GANANOQUE WEDDINGS

FRANK BRITTON WEDS MISS ELIZABETH DEMPSTER.

Daughter of Town Councillor Cole Wedded to Arthur Belle—The Dedication of the New Masonic Hall.

Gananoque, Jan. 30.—At St. Andrew's Mass at 11 a.m., yesterday, a quiet wedding was solemnized by Rev. Henry Gracey, when Miss Elizabeth Dempster, daughter of Mr. and Mrs. James Dempster, was united in marriage to Frank Britton, son of Mr. and Mrs. W. H. Britton. Mr. and Mrs. Britton left for Toronto, whence they leave this afternoon for their new home at Pincher Creek, Alta. Both are natives of the town and held in high esteem throughout the entire community.

A pleasing social event took place at the home of Town Councillor and Mrs. Frank Cole, Charles street, at 8.30 o'clock last evening, when their only daughter, Miss Lydia Beatrice Cole, was united in marriage to Arthur Belle, son of Mr. and Mrs. Gilbert Belle. The ceremony was performed in the parlor, which was tastefully decorated for the occasion by Rev. H. Gracey, pastor of St. Andrew's church. The bride's gown was a handsome creation of white satin, lace and pearls, and her numerous and handsome wedding gifts attested to her great popularity among a large circle of friends. Among the treasured presents was a handsome Bible, presented by the Willing Circle of King's Daughters. The wedding march was played by Miss H. Eulalie Salter. An informal reception was held during the evening, and guests were entertained until midnight for Toronto, where they join Mr. and Mrs. Frank Britton this afternoon, and proceed westward together as far as Winnipeg, where Mr. and Mrs. Belle will locate for the present.

The annual tea meeting of the congregation of St. Andrew's church was held last evening, under the auspices of St. Andrew's Y.P.A. Tea was followed by an excellent programme, in which Arthur Craig, of Kingston, gave several excellent selections. It is expected that the affair will not somewhere about \$200.

The second day of the fifth annual mid-winter show of the Gananoque Poultry, Pigeon and Pet Stock Association passed off very successfully at the Armories. There was a fair attendance. The main attraction during the afternoon and evening was lectures by Miss Yates, one of the government's special lecturers, on preparing poultry for the table and for the market.

A pleasing Masonic function was celebrated, on Tuesday evening, when R.W. Bro. Aubrey White, of Toronto, W.G.M. of the Masonic order in Canada, paid an official visit to Leeds Lodge, No. 201, A.F. & A.M., and formally dedicated their handsome new lodge rooms. Among the visiting brethren were D.D.G.M. Abram Shaw and George Cook, Kingston; R. R. Phillips and J. W. McAlpine, Malton, and many others. After the business session of the gathering, to the number of about 125, repaired to the Masonic dining hall, where a supper was provided, W.M. R. J. Webster acting as toastmaster.

BETHEL CHURCH PROSPERING.

The Annual Meeting Held on Wednesday Evening.

The members and constituents of Bethel Congregational church, with visiting pastors, and their wives, met Wednesday evening in the Sunday school room and crowded all the supper tables to overflowing, then stayed to transact the annual business of the congregation. D. J. Dewson manipulated a beautiful Victoria before and during the supper. The Ladies' Aid and young women served the tables. About 130 were present.

The pastor submitted all the financial reports of the church, societies, Sunday school, and their respective affairs in a single printed sheet. George Mills, the efficient church secretary for many years, made a general survey of the 1912 work in his minutes and his written report. Mrs. Alexis Kennedy, secretary of the Ladies' Aid, also reviewed its work. John Veale, treasurer, was absent in Alberta, but his department showed a balance of \$150.57, and all bills paid.

A summary of all departments revealed the church had \$3,382.74 in cash available during the year; had used \$2,883.21, and carried balance into 1913 of \$449.53, with no incumbrances or debts of any kind, on real estate, furnishings or undertakings.

The church contributed \$747.06 to home and foreign missions, works of mercy and charities. For every dollar spent in maintaining the work, it gave and collected thirty-five cents for others. The special evangelistic meetings held last spring expended \$341 more. Bethel Sunday school contributed \$126.37 to missions and hospitals, part of which was money raised in 1911. The organized classes, teachers' association and athletics in the Sunday school had \$128 in their work, and the general Sunday reports of the school amounted to \$187.52.

The church membership roll was purged in December, 1911, of all deadwood, and can be said to be fairly accurate now. There are 149 on the roll. Thirty were added during 1912: twenty-six of whom were received by confession of faith; January 1st, 1911, the membership was 89.

An evangelistic campaign under William D. Lounaster, of Pennsylvania, to continue indefinitely, will begin July 23rd.

The pastor referred to several young people making preparations to enter distinctive Christian work as a motive and profession, some of whom are in Bethel. Gratitude was expressed by Deacons Miles and Butler from their congregations, and Rev. John Webster made a New Year call.

Clearing sale men's working boots, \$1.75; moulder's gaiters, \$1.50. Dutton's, Ill.

The Toronto Board of Trade may advocate universal military training in Canada.

SYDENHAM HIGH SCHOOL

Is Suffering From a Lack of Funds.

At the Thursday morning session of the County Council, considerable time was taken up with a discussion of the financial condition of the Sydenham high school.

Three of the trustees of the school, namely, James O'Brien, Joseph Duff, and J. Sigworth, addressed the council, and asked for an increase in the annual grant from the council for this institution. Finally, on the motion of Councillors Gordon and Fisher, it was left in the hands of the Committee on Printing and Education, for a report. The high school now receives \$2,700 annually from the council.

Joseph Duff, the treasurer of the school board, read a detailed statement. It showed that the school had been running behind financially, especially during the past two years. There is now an indebtedness of \$2,100. The trustees have been borrowing money for maintenance. The deficit was due to the increase in the teachers' salaries, and advances generally. The grant had remained the same and there had not been sufficient increase in the number of the pupils attending to make much difference in the revenue from fees.

All those around the board expressed their views on the matter. An increase in the fees was suggested. Councillor Sleeth did not favor this, as he thought it would have a tendency to keep poor children from attending the school. An advance in the fees from the present rate, \$5, to \$10, and an increase in the grant by \$500, was suggested by Councillor Franklin. Councillor Hamilton agreed with him.

Councillor Freeman was opposed to raising the tuition fees for the same reason as Councillor Sleeth. He held that the county should maintain this school.

Councillor Foley intimated that all those who had been voicing their views were residents of the townships near the school. Parents at the front of the county, he claimed, could send their children more cheaply to the Kingston Collegiate Institute and pay their board. A number disagreed with Councillor Foley, among them Councillors Thompson and Salmond.

Retrieving the situation, Councillor Salmond advocated a considerable increase in the fees, but Councillor Donaldson held that the county on a whole should maintain the school. Councillor Freeman noted that the county did not seem to be united on the question of maintaining the school. He felt that it should be.

Councillors Gordon and Fisher introduced a motion, which caused considerable amusement, and was afterwards withdrawn. The township of Storrington should pay \$300 per annum for the maintenance of the school, and the council increase the grant by \$500.

William Griffith, of Sydenham, reported on the condition of the Sydenham high school wall which fell in December, 1911. The contractor, Mr. Lakins, has been at a loss of \$1,300 to renew it. Mr. Griffith stated that it fell because it has not been properly bedded, and was not in first-class condition. Councillor Freeman strongly advocated placing the matter in the hands of the Committee on Printing and Education, which was done. The county had engaged an architect to supervise the work, which had been done unsatisfactorily by the sub-contractor. He did not think that Mr. Lakins should have to stand for the loss. The blame should be attached to somebody. Councillors Salmond and Franklin thought that the council should aid the matter.

Rev. A. E. Smart, Children's Aid agent, spoke before the council at the morning session, strongly advocating the appointment of a transient officer in every township in the county. He said that it has been found that many of the cases of neglected children could be traced to lack of school attendance when young. Much money was being spent on schools, and the parents should be forced to have the children attend.

Councillors Freeman, Hamilton and J. Thomson were appointed a committee to confer with legal counsel regarding the damage to the roads and bridges from the overflow of the Napawan river.

Joseph Hawkey, the deputy reeve of the township of Kingston, resigned from the Good Roads committee, on which he was placed on Wednesday, and his resignation was accepted. His name was added to the Committee on Roads and Bridges.

A resolution of condolence was passed and will be extended to the widow and family of the late James McGrath.

Horse Resented Snowball.

The sport of some thoughtless person on the market square on Thursday morning, was very nearly being costly, and might have been as serious to him as to any one else. When the market was crowded, and the meat delivery rig of John Gowdy, butcher, stood on the corner, some one threw a snow ball at the horse, which is a young bronco, and anything but even in disposition. In the kicking match that followed the rig was only saved by the kicking strap which confined the movements of the angered beast. He could not get far among the crowded rigs, but much damage might have been done.

The Late Miss Lucas.

Allisonville, Jan. 27.—The funeral of the late Miss Tom Lucas was held at the residence of Mr. and Mrs. Bruce McPaul, on Friday afternoon, Jan. 17th, and was conducted by the pastor, Rev. R. T. Williamson. The choir of Bowerman's church rendered an impressive and suitable hymn, and at the close of the services G. M. Weeks sang "Face to Face." The remains were taken to Moscow for interment. Mrs. M. Pringle, Mr. and Mrs. Sills, and Mr. and Mrs. Davidson, of Napanee, attended the funeral. The heartfelt sympathy of this community is extended to Mr. and Mrs. McPaul in their bereavement.

Sale: Men's \$4.50 extra strong tan boots, \$3. Dutton's. It is easy to economize when you are broke. Family trees sometimes bear bad fruit.

THE SPORT REVIEW

THE FRONTENACS MET DEFEAT AT TORONTO.

St. Michael's Trounced Them by 17 to 2.—Kingston Won District Curling Cup—Other Sporting News.

The Toronto Globe says: "Uncle Jim" Sutherland's Kingston Frontenacs put up the worst exhibition of hockey yet shown by a Kingston team when his O.H.A. aggregation was whipped by St. Michael's, 17 to 2, at the Arena Wednesday night. Despite the fact that the local team was 10 to 1 favorites a large crowd was present, which shows the patriotic following that the "blue shirts" have.

St. Michael's—Goal, Thompson; point, Murphy; cover point, Disette; rover, Rankin; centre, Laflamme; right wing, Richardson; left wing, McCanus.

Kingston—Goal, Connors; point, Hyland; cover point, Nicholson; rover, Angrove; centre, Crawford; right wing, Cook; left wing, Reid.

Referee, Lawson Whitehead, Toronto.

Kingston Won District Cup. The district cup games began at the local curling rink on Wednesday afternoon. The finals were played off on Thursday morning when Kingston defeated Belleville.

Colborne, Cobourg, Campbellford and Prescott defaulted.

In the first round Belleville defeated Brockville, 37 to 31. Eastern Hospital, Napanee and Kingston drew the byes.

In the second round Kingston defeated Napanee 42 to 28, and Eastern Hospital lost to Belleville by 27 to 26.

In the finals, Kingston defeated Belleville by 33 to 21, as follows: Kingston—W. B. Dalton, skip, 18; R. D. Sutherland, skip, 15; total, 33.

Belleville—J. A. Davidson, skip, 3; A. Jones, skip, 18; total, 21.

Township Hockey. The following is the standing of the Township Hockey League, showing Cataragui and Front Road in the lead:

	Won.	Lost.	Tied.
Cataragui	2	3	1
Front Road	3	1	1
Glenburnie	1	1	1
Glenvale	0	3	1

Hockey Notes. The cadets of the Royal Military College hockey teams have been suffering somewhat from inactivity on account of being unable to practice. However, on Wednesday evening they had a work-out on the covered rink.

The cadets are slated to play Queen's II in the intermediate intercollegiate series on Feb. 10th and 12th.

Frontenacs and Pictou will meet on Friday night to try their mettle in the junior O.H.A. series, provided there is ice.

Hockey Thursday Night. Wanderers, 6; Tecumsehs, 2. Quebec, 5; Ottawa, 3.

More Military Changes. Capt. A. O. Lambert, for the past few years paymaster of this division, is to go to Ottawa, it is understood, and Capt. S. P. Layborn, past paymaster of the thirteenth military district, comes to Kingston.

Further, it is stated that Lieut. Col. James Massie, principal veterinary officer, will retire and another of the senior officers is slated for a transfer on April 1st.

Appointed Administrator. Archbishop Spratt, of Kingston, has appointed Ven. Archdeacon Casey, of St. Mary's church, Lindsay, administrator of the diocese of Peterboro, pending the appointment of a successor to the late Bishop O'Connor.

May Lose His Sight. George Cotman, jr., Cherry street, employed in the Locomotive Works, as a boiler maker, met with a serious accident on Wednesday. He received a blow in the eye and it is feared he might lose the sight.

On account of the American channel filling with ice it was found necessary for the steamer New Island Wanderer to go in winter quarters on Thursday morning.

Four persons were killed and twenty were hurt in a fire which destroyed the Marco hotel, Chicago, early Thursday morning.

There is a possibility of war between Rumania and Bulgaria.
