

TO BENEFIT OTHER SUFFERERS

You May Publish My Letter About "Fruit-a-tives"

Mr. Jones is proud to acknowledge the great debt of gratitude he owes "Fruit-a-tives". He is glad to have his letter published in order that other sufferers may be induced to try these wonderful tablets made of fruit juices.

SARNIA, ONT., FEB. 24, 1913
"I have been a sufferer for the past 25 years with Constipation, Indigestion and Catarrh of the Stomach. I tried many remedies and many doctors, but derived no benefit whatever. Finally, I read an advertisement for "Fruit-a-tives" I decided to give "Fruit-a-tives" a trial and they did exactly what was claimed for them. I have now taken them for some time and find they are the only remedy that does me good. I have recommended "Fruit-a-tives" to a great many of my friends, and I cannot praise these fruit tablets too highly."

THE SPORT REVIEW

"JACK" JOHNSON CANNOT ENTER INTO CANADA.

St. Michael's and Orillia Hockey Teams May Take a Trip to the Old Country—Varsity to Play Off With O.H.A. Champions.

The Ottawa hockey club will drop about \$2,000 on this season. Up to the present time the financial statement would show about \$1,000 to the bad, but there is still one more sale, which is expected to reduce the loss by \$1,000.

"Jim" Flynn, the heavyweight pugilist, has refused an offer to become a baseball umpire. "Jim" says that he doesn't mind fighting, but umpiring is a bit too rough for him.

Varsity has received notice as intercollegiate hockey champions, to play off with the O.H.A. champions in a sudden-death game for the Allan Cup, the winner to go to Winnipeg to play Winnipeg, the holders.

The Philadelphia American league baseball team left Monday for its southern training camp at San Antonio, Texas. There were twenty-five in the party. Several players will be picked up in the west.

By the terms of a general order issued by the Canadian government to the immigration inspectors at all border points of the dominion, "Jack" Johnson, the pugilist, has been barred from admittance into Canada.

New York Times.—It has been definitely settled that the Canadian professional hockey games will be played here on March 8, 10, 13 and 15. Ottawa will participate in the opening games against Quebec or the Canadiens, the French team, and the winner of the opening series will play off the finals with the Wanderers of Montreal.

If St. Michael's hockey club win the senior O.H.A. championship, it will in all probability, take a trip to Europe, playing in England, France, Switzerland and Germany.

A Very Sudden Death. Windsor, Ont., Feb. 26.—Another old and tried employee of the Grand Trunk has been called away by death in the person of Alfred E. The Death of Their Kinsman, Says Younger Brother.

Milwaukee, Feb. 26.—My brother was a martyr to his own conscience—a hero.

This was the comment of Carlos Madero, the eighteen-year-old brother of the assassinated ex-president of the Mexican republic, as he boarded a train to return to St. John's Military Academy, after spending the week-end at the home of schoolmates here.
