Mr. Spalding had waited all his life, Micawberlike, for something to turn up. Mrs. Spalding, like Mrs. Micawber, had never entertained any intention of deserting him, and the small Spaldings, a round half dozen, followed the example of unfailing op-timism set for them. But faith, with its mountain moving power, is seldom sufficient to remove other obstacles and the mountain of poverty is not stirred thereby.

existence, but a singularly happy one. balt, will sail from New York with flat. There was always enough and a little a party of wealthy people from Tool The purchasing of the new furni-
