**When Dr. Morse's Indian Root Pills Cured her Chronic Liver Complaint**

Mrs. R. Smith, of Winnipeg, Man., tells an interesting story of relief from almost intolerable sufferings:

"I can hardly tell you how great my sufferings have been. Chronic liver complaint accompanied by biliousness was a daily source of trial to me. Every day I experienced the sickening effects of these ailments. I longed for some medicine that should permanently drive them away.

Hearing of Dr. Morse's Indian Root Pills, I thought they were worthy of a trial. My surprise was indeed great. From the very first I experienced relief. Continuing with them I found my troubles were slowly but surely leaving me, and before long I once more knew what it was to be free from the harassing effects of the ailments that had long sickened and weakened me. So great is my faith in Dr. Morse's Indian Pills that I shall never on any account be without them."

**A fitting complement to the finest clothes**

How refreshing is the feeling of completeness—of "all rightness"—which a woman has when she is conscious of being well-dressed from hat to hosiery.

Is it not important then, that she should give to the selection of her hosiery the same care she bestows on the purchase of her gown, millinery or shoes?

To have these of the highest quality and to be content with less than the best in hosiery is to lose the pleasing effect conferred by an artistic gown and becoming hat.

Radium Hosiery is so sheer and lustrous that it adds richness and elegance to your whole attire. It is so smooth and even in weave, so altogether dainty, yet durable in texture, as to present the utmost in beauty, style and serviceability. And it may be obtained in colors to match any gown, as well as in black and white.

Each pair is strongly reinforced at toe and heel and made with wide garter hem designed to protect hose from tears of garter clasp. Sold at all good shops. Ask to be shown Radium Hosiery next time you are shopping.
