## CLOGGED NOSTRILS OPEN AT ONCE, HEAD COLDS AND CATARRH VANISH

In One Minute Your Stuffy Nose and Head Clears, Sneezing and Nose Running Cease, Dull Headache Goes.

Try "Ely's Cream Balm." Get a small bottle anyway, just to try it—Apply a little in the nostrils and instantly your clogged nose and stopped-up air passages of the head will open; you will breathe freely; dullness and headache disappear. By morning the catarrh, cold-in-head or catarrhal sore throat will be gone. End such misery now! Get the small bottle of "Ely's Cream Balm" at any drug store. This sweet, fragrant, balsam dissolves by the heat of the nostrils; penetrates and heals the inflamed, swollen membrane which lines the nose, head and throat; clears the air passages; stops nasty discharges and a feeling of cleansing, soothing relief comes immediately. Don't let awake to-night struggling for breath, with head stuffed; nostrils closed, hawking and blowing, Catarrh of a cold, with its running nose, foul mucous drooping into the throat, and dry dryness is distressing but truly needless. Put your faith—just once—in "Ely's Cream Balm" and your cold or catarrh will surely disappear. Agent, G. W. Mahood.

## THE SPORT REVIEW

### COLLEGIATES WON JUNIOR O.H.A. GAME BY 8 TO 1.

Defeated Belleville on Wednesday Night—Half-time Score Was 4-10—Garrison Sergeants Form An Indoor Baseball League.

Kingston Collegiates sprang a surprise on Belleville on Wednesday evening by giving them a bad beating at the covered rink in the scheduled junior match of the O.H.A. series. The score was eight to one, the widest margin of victory of any Kingston team this winter. Collegiates with this win put themselves in running order for the championship of the O.H.A. and put the chances between two local teams, themselves and Frontenacs.

The last ice work of K.C.I. was a surprise to the visitors who claim that in Belleville they did not show any of the work of last night. The ice was poor in Belleville. The latter claimed that lack of team work was responsible for its loss and an observer might add that the visitors bunched the play too much on reaching the local nets. The forwards, after carrying down beautifully, would meet K.C.I. defence together, thus making it easy for Stewart and Singleton to smother their shots. Had they spread out more here there might have been a different tale. Then they shot from away back and not more than half a dozen times during the whole game, did they bore in on the local nets and do any real shooting. The Belleville men did not lack speed, however, and Hingston and Wallace repeated a two-man combination over and over which resulted in their only goal, shot by Wallace after fifteen minutes play in the last half.

Williams and "Jim" Stewart were the strength of the local team, and Cooke, who followed up every combination most dutifully, redoubled the scoring chances when a player lost the puck at Belleville's defence. "Charlie" Stewart is a wonder in the nets, but Belleville did not put him to any severe tests last night. Wallace, on Belleville's right wing, deserves credit for his fast skating and excellent stick-handling, and Brotherhood in goal made some beautiful stops. But for him K.C.I. might have made a much higher score.

Singleton, who replaced Brownfield on the defence, deserves praise for his playing, and although Brownfield's rushes were missed, he could hardly surpass Singleton for defence work.

In the first half, after a long bit of two-man combination between "Jim" Stewart and Singleton, Stewart scored. "Jim" was right there with his winning ways, and figured in nearly every score. He shot the next two after breaking up a combination of Belleville and carrying up with Williams and Toland. He scored the third goal also, while the fourth was pushed in by Williams from a mix-up in front of Belleville's nets.

The first fifteen minutes of the last half passed without a score. Belleville started the fun by Wallace, all alone, who, with some skillful stick work, came down and shot, giving Belleville its only goal.

The fifth tally was made for the home team by Stewart taking a pass from Williams, and scoring twice for K.C.I. Toland scored the last. The teams were: Belleville—Goal, Brotherhood; point, Whittle; cover, Finkle; rover, Hodgins; centre, Higgins; right wing, Wallace; left wing, Gerrard; forwards, Collegiates; G. C. Stewart; point, A. Singleton; cover, R. Stewart; rover, H. Cooke; centre, J. Stewart; right wing, Toland; left wing, Williams.

Referee—W. F. Hancock, of Bowmanville.

### Coming Hockey Games.

Next Monday and Wednesday nights, February 10th and 12th, weather permitting, the hockey games in the intermediate intercollegiate will be pulled off on the covered rink, Royal Military College I and Queen's II will play at this comparatively late hour of the season. The games count by points, and the winner will meet the leaders in the Toronto and Montreal group. Cadets will have practically the same men as last year's championship aggregation. Queen's II line will be picked after the practice on Thursday noon.

Owing to the difficulty of securing dates at the rink, the junior intercollegiate schedule has not been drawn up. But an endeavor is being made to arrange double-headers when the intermediate and junior teams may play. Which one of the latter four, Queen's III, R.C.I. II, K.C.I. or Regopolis, has not yet been decided.

### Indoor Baseball League.

An indoor baseball league, to be known as the Garrison Sergeants' Baseball League, has been organized, with three teams in the group. The games will be played in the Armouries, commencing on Tuesday evening, February 11th, when R.C.H.A. and 14th P.W.O.R. will meet. The following schedule has been adopted: Feb. 11th—R.C.H.A. vs. 14th P.W.O.R. Feb. 13th—14th P.W.O.R. vs. military staff clerks. Feb. 15th—Military staff clerks vs. R.C.H.A. Feb. 20th—R.C.H.A. vs. 14th P.W.O.R. Feb. 25th—14th P.W.O.R. vs. military staff clerks. Feb. 27th—Military staff clerks vs. R.C.H.A.

### New Athletic Club.

A new athletic club is getting into shape for next summer, and may be expected to spring a sensation in the baseball season. This is the Ontario Bar-tell Club. This club at present includes only youths of seventeen and under, who are in the field to challenge all comers, in their own class. As far as the members of the club at present are aware, they will run an independent line, but there is also some talk of entering a team in the city baseball league.

The club has secured new rooms, and will remain intact for the season of summer sports.

### Beavers at Cataract.

The Beaver hockey team of Port-mouth, which has been entered in the senior city juvenile league, goes to Cataract, on Thursday night, where the Bay boys play the juniors of that village. A number of fans will accompany the team, which will line up as follows: Goal, Forsythe; point, Scanlon; cover, Wickham; rover, Wilson; centre, Barrett; wings, Smith, Johnson.

### Kingston Team Beaten.

The London Life Insurance hockey team paid a visit to Nanawee, Wednesday night, and lost in a game with the team there, by a score of 7 to 4. It was a good, clean game, and very interesting. The team Nanawee put up is one they are coaching, to enter the senior O.H.A. next winter, and is composed of some good husky players, who give every appearance of making good. The Kingston team put up a fine game. G. B. Curran, of Nanawee, was referee, and the teams lined up as follows: London Life—Goal, Sowards; point, Williams; cover-point, Stanbury; rover, Rogers; centre, Sleeman; left, Duffy; right, Crawford.

### Black Cats Beaten.

At Palace rink, on Wednesday afternoon, the Wanderers defeated the Black Cats, in the first game of a junior "junior" series. The little chaps went into the game for all they were worth, and the contest proved very interesting to the spectators. The small boys showed that they could play the game as well as the older boys, and as for stick-handling, they had it over the others "like a tent," as they say in hockey circles. There is keen interest in this league, which promises to be the sensation of the hockey season.

### THE BRIDGE TOLLS SIGN Has Been Handed Over to the Historical Society.

The Kingston Historical Society has come into possession of another valuable addition to its store of relics. The Minister of Public Works has instructed that the old board, on which was denoted the tolls, which has been on the front roof of the Cataract bridge house for the past eighty years, should be handed over to the society. The board was removed from its position on Thursday morning and becomes the property of the society. The rate of tolls is hardly legible, owing to the paint being worn off with the weather. It is understood that it was never renewed during the four score years which it has been on the bridge house. Behind it was a quantity of earth and refuse that had accumulated during its life. As the bridge is now government property no tolls are charged.

### MOVEMENTS OF HAY.

### There Will Soon Be Much of it on Market.

The farmers are waiting for good sleighing to rush their hay into the city. Still, with the wheels, over these loads have been weighed at the hay market since Monday. It sold for from \$13 to \$12.50 a ton. When the ice in the harbor tightens, up sufficiently the hay from Wolfe Island will be brought over. A local dealer says it will take a drop in price when these conditions materialize. The street market, on Thursday, was rather small and the island market the same. The general price of eggs was 30c. a dozen, with butter from 28c. to 30c. a pound. Turkey, fowl and chicken (somewhat scarce), were offered for 20c. to 22c. 12c. to 14c., and 15c. to 16c. a pound respectively. Beef was offered for 7c. to 9c. a pound; pork, 12c. to 15c. a pound, and mutton, 12c. to 15c. a pound.

### IN MEMORY OF THE LATE CANON COOK.

Written by a Convict in the Portsmouth Penitentiary. You have left your bed at midnight, While the storms were raging high; To the call of some poor convict Who was about to die.

You sat beside the convict's cot, And soothed his burning brow; There are many kind and loving deeds Registered in heaven for you now.

Though your eyes are closed forever, And your lips are sealed in death, The memory of your cheerful face Lingers with us yet.

### A Boy Severely Burned.

Lorne Albertson, the youngest member of the White composing-room staff, and a very popular little fellow, suffered severe burns to his face and head at his home, on Princess street, on Wednesday evening, which will confine him to bed for a few days. The young members of the family were endeavoring to put his into the kitchen fire by adding a little coal oil. The flames leaped up, and burned "Larry" quite severely.

### No Police Court Session.

Magistrate Farrell had an off day from police court business on Thursday, there being no cases on the blotter. The police had a very quiet time all day Wednesday and Wednesday night. No arrests were made and there was no complaints.

### Military Notes.

Lieut. L. M. Hughes has been transferred from No. 1 Company, R.C.G.A., Halifax, to "A" Battery, R.C.H.A., Kingston. A cadet corps has been formed in the high school at Madoc.

### Rheuma.

The Great Rheumatic Cure, at McLeod's Drug Store. H. A. MacNab, Montreal, has increased the amount of damage for which he is alleged to be liable for the death of the late George S. Keel.

## CHILDREN'S AID WORK

THE ANNUAL REPORT HAS JUST BEEN ISSUED.

Work Done By the Local Agent Last Month—Rev. S. J. M. Compton Was Elected a Member of the Council.

The sixteenth annual report of the Children's Aid Society of the city of Kingston and County of Frontenac, has been published, in very attractive form. It contains cuts of some of the children who have been dealt with, all of whom are now in good homes, happy, and have, to use the common expression, "made good." A resume of the business done at the annual meeting last November is given and the inspector's report is printed in its entirety. Copies of the report have been distributed to the mayor and members of the City Council, and will be addressed to interested citizens and friends in the county.

At the monthly meeting, in the police court, on Wednesday afternoon, the report of the inspector, Rev. A. E. Smart, showed that during the month of January, the following work was accomplished by the agent, in addition to other kindred interests: Visits and interviews, 137; children involved, 43; warnings given, 17; police court attendance, 10; children in court, 15; children made wards, 6; sent to industrial school, 2; children placed, 1; removals from foster homes, 1.

Rev. S. J. M. Compton was elected a member of the council of the society, and a resolution of condolence was passed to the family of the late Canon A. M. Cooke, who was always in sympathy with the work of the children's aid.

## MOTT'S "Elite" Chocolate

10c Cakes

Among the American tenors to come out strongly for "grand opera in English" is Joseph F. Sheehan who with his large company come to the Grand Opera House Saturday, Feb. 8th, in "Il Trovatore," for a matinee and "The Love Tales of Hoffman" in the evening.

As leading tenor of the Castle Square and Henry W. Savage's Grand Opera companies, grand opera in English was advanced beyond the confines of a fad, and no singer of those days contributed more to that worthy innovation than Mr. Sheehan. His present company has been made up of singers imbued with Mr. Sheehan's ideas and the repertoire has been arranged towards that end. The star never had a better company than the one which supports him this season.

For a special twelve weeks' tour Mr. Sheehan has secured the services of Mrs. Emily Grey, famous barpiet, direct from Covent Garden, London, England; Miss Sibley Remus, violinist virtuoso, Paris Opera Company, and a special grand orchestra and the best of England's foremost conductors.

## Why Be a 3 per center?

We paid a cash dividend of 20 per cent in addition to a stock bonus of 80 per cent to our sixty-seven shareholders, on the paid-up capital stock, December 31st, 1912.

## HOME FROM WATERTOWN.

Members of Iroquois Club Attended a Banquet.

James Kane, J. Garrigan and E. Martin, have returned from Watertown, N.Y., where they attended the fifth banquet, of the Iroquois Club, of that city.

The banquet was a grand success, members being present from New York, Rochester, Syracuse, Albany, Regina, Sask., and Kingston. Leo A. Kane, of Ottawa, and J. Kane, of this city, were among the speakers of the evening.

A feature of the banquet was the presentation of a large bust of an Indian chief, by the Watertown Club, to the Kingston Club.

Montreal Methodists propose to raise a quarter of a million dollars in a week for a new theological college.
