WITH THE CURLERS

KINGSTON JUNIORS WON FROM BELLEVILLE.

But the Seniors Were Defeated—How the C.O.C.L. Series Stands—Ladies Curling Games.

The last home games for the Kingston Curling Club were played Wednesday evening, with Belleville, in the Central Ontario Curling League. The Kingston juniors, with John Birkett, with five points in the lead, cinched the junior games. R. D. Sutherland tied with P. Allen's rink with a score of 12 all. The senior rinks went down. S. Robertson defeating W. H. Montgomery 20 to 8, and the veteran Frank Dolan defeating Joseph Hooper in the last stone played, by 21 to 19.

Belleville will play Napanee on Thursday night, in Napanee.

The senior rinks and scores were as follows: Kingston No. 1—W. C. Crozier, H. Douglas, A. Turcotte, W. J. A. Hooper, skip—19.

Belleville No. 1—P. Pitney, B. Her. A. Jones, F. Dolan, skip—21.

Kingston No. 2—R. Stevenson, W. J. B. White, W. A. Mitchell, W. H. Montgomery, skip—8.

Belleville No. 2—F. Armstrong, W. Belair, J. McCre, S. Robertson, skip—20.

Junior series: Kingston No. 1—J. Morris, George Smyth, E. Brewer, J. H. Birkett, skip—20.

Belleville No. 1—Dr. Tennant, Dr. Brown, B. L. Hyman, W. J. Cooke, skip—15.

Kingston No. 2—A. B. Williams, M. P. Reid, J. F. Macdonald, R. D. Sutherland, skip—17.

Belleville No. 2—W. Yates, W. H. Hodgson, S. H. Vernilley, A. P. Allen, skip—17.

During the match the lights went out, and caused a delay of thirty minutes. The outside curlers were only able to take the late train.

The series stands as follows:

Senior Series.		Won.	Lost.	To play.
Napanee	3	0	1
Belleville	2	1	1
Kingston	0	4	0

Junior Series.		Won.	Lost.	To play.
Kingston	2	2	0
Belleville	2	1	1
Napanee	1	2	1

Curling Notes.
T. M. Asselstane left on Thursday afternoon for Napanee, where he will referee the final games there this evening.

The local curling club has received an invitation to send three rinks to Brockville, to play some friendly games.

The following skips won their games at the curling rink on Wednesday: H. T. Wallace, J. B. Walker, J. S. Asselstane, George Hanson, J. Marshall.

Wanderers the Winners.
Hockeyists of the junior Juvenile League figured at Palace rink, on Wednesday afternoon, between five and six o'clock. The Wanderers took the Ontario into camp on a small margin, the score being 2 to 1. These teams played a tie game last week, but Wanderers have this time shown a slight bulge on their rivals. R. Davis refereed.

Ladies' Curling Games.
The Kingston lady curlers had two interesting matches at the local rink on Thursday morning. In the first game Miss R. Birch won from Miss B. Smythe by a score of 18 to 8.

The second match between Miss A. Fairlie and Miss Jean Craig resulted in a win for Miss Fairlie by a score of 12 to 9. The rinks were: Mrs. Hugh Macpherson, Mrs. E. H. Young, Miss Betts, Miss B. Smythe, skip—8.

Mrs. E. Davis, Miss Benson, Mrs. H. Nelles, Miss B. Birch, skip—15.

Miss H. Kent, Miss K. Craig, Miss H. Hague, Miss A. Fairlie, skip—12.

Mrs. T. J. Burke, Mrs. W. B. Mudie, Miss M. Redden, Miss Jean Craig, skip—9.

City Hockey League Games.
The senior fixture in the city hockey league at the Queen's rink, to-night, will be between Iroquois and Worms, and the winners will play off with Bankers, for the leaders of "B" group. The R.U.H.A. and C.L.C. play next Tuesday evening, and the team which carries off the laurels is slated to clash with Portsmouth to return a winner for "A" group.

The R.U.H.A.-C.L.C. game is the replay of the one of a couple of weeks ago, when the lights on the rink went out, seven minutes before time, and the game was not finished. The locomotive builders lead by one point at that time, and will, accordingly, commence the replay with this advantage.

At present it appears that Connaughts would be in the finals of junior series with Collegiate Institute.

Intercollegiate Finals.
On account of the covered rink being engaged for skating parties next Monday and Wednesday nights, which are usually reserved for hockey, the Kingston game of the finals of the junior intercollegiate, with Varsity III, will be pulled off on Friday, March 7th. Likely the leaders of this group, which will be settled by Friday night's "go" between Collegiate Institute and Regiopolis, will play in Toronto earlier in the week.

According to present arrangements Royal Military College seniors will meet McMaster in the intermediate finals on Monday, March 10th.

Episodes at Hockey Game.
It took a remarkably short time for a large number of spectators to leap onto the ice at the covered rink, on Wednesday night, when two of the opposing players in the K.C.I.-Regiopolis hockey game "let it" with their bats. The scamp occurred at the side of the ice, where the Collegiate girls were sitting, and screams were heard, mingled with exclamations of "Oh how awful!" etc., when sticks were dropped, and players and spectators generally started to take a hand in the melee. However, the tempers of the two principals were soon cooled, the game went on, and the

boys played on as if the mix-up had not occurred. Relatives and friends of players on both sides were quickly on the scene. This sort of thing very seldom happens in Kingston.

FISH SHOCKED TO DEATH.
Reported That Fisher Made Use of Electrified Pole.

The fish and game warden of Tippecanoe county, Indiana, was much exercised during the last fishing season over the large quantities of fish offered by the dealers of Lafayette.

Seines and nets he felt sure were not in use in his territory.

Seeking for a time in vain, he suddenly came one day upon a lone fisherman seated at the end of an interurban railway bridge, and beside the angler lay a huge pile of fish.

From time to time the fisherman indulged in the strange proceeding of striking his fishing pole against the trolley wire. Dead fish came to the surface following this action.

Investigation showed that an insulated wire ran down the fishpole and dipped into the water under the bridge. A fatal contact with the trolley served to electrocute all fish near the wire.

LATE MRS. JOHN DOUGHERTY.
Died At Her Son's Residence on Sixth Street.

After having attained two years in excess of the allotted three score years and ten, Mrs. John Dougherty died at the home of her son, William Dougherty, 20 Sixth street, during Wednesday night. Her demise followed an extended illness.

The deceased, whose maiden name was Elizabeth J. Capper, was a lifelong resident of this city, her birthplace. Her late husband predeceased her twenty-two years. Surviving are three sons and one daughter—William, Patrick and Daniel, of Kingston, and Mrs. P. Keyes, of Montreal.

The funeral will take place to St. Mary's cathedral, at 9.30 o'clock on Friday morning, when a solemn requiem mass will be sung.

STREET PAVING AGREEMENT.
With Street Railway Company Ready To Be Signed.

This afternoon the Board of Works will pass upon the agreement between the city and the street railway company with reference to the paving of Princess street. A conference between the company and the chairman of the Board of Works and the city engineer was held on Wednesday, and the details were pretty well agreed upon. It looks as if everything will turn out satisfactorily, and that the paving of Princess street will be started in the spring.

Died in Chicago.
Mrs. Joseph Gratton, Queen street, received a telegram on Thursday morning, announcing the death of her sister, Miss Nellie Regan, at Chicago.

This is the third death in the family within a very short time. Deceased was born in Kingston, but moved to Chicago some years ago. She had visited here from time to time, and was well-known to many Kingstonsians. On Wednesday a telegram was received, stating that Miss Regan was very low and that it was not expected that she would recover.

CHASTITY OR MOTHERHOOD.

Only Right Course For Women, Says Franciscan Fathers.

The mission at St. Mary's cathedral, which began on Sunday and is being conducted by the Franciscan Fathers, of New York City, has continued every night this week. The services have been for women only during this week.

Problems closely touching the religious life of the people are dealt with.

On Wednesday evening, Rev. Father Fox addressed the mission on the duties of women in their relation to life. He held out to the women the ideal of motherhood as the highest purpose of womanhood. He condemned unnecessarily any effort on the part of persons in wedlock to divert from their proper course the purposes of nature, and the preference of modern life for pleasure to their clear duty. To women he held as right only absolute chastity or else motherhood. The address of Father Fox was searching and vital, touching the very core of life and very earnest in its appeal for purity among those who would be true to their God, their church and their immortal souls.
