all summer and fall are home for the winter.
